LIFE MEMBERSHIP INDUCTION – MR. DANIEL STEPHEN BOWCOCK

Dan Bowcock became the Club's 40th Life Member at the Club's annual dinner on 22 April 2023. This is a repeat of the speech given by David Jebb in presenting the award to him.

Bowie joined the Club in 1995 from Easts and played the season in our 4ths, averaging 30. The following year he didn't start so well and found himself dropped to 5th Grade for, as it turned out, one game. He answered the demotion by scoring 222 - quite an afternoon out with a 12.30 start and still the Club's highest score for all comers.

From there he worked his way up to regular 3rd Grade. Jim Dixon's captain's report from the 1998/99 season gives an idea of Bowie's cricket and the role he played in the team:

"DANIEL BOWCOCK: I want to start with Bowy because I consider that his contributions to the team and the style of cricket that this Club aspires to were outstanding. He is a batsman of rare skill and ability, if perhaps still coming to terms with his own game. Crucial innings vs Mosman, North Sydney and Sutherland stand out and inevitably led to our victories. But his batting has potential way beyond this as anyone who has seen him play can attest. I think he is coming to terms with crucial aspects to his batting and if so the sky is the limit. However, it was Bowy's enthusiasm, encouragement, positive thinking and well-timed words of inspiration that became the trademark of the side. We could have floundered badly in the last quarter of the season, and half way through the Campbelltown game it appeared we would. But it was Bowy's contributions in the field (and that Campbelltown game stands out, even though it was only indicative of his approach basically for the entire season) that, I believe, almost single handedly invigorated us as a team. My thanks to Bowy who, although never officially being made vice captain, was the vice captain both the team and I needed desperately."

BOTTOM RIGHT: Bowy teaching some of the younger lads some other "life skills" in 2017/2018.

So, it could be argued that he was at a peak when, due to family and work reasons, he left us for 4 seasons to live and play at the Central Coast from 2001, where no doubt he was a legendary figure, before returning “home” in 2005.

Bowie played 4ths in 2006/7 and took on 3rds captaincy in the season afterwards, a role he stayed in for some years, where he brought his characteristic passion and hard school mentoring to the role.

When the great Paul Serov, the Barr Turn safety in his keeping after several out of character incidents, cried “enough!”, Bowie put his hand up for the Secretary role and performed it for 4 seasons from 2010. He did this whilst holding down a busy insurance job where he got ongoing grief from his supervisors about his cricket activities on the job while back at the club, like a good referee, you hardly noticed him. What wasn't so well known is that at the same time he was living with, and caring for, his terminally unwell grandmother and also balancing all this with also traveling up to the Central Coast to spend time with his daughter. In very difficult times for the club he hardly put a foot wrong - the exception being when he, emboldened by a few refreshing libations, jokingly told Roy Formica to “get fucked” at Benson's Lane at a PGs semi final. I don't think Roy thought it was as funny as Bowie and I did.

When it is said they were difficult times when he did the Secretary role, it is a nod to the quantum leap our grounds problems took when their preparation and maintenance went from in-house staff to contractors in Bowie's first season in the job. All grounds issues fell into the Secretary's lap in those days and to say that this was added to the load that only former Secretaries really understand, speaks to the remarkable contribution it was from Bowie to do the job for 4 seasons.

Has played well over 300 matches for the club and has been something of an enigma, in that he has never had any real appetite, despite clearly having the skills to do so, for playing anywhere requiring regular 9 o'clock warm ups - and no doubt he can be a funny bugger, as his reluctance to wear helmets (although he had a Not Stupid rule when facing 1st Graders on dodgy practice decks after 7.00 p.m.) and his creed of “I

don't do August (pre season) have shown. His captaincy, sound, tough and considered, was marked by fastidious field placement, which treated lower grade cricket as if it was some incredibly fine tuned affair and not, in general, the result of a fairly ordinary batter hitting a fairly ordinary bowler somewhere in the ballpark of a fairly ordinary fielder. He often stood right next to the batter to get imaginarily critical angles right.

These days as an elder statesman and mentor, he's locked in a good natured battle with Bandit on their respective career run-scoring tallies. This is somewhat ironic given that he is in Bandit's three favourite left handers of all time (Lara, Gower and Bowie).

If we could just put his bowling aside for a moment, he has brought a touch of class to the Bees lower grades for nearly 30 years now - extraordinary. He has always been easy on the eye, a beautiful timer of the ball no matter what sort of pitch and a good slip fielder. Bowie, you may have morphed into someone who non-readers of annual reports would assume is already a Life Member but, as you know, they don't come along that often and aren't awarded lightly. You richly deserve to be one after many years of on and off field contributions to our club.

LIFE MEMBERSHIP INDUCTION – MR. DANIEL TREVOR CHRISTIAN

Dan Christian became Life Member number 41 at this season's annual dinner. The following is a close version of David Jebb's induction speech that night:

Dan's cricket story and his continued association with the Bumblebees is remarkable. He joined the Club in 1997/98 as a 14 year old in our first Green Shield team when the strong Campbelltown club couldn't find a spot for him and we became the fortunate beneficiaries (subsequent note: it turns out that Dan missed out at the Ghosts because he was injured and we, via Henry, gave him a quick and very basic centre wicket test before signing him up). This was a tough season for our team, including one occasion when we conceded 500 in our 60 overs!!

The following year Dan found his feet in a substantial way, including an incredible performance in the game against Petersham as detailed in the 98/99 annual report:

"UNSW 5 for 280 (D Christian 160 no) defeated Petes 8 for 180 (D Christian 2-18). Clearly this match was most notable for the awesome individual display from Daniel Christian. He strode to the wicket when the team was on the ropes at 3 for 30, but with his bludgeoning style, turned the match on its head. On a slow outfield and slow pitch he registered the Club's first Green Shield ton and the highest individual score from any Green Shield player for the season. This was followed by 12 overs of genuinely rapid bowling which killed the match as a contest after his first six overs."

After this Dan was selected for Grade where his potential was quickly further confirmed. Jim Dixon, in the same annual report as mentioned in Dan Bowcock's Life Membership spiel, spoke for where his cricket was at and the club's view of him:

"DANIEL CHRISTIAN: I think everyone in the Club has come to realise that Daniel has the potential to be a star of the future. His "numbers" both in 4th grade and 3rd grade belie his actual contribution and fail to tell the story of a 16 year old's mature approach to the arduous task of competing in senior cricket. Daniel's big asset is that he listens, he wants to learn and he loves playing his cricket. I did not mention his obvious talents because for a kid of his age those will always be wasted without the assets I mentioned and which he possesses. The Club clearly sees a very bright future for Daniel and some might say that we rushed him too quickly into 3rd grade. I don't think so and I believe his performances at the end of the year showed that he can easily handle 3rd grade. With the patience, maturity and confidence he shows the test for our club will be to ensure he has the appropriate opportunities and that senior players continue to support him"

in his developing years. Dan continued to progress in the following seasons to 1st Grade at the age of 18, playing 2nd Grade finals cricket on the way, and participating in the Club's month long 2001 UK Tour. The report of that tour said:

"Dan Christian: A tour of two halves. Looked like he might break all sorts of Club records early on, threatening not just to burn both ends of the candle, but explode them. However, the news in Birmingham of his selection in the Australian Under 19 side saw him start living a little more for tomorrow."

Dan continued to be a frighteningly quick fast bowler and truly found his mark at 1st Grade level just before Xmas 2001 with a performance of 8 for 57 against the strong Penrith side, which also happened to be Warren Saunders' last game for the club (he took the other two).

However, with his cricket well on track for further representative honours, Dan suffered a serious setback - a badly broken leg playing rugby for UNSW (What was the thinking? Wally Reid had/still has much to explain!) that required surgery, the insertion of metal and a significant rehabilitation at a most critical time in his career. Indeed, after he attended Rod Marsh's cricket academy in Adelaide shortly afterwards he returned as a quite different bowler with a remodeled action intended to take pressure off his leg. In fact, it could probably be said that at that stage he became more of a batsman who bowled than a quality fast bowler who batted very well.

Nonetheless, Dan's cricket continued to show excellence, including appearances and significant performances in the one and two day finals series in 2004/2005. Selection for the NSW one day side came in 2005, where he again quickly showed that he was at home at that next level and it came as a surprise when he wasn't offered a NSW contract in 2007/2008.

BOTTOM: Dan pictured here center front, as a young PG captain in 2002/2003. Some very youthful faces (including a much younger looking team manager!).

So Dan at this stage was forced to consider an occupation other than cricket. He joined the Public Service, where he quickly developed the club nickname “Sick Note” and, despite taking on the captaincy of 1st Grade, his cricket looked to have hit something of a pause.

Then came the Rod Marsh call. Familiar with the work of both Dan and Tom Cooper, the then South Australia el supremo had become astonished to find out that both were not in the NSW setup and immediately called with an offer of all the remaining (new) T20 and one day games for South Australia for the rest of the 2007/2008 season and a contract if they performed. Co-incidentally, this call came on a “Pepsi” night when all Grade cricket had been called off due to wet weather and Dan had arranged for the club to meet at The Rocks for a mini pub crawl. That night, the news was, of course, the main topic of

conversation and, incredibly, Dan was agonising over the decision - saying "I'm a Bee and a Blue Bagger"! All of us of course and, most importantly, Henry when Dan consulted him for advice, told him he had to do it. That said, one can only now imagine what he would have done for our Club and NSW on the field if NSW had stayed with him as they should have. The rest of what happened from there is well known, with Dan becoming a global cricket star over the next 15 years, representing Australia in both short forms, specialising in T20 cricket around the world and coming close to a Test cap.

Throughout this time he continued the culture that Henry started as a Test player by never leaving his club behind. He stayed in touch with his best mates, including making it to some end of season trips to Byron Bay, and a high point being taking Jimmy Day and Mitch O'Connor with him to the T20 World Cup in the West Indies, which led to some quite amazing stories. He also participated in club activities whenever he could - providing a great thrill for our Green Shielders by playing in several Snake Rooter games when they were a Green Shield vs 1st Grade event and always getting to our Golf Days, where the mates he brought from his cricket networks made them all the more special.

As an example of the sort of connection and priority Dan maintained for the Bees, was his participation in our Village Green sendoff in March 2019. Contacted via our Old Boys e-mail list, he came back to me with this: *"Currently in Karachi - home this week. What are the rough times of the game? I've got a bucks in Adelaide on the Saturday, I could potentially get an early flight!"* He did and, alongside many of our ex-players, helped make the day truly memorable.

When he came back to Sydney, one can only imagine the sort of offers Dan fielded and the money he knocked back while it remained never in doubt that he would play for us. He was also always available to have a word with potential recruits when asked, usually by Matt Sanders, and happy to have his profile used if it would help the Club. Recently I was needing to do some serious crawling to the City of Sydney to secure the lease for Royal Alexandria and mentioned that we hoped to hold some coaching clinics there featuring Dan if circumstances allowed. I thought I should perhaps run this by Dan (!) so messaged him in England, conscious that he was in the first days of settling into Nottingham with Jorgia and Harpi - he came back within minutes with *"of course mate, say whatever you like"*. Other examples included recently holding a T20 pre game masterclass for both PGs teams when we hosted East for a DP South double header, requiring an early morning arrival when he wasn't playing until later that day, and choosing to hold his book launch, featuring Gideon Haigh, at the Doncaster Hotel - surely he could have done a star turn at the SCG featuring any number of famous players, but chose an understated night with us. Always a good bloke, a Bee, never the "star".

In a sense, through his actions, Dan already is a Life Member - that is, a Bee for life, someone who has been with us for nearly three decades, who has been a wonderful ambassador for us when his career took an incredible path, and who has automatically turned up and contributed whenever he can.

Tonight we make it formal. Dan, we are proud to be your club. Welcome to Life Membership.

HISTORY AND ORIGINS OF AWARDS

E.H. “TED” DAVIS AWARD FOR PLAYER OF THE YEAR

The E.H. “Ted” Davis Award (originally named “All-Rounder” of the Year) was first presented in 1968. Edward H. Davis (known as Ted) was the UNSW Registrar and club Patron from 1967 to 1972 (taking over from G.L. Macauley - another notorious figure in UNSWCC history) Ted did an enormous amount of work behind the scenes during the club’s application for entry into the Sydney Grade Competition to raise the profile of the UNSWCC.

W. JOHN ROGERS AWARD FOR POIDEVIN-GRAY SHIELD (U21) PLAYER OF THE YEAR

The W. John Rogers Award was first awarded in 1983. William J. Rogers (known as John) was a former St. George and NSW State batsman who joined the club in 1975/1976, although his initial association can be traced back to his days as a student at UNSW in the 1960s where he played in some very successful Inter-Varsity sides. His dedication over the following seasons as an extremely skilled, inventive and intuitive 1st Grade Captain, an outstanding mentor to all players in the club, along with his innate energy assisted and directed the club through the tough years of transition into the Sydney Grade Competition. Ultimately, his influence led the club to its first big successes in Graded Cricket – in the form of a 1st Grade and Poidevin-Gray premiership in 1976/1977 (5th Grade were also finalists that season), a 2nd Grade premiership in 1977/1978, and then to arguably the club’s most outstanding achievement, a Club Championship in 1978/1979. As a consummate professional, John left the club after 1978/1979 to pursue a role as a NSW State Selector (for only two games!), then moved to WA to take the role as General Manager for the WACA. JR is the Father of Australian opening batsman Chris Rogers and was awarded Life Membership to UNSWCC 1982.

MICHAEL J. “MOB” O’BIEN SHIELD FOR A.W. GREEN SHIELD (U16) PLAYER OF THE YEAR

The A.W. Green Shield Player of the year was instituted upon the Club’s inception into the Green Shield competition in 1997/1998. In 2018/2019, the Club’s general committee saw it only just to recognise the invaluable contribution by the late Michael O’Brien and renamed the award after him. Michael J. O’Brien (1953-2018), known as “MOB” to his mates, first came to the UNSWCC in 2005/2006 through the Club’s connections with Randwick Juniors (notably his Son Christopher and Step Son Nicholas Bannehr who both played for the club) and at the time filled the much needed post of A.W. Green Shield Team Manager. Over the following 7 seasons, MOB poured his heart and soul into mentoring and developing our junior players, and was primarily responsible for creating our Green Shield program and pathway that we have today. MOB’s love for the club was obvious, displayed by the fact he would do anything to help, be it jump on a scorebook, assist captains with match day duties – in essence anything to make the UNSWCC a better place. He was also an active member of the Club’s social scene, where his trademark Hawaiian shirts were legendary. MOB was nothing if not a straight shooter – be it delivering stern words or supplying a player with some good advice – he would tell you exactly what he thought. But he was a humble and intelligent man at the core, routinely greeting you with a smile and a quip before going about the next task selflessly and totally without ego - he was one of those rare individuals that you could class as an all-round good bloke. MOB was Awarded UNSWCC Clubman of the year in 2008/2009 and a UNSW SRC in 2010/2011. Thanks must be given to Mr. Matthew Sanders for donating the perpetual shield marking the renaming of this award.

CAPTAIN JOHN MORRIS FIELDING TROPHY FOR FIELDSMAN OF THE YEAR

The Captain John Morris Fielding Trophy was first awarded to John Middleton in 1959 (who was arguably the most outstanding cricketer in the first 20 years of the club’s history). The late Captain John Morris served in the Indian Army during the days of the Raj. For many years he was Vice President for both the UNSW and Sydney University cricket clubs, in addition also scored for Sydney University for many years. He had a pet theory regarding the importance of fielding in the game of cricket – and would never stop talking about it. Reportedly, he would talk about fielding to anyone who would listen. Skip was awarded Life Membership to UNSWCC in 1960.

THE BARR-TURN JACKET (TROPHY)

The Barr-Turn Trophy was instituted by the late Clem H. Barrington and A.R. Turner in 1969, and was awarded to the most notorious player of the year for both his on, and off field performances. Clem Barrington was a wicket keeper who took 137 catches and 68 stumpings over many years during the Shires era of the club, was club President from 1966 to 1976, and was one of the club’s primary movers for entry into the Sydney Grade Competition. He was also an engineer on staff at UNSW. Bob Turner bowled left arm orthodox and took 255 wickets during the club’s years in Shires. Bob was also on staff at UNSW. Together, they made the first ever Barr-Turn Trophy (a statuette) however, this was disposed of in 1976 by the wife of 70’s fast bowler Dick Pym, due to its unsavoury, disgusting nature. Many luminaries have won the Barr-Turn - BUT never by those who have tried to win it. Clem was awarded Life Membership to UNSWCC in 1960.

PETER D. RICHARDSON AWARD FOR CLUBMAN OF THE YEAR

The Clubman of the Year was awarded for the first time in 1976/1977 but was renamed The Peter D. Richardson Award in 2009/2010. The late Peter D. Richardson (1943-2009) joined the club in 1999/2000 when his son, Tim, came to play for UNSWCC. For almost a decade until his sudden passing, Peter immersed himself in the club’s unique culture, and dedicated himself to its many facets – most notably that of 1st Grade Team Manager and Training Coordinator, for which he travelled from Wollongong at least twice a week during the season to attend. A devoted family man, he was recognised as a man of dignity, wisdom, humility, wit and was totally reliable, whilst always maintaining his unassuming

nature. Peter was a fantastic advocate and representative of UNSWCC and had a profound impact on the ethos and culture of the club – truly one of nature’s Gentlemen. His talents as a team manager and advocate were recognised when he was awarded with the role of team manager for the SE Sydney State League Representative Team in 2005, and a UNSW SRA in 2007.

Peter, who was known as a “cricketing tragic”, early in life had a legendary career with Shires Club Burwood Briars (with whom he is also a life member) as a grafting opening batsman. He was a prominent member of the Australian Cricket Society and was very well respected in the cricketing community by team mates and opposition alike. Richo was Awarded UNSWCC Clubman of the year in 2001/2002 and became a Life Member of UNSWCC in 2008/2009.

The club would like to formally thank the following people for their insights and assistance with compiling this information – Geoff Garland, John Rogers, Mark Ray, Geoff Lawson and David Jebb.

DARREN SUE
HONOURARY STATISTICIAN & RECORD KEEPER

ABOVE:

The club's two newest Life Members: (L) **Daniel Christian** - superstar who went all they way as a player, a club advocate and even with an array of club cricket options at his feet, always called the UNSWCC Bumbee Bees his home.....(R) **Daniel “Bow” Bowcock** – your classic club servant - 24 seasons as a player (with I suspect a few more to come), a warrior, team captain, secretary, lower grade player mentor and the only man in the club's history to hold the Barr-Turn jacket for two seasons in a row (thanks covid !)

PRESIDENTS REPORT

Not our best season.

Performance regressed this year in most grades. The major highlight was First Grade qualifying second in First Grade Limited Over (50 over) competition. Sadly, we lost the semi against Sydney Uni from a strong position and that was that.

The table below summarises our performance over past few years. After a significant improvement last year, we reverted to previous levels.

Andrew Jones

Regrettably I was not much help, as work commitments with Racing Victoria saw me move to Melbourne in the pre-season. My main role during the year was to continue negotiating a settlement with UNSW over our progressive loss of grounds. Discussions are still ongoing.

Off the field, we navigated our first season without David Phillips North, now home of the NSW Waratahs. David Phillips South remained our First Grade ground, with lower grades across Cahill Park and Alexandria Park.

Our thanks again to St George DCC President **Kevin Greene** for his assistance with securing Cahill. My thanks also to all the people who did the real work during the year:

- Our Head Coach, **Ben Preece** and his team including assistant coaches **Sutha Thanabalasingham** and **Terry Howes**, batting coach **Mark "Sparky" O'Neill** and spin coach and former Bee **Steven Herzberg**. Plus Practice Co-ordinators **Chai Motalla** and **Darren Sue**;
- Our on-field captains, **Brandon McLean**, **Aaron Crofts**, **Sam Edwards**, **Charles Williams**, **Chai Motalla**, **Oscar Howard** & **Hugo Tuckfield**, **Jack Attenborough** and **Hayden McCarthy** ;
- Our social and spirit captain, **Mitch Law**;
- Our cricket committee including **Glen Greenberg** and **Tim Stewart**;
- Our match day officials, including scorers **Janelle Carew**, **Glen Greenberg**, **Peter Calov**, **Thomas Siu** and **Damian McCarthy**;
- Our photographer, Saturday Sledger and SCA Delegate, the evergreen **John "Rattler" Lupton**;
- Our comms team **Mitch Law**, **Jamie Pavey** and **Will Calov**;
- Our Administrator, **David Jebb**, who wrangled grounds, grants and many other things with his usual skill;

- Our spiritual leader, **Geoff “Henry” Lawson**;
- The Club Committee, including **Matt Sanders**, **“Springer” Scolari**, **Glen Greenberg** and gear manager **Charles Williams**;
- The secret army behind this Annual Report, including stats man **Chris Ward** and Life Member **Paul Serov**;
- Our major benefactor **Mike Gregg**, who continues to provide an extraordinary level of support to the club, helping our **Treasurer**, **Vice President** and **President** sleep much more easily at night;
- Lastly, the great **Darren Sue**, who once again was club secretary, trials co-ordinator, practice co-ordinator, fee collector, head statistician, Annual Report wrangler, and the guy without whom the club would not function. We are in awe of his contribution.

In closing, we have gone from 3 great grounds to one in a 5-7 year period which has been very difficult logistically and emotionally. Many sleep-interrupted nights. Hopefully we can get our financial settlement and move on.

COMMERCIAL & FINANCE REPORT

It is with pleasure that I present the 2022/2023 Treasurer's Report.

The club this year has showed an operating loss of \$58,553 but please note that this was after a reimbursement from our supporters via our Foundation Account of \$109,163 last year which caused a profit in 2022 of \$82,217. Please also note \$18,377 booked to income is yet to be paid across, hence the trade debtor figure of \$18,377 in the balance sheet. We are still waiting on the 2023 funding from ARC which has not yet been determined (last year \$11,000 per year). Once again, a significant amount has been invested in coaching this year with a view to getting good results on the field and player development.

Fees income is upon last year due to discounted fees due to the shorter 2022 Covid effected season and pre-season. We continue to try to keep these down wherever possible but also have to balance the books as best we can. Again thanks to our supporters including our Foundation contributors, sponsors and players.

In terms of our balance sheet, we have approximately \$68,000 sitting in bank accounts with approximately \$1.2k owed to creditors.

I would like to thank the support of our major sponsor **Run With The Pak Pty Ltd (Mellick Wealth Management)**, also to the following supporters for giving goods, services & support, which also can never be under valued:

- **The Doncaster Hotel;**
- **ASB Branded Merchandise** (player pack);
- **JP Gavan Cricket;**
- **Kachink Communications / Kurly Wurly Bar** (Graphic design and stationary)
- **Total Physiotherapy and;**
- **Touchpoint Chiropractic.**

As always, ("copy, paste, rinse & repeat"!!!!) thank you to **Darren "Suey" Sue** for his efforts in chasing subs and forwarding on invoices for payment. **Matt Sanders** also has been a huge help this year with the finances as always. These guys do a mountain of work in assisting me for which I am very grateful.

Thank you to **Andrew Jones** and the hardworking Committee whose contributions to the club can never be underestimated.

Finally, thank you to my team at Tribel Accountants for the work they have put in to keep the accounts, GST and invoicing up to date.

PETER SCOLARI
HONORARY TREASURER

Notes to the Financial Statements

University of NSW Cricket Club Inc For the year ended 30 June 2023

1. Statement of Significant Accounting Policies

The directors have determined that the company is not a reporting entity and accordingly, this financial report is a special purpose report prepared for the sole purpose of distributing a financial report to members and must not be used for any other purpose. The directors have determined that the accounting policies adopted are appropriate to meet the needs of the members.

The financial report has been prepared on an accrual basis and under the historical cost convention, except for certain assets, which, as noted, have been written down to fair value as a result of impairment. Unless otherwise stated, the accounting policies adopted are consistent with those of the prior year.

The accounting policies that have been adopted in the preparation of the statements are as follows:

Income Tax

The income tax expense for the year comprises current income tax expense. The company does not apply deferred tax. Current income tax expense charged to the profit or loss is the tax payable on taxable income calculated using applicable income tax rates enacted, or substantially enacted, as at 30 June 2023. Current tax liabilities are therefore measured at the amounts expected to be paid to the relevant taxation authority.

Inventories

Inventories are carried at the lower of cost or net realisable value. Cost is based on the first-in, first-out method and includes expenditure incurred in acquiring the inventories and bringing them to the existing condition and location.

Property, Plant and Equipment

Property, plant and equipment is initially recorded at the cost of acquisition or fair value less, if applicable, any accumulated depreciation and impairment losses. Plant and equipment that has been contributed at no cost, or for nominal cost, is valued and recognised at the fair value of the asset at the date it is acquired. The plant and equipment is reviewed annually by directors to ensure that the carrying amount is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the utilisation of the assets and the subsequent disposal. The expected net cash flows have been discounted to their present values in estimating recoverable amounts.

Freehold land and buildings are measured at their fair value, based on periodic, but at least triennial, valuations by independent external valuers, less subsequent depreciation for buildings.

Increases in the carrying amount of land and buildings arising on revaluation are credited in equity to a revaluation surplus. Decreases against previous increases of the same asset are charged against fair value reserves in equity. All other decreases are charged to profit or loss.

Any accumulated depreciation at the date of revaluation is offset against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

Trade and Other Receivables

Trade receivables and other receivables, including distributions receivable, are recognised at the nominal transaction value without taking into account the time value of money, if required a provision for doubtful debt has been created.

Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the company that remain unpaid at 30 June 2023. Trade payables are recognised at their transaction price. They are subject to normal credit terms and do not bear interest.

HIGH PERFORMANCE – CLUB COACHES REPORT

Pre-Season

After the previous two years of Covid causing havoc with fixtures and logistics, we were looking forward to a strong pre-season program. High performance reviews and action plans were done with the top 20 players and we were ready to go in late June with fitness training.

This was facilitated via means of a 6 week team running challenge, and Sunday morning fitness sessions at Maroubra beach. The running challenge was a huge success – congratulation to **Andrew Redman** who racked up 296 km’s, also to **Will Wolter**,

Tom Scoble, Tom Connolly & Chai Motalla who ran over 100 km’s each during the 6 weeks.

The Sunday morning’s turned out to be not as popular, and unfortunately fizzed out after only a few sessions (although mention must go to **Tim Stewart** who seriously outdid some of the younger players!). Nevertheless we arrived for the skills work in late August much fitter as a collective.

As the commencement of weekend net sessions roled around, El Nino and delays in construction of the new DP netting system saw that our preparations were largely kept to indoor training at Norm O’Neill. These sessions are great for muscle memory and general skills however lack the real time feel of turf wickets. In the end we were able to secure a few weeks of Tuesday/Thursday on the Norm O’Neill turf wickets of which we made the most of, overall everyone was well prepared and ready for game one.

General Strategy & Club Performance Annalysis (1st half of the season)

Process targets:

- Give yourself time;
- Play according to the game situation;
- Shot selection;
- Bowling to a plan;
- Patience;
- Self belief in all situations;
- Team first.

There was a strong feeling that we had a very good chance of winning some trophies with the quality of players we had through the grades. Early finger injuries to three top players did not help our ambitions and there was a lot of reshuffling as a result. After such a successful season previously there were many players playing up a grade or two. This is great for the club long term however creates a vacuum to be filled below and patience is required.

Pleasingly we arrived at Christmas with all teams well in the finals race. First grade were the high achievers sitting 4th, whilst Second, Third and Fourth grade were one game out and Fifth grade 8 points.

Unfortunately our PG and Green shield sides struggled to get any momentum and this cost us dearly in the Club Championship, and this must be addressed moving forward.

General Strategy & Club Performance Analysis (2nd half of the season)

From a personal perspective I wanted to make sure we started well again after the break and try to build momentum.

Key areas to improve from First half of season:

- Playing according to the pressure ARC;
- Going on once in;
- Working batters out quickly;
- Reverse swing;
- Wanting to be “the one” for the team;
- Finishing the opposition off and being ruthless.

ABOVE: Session with Mark at Norm O'Neill...

Unfortunately despite our efforts, the second half of the season was really a one team show – as grades 2-6 could not get going and find consistent momentum.

By the end of the season, our teams had the following competition placing:

1st Grade	8 th	5th Grade	16 th
2nd Grade	17 th	6th Grade	10 th
3rd Grade	11 th	Poidevin Gray	10 th (Sixers conference)
4th Grade	13 th	A.W.Green Shield	20 th

These results – whilst devastating – are not a true reflection of the tremendous and undoubted talent within the playing group and the huge growth ceiling available over the next two years. It is now up to each player to work hard and fulfill their potential. How much do you want to it and what are you prepared to do to get it? Nobody can answer this but you!

Representative Honours & Talent

In addition to the Bee superstars **Chris Tremain, Matt Gilkes & Dan Christian** (sincerest congratulations to DC for a whole heartedly deserved Bee Life Membership), as mentioned above the talent potential at the club is enormous.

Again, **Jack Attenborough** showed he is a class above scoring the second most runs in NSW Premier Cricket, third most in 1st Grade, was again selected to play NSW 2nd XI, selected in the SCA 1st Grade Merit XI, and to top it off played against the West Indies in a Tour Match. At the time of writing this report he has taken a sabbatical to play in England, where he has also been selected to play in the Combined Australian Universities team !

Ethan Jamieson put a form slump behind him to perform very well for NSW in the U19 tournament (including scoring 152 vs. ACT), where his efforts were duly recognised via selection in the Australian U19 team who played the England U19s in Brisbane.

Hayden McCarthy and **Tanmay Mehta** were both included in the NSW U16 Academy Squad. Hayden again showed his ability by progressing to, and being a valuable contributor in 3rd Grade, whilst Tanmay put in an excellent Rookie season by winning the 4th Grade batting award, as well as the Rookie of the year.

The returning **Bailey Creer** was a U18 Country Colt for Newcastle and enjoyed the opportunity to take the gloves and gain a cap in 1st Grade for the unavailable Tommy Byrnes, and is a very nice chap to boot.

A host of youngsters were rewarded with selection in various U14 State Challenge teams – **Sam Hayes**, **Rishab Shah**, **Will Parkinson** and **Neel Patel** (who put in a very good 1st season with the club and played some 4th Grade). All are better off for the experience, and will be the life blood of the club for years to come.

Team Performance Analysis - 1st Grade

First grade was outstanding this season, superbly led by **Brandon McLean**. The challenge for the season - "Can we play red ball Cricket?". The answer – "Yes, we can". I find it difficult to not see 1s challenging for all trophies next season.

The team only lost 3 games all season and went within one point of making 6th place. This would have been the first finals appearance for first grade in over 10 years, so a bitter pill to swallow.

The T20 campaign was very disappointing to say the least. We were in the hunt every game, but somehow managed to find a way to lose all except one.

In the 50 over competition the team played extremely well. This led to a run all the way to the semi final against Sydney Uni. Having bowled them out for 161, we found ourselves 1/130 with 15 overs left. Somehow - I'm still not sure how - we managed to fall 10 runs short. There were many honest conversations in the following week and I feel as a group there were forward strides taken to ensure this does not happen again.

Individual Standout Performances – 1st Grade

Jack Attenborough - Opening the innings in all formats and adjusting his tempo accordingly. A truly special talent and a joy to watch when in (and not reverse sweeping!).

Declan White - Made some improvements to his action and reaped the rewards. Standing tall at the crease, and hitting the seam at a lively pace is a real handful and genuine wicket taker. He showed great courage in round 14 against Manly when playing with a fever. He bowled 20 overs in the heat taking 4 wickets , a truly remarkable effort.

Hayden McLean – Is the heart beat of the team and his importance to the bowling unit can not be over stated. He literally will push himself uphill into the wind all day without any longing for the better end. A wonderful team man.

Tom Scoble - Suffered a finger break in the warm up of round one and was out until round 9. I believe Tom has the potential to be the best performing allrounder in the competition if he stays fit and keeps doing the simple things well to complement his incredible talent.He has the ability to turn a game in 15 mins with batt or ball and is a passionate team first player.

Will Wolter – Had a breakout season playing some memorable innings. The highlights being 102 against a very strong ND's side and 80 against an even stronger Penrith bowling attack earlier in the season.

Looking Ahead – Areas for Improvement

We are looking for all players to lift 10%!

- Commitment to all games in the season from all players. Consistency of personnel breeds success;
- Greater collective training attendance;
- Willingness to work hard and to a plan;
- Work out your own game and where you need to improve. Once you understand this the coaching staff can help;
- Greater ownership of personal fitness and conditioning levels;
- The general level of fitness needs to lift;
- Understanding your role and how best to apply your personal skills in any given situation;
- Batting as a whole needs to improve if we are to challenge for titles - Flashy 30's don't win competitions - 193 no's off 400 balls do as Ryan Hackney showed in the First grade final!
- Generally the bowling was very good across the grades – 1st Grades was exceptional. We were a little light on personnel at times due to injuries, though still performed well.

Personnel - Acknowledgements:

- **Darren Sue** - for his outstanding administration through the season. He makes everyone's life easier and we are lucky to have him;
- The selection committee of **Darren Sue** , **Glen Greenberg** and **Tim Stewart**. There are at times some very diverse opinions within this group and they always manage to be united in their decisions and get them correct;

- All the Captains for their work through the season – **Brandon McLean, Aaron Crofts, Sam Edwards, Charles Williams, Chai Motalla & Oscar Howard**. There is so much more than the on field side and we are lucky to have such fine leaders.

Mark O'Neill

Steven Herzberg

- The coaching staff - **Sutha Thanabalasingam, Steve Herzberg and Mark O'Neill**:
 - Sutha is still arguably in our best eleven and offers outstanding guidance especially to the younger players;
 - Steve has fitted in wonderfully this year. It is a pleasure having his experience and knowledge within the club. He has really helped develop the spinners this year and been a great sounding board for myself;
 - Mark brings a vast wealth of experience and knowledge to his batting sessions. He has improved the standard of the whole club's batting in the last two years and we are lucky to have such a high class and in demand operator on hand.

Last but definitely not least, I would like to thank the whole playing group for their efforts. The results did not fall our way as often as we would like, though I am hopeful the fruits of the season will be shown in 2023/2024.

HIGH PERFORMANCE - PATHWAYS REPORT

A.W.Green Shield

The purpose of A.W. Green Shield is to provide players with the skills and training to prepare them with the best possible opportunity of performing at the optimum level for each contest.

We also had a great coaching team which foster our positive environment, with **Tarik Viswasam** (Team Coach) alongside with **Dayle Carew** (Assistant Coach) and **Edward Walker** (Assistant Coach). Tarik really brought the energy to the group and focused on the game awareness with batting and fielding. Dayle mentored the boys and spoke to each player to ensure their plans were correct but also bringing them up when they were down.

Green Shield had an intense pre-season where we focused on playing spin, how to rotate strike, variations for all types of bowlers, game awareness fielding drills, fitness and net session (2v2) and bowlers would set field to batters (eg; 24 balls, 16 runs). The players all had a great attitude and everyone created a supportive learning environment. The players were prepared but they were not able to apply all the skills into the games.

UNSWCC Green Shield came 20th this year with 1 wins (7 games). The lead up to the season our team was prepared with different skills to take on any type of bowling and batting and our fielding was at a high intensity. The games we lost, our fielding and batting lost us the game. Against Sydney University and Parramatta, we had a good start and then being bogged down against spin. Against Bankstown and Hawkesbury, our batting performance was hopeless with no grit or want to win and we dropped catches and careless misfields purely due to lack of concentration and attitude. The games against Wests we were clinical including **Hayden McCarthy's** 79* (108). Our fielding was top notch, and when Wests were ahead in the game, the boys were relentless with their attack in the field and trusting the plan and process with both bat and ball.

The team was led by **Hayden McCarthy** who did a great job as a leader and with the Bat. Hayden has never been a captain before, but he had the respect of each individual in the team and the coaches. He was a curious learner and became better every game as the skipper. The standout players were **Ben Worthington** who really shined with bat and ball. **Adhvay Jayavarapu** really started to get his rhythm at the back end of GS season and showed us his true potential. **Tanmay Mehta** has just moved from Campbelltown and his batting was also promising with plenty of starts.

The overall picture is a Green Shield team that lacks dominant performances with the bat, especially against spin, will struggle in the competition. We have done countless skills sessions over the years against spin and players need to back themselves and use the skills in the game. In hindsight, a focus for next season is to add in sessions for mental training and for players to understand their processes with bat, bowl and in the field.

Poidevin-Gray Shield

In the PG's scene, we strive to provide an atmosphere, which continually contains a very positive work rate and is enjoyable. PG's is very different to Green Shield as we focused on more of the mentoring and tactical side of the game. Unfortunately, we did not have the season hoped for, given the calibre of players available. Against Sutherland we had a great game, and it really showed the culture and attitude of the boys. We also lost to them last year in the semi-finals. However, after that game is was a slippery slope with poor fielding and lack of game awareness in key moments of the game.

This positive atmosphere was created at training and at games with **Suffan Hassan** and **Aaron Crofts**. Both are very different personalities, but really brought the best out of each other and the team. They had different ways of delivering plans and tactics to the boys but it all lead to playing attacking cricket. We also had the help of **Glen Greenberg** who managed matchdays so the players could focus on playing.

Jack Attenborough is a great captain and will be a future 1st Grade captain for us. He would always talk to everyone within the team to ensure the plans are correct with field sets and what they are going to bowl. He may have not had the best season with the bat in PG's but that would not disrupt his tactics and fielding.

Sutha Thanabalasingam

Our plan this year for PG’s is to attack with the bat in the first powerplay, rotate strike through the middle with hard running (e.g., hitting sweepers and always looking for 2) and not letting the spinners settle. Finally, this foundation will let us dominate in the last powerplay. Our bowling plan was to have pace at one end and spin at the other for the first two powerplays. After that we would finish off with our pace and variations. However, we did not execute these plans as much as we should have. In addition, the poor fielding decisions really cost us key moments and added more pressure to bowlers to execute.

The stand out players were **Ethan Jamieson** who is the future for UNSW and PGs. He really brought the attacking side for our team. This was a standout season for him and there are big things to come from him. We had a new face to our club, **Jared Humphreys** who did not showcase his true potential but he is a player to look out for in the coming years. Additionally, **Tyler Grainger-Balding** is always a formidable character.

In all, the season was disappointing. Players bought into the plan but we did not execute the plans and we were poor in the field. We lose a few players – our captain Jack and **Lachlan Forrest**, who went through the Green Shield pathway. They will be missed, however this will mean we have a very strong unit for the following season. Big things to come!

OPERATIONS MANAGERS REPORT

It is with pleasure that I submit my report on club activities and operations for 2022/2023.

SEASON OVERVIEW

➤ On-Field:

After all that had been achieved in 2021/2022, in a nut shell as a club, our season never really got off the ground. One might say that our outcomes were somewhat elusive and unreasonable as they did not match our ability, but analysed by any metrics 15th in the club championship is a very disappointing result none the less.

An objective eye might suggest factors such as restrictions to our pre-season preparation due to the David Phillips nets being unavailable (until after Rd 1!) and a significant and unsustainable level of player unavailability – including the domino effect caused by injuries to key 1st graders – were to an extent key ingredients.

Aaron Crofts & Darren Sue

However, 1st grade lead the way having a successful season in that they significantly improved outcomes in the red ball format and made the finals series in the 1LO, but would be very disappointed with their T20 results.

Our lower grades were generally competitive but underachieved, whilst the performance of our Poidevin Gray and A.W. Green Shield squads will lead to a complete review and overhaul as to how we facilitate and manage these teams next season, as well as our pathways program in it's entirety.

➤ Off-Field:

After two nightmarish years, it was a genuine joy not to manage the club through the confines of covid19 again, and after persistent rain in 2021/2022 La Ninas was slightly less of an issue for match day and training operations.

But, as has been the case in recent years, again our people and culture were the winners being facilitated in multiple layers – I like to use the phrase “good men lead by good men”.....

Captains: the men at the coal face. Managing our players, leading their teams, and stylising the way we want to play the game;

Coaches: injecting themselves week to week, teaching and supporting our playing group;

Committee: running the club, fighting the monsters, doing everything they can to pave the way so all club members enjoy the experience;

Volunteers: doing their part to assist with essential roles, and generally making UNSWCC a better place;

Club Captain: big **Mitch Law** is perhaps the culmination of club culture, be that injecting club values into the playing group, or organising snags and beers for members at a Sunday LO fixture.

My sincerest thanks to one and all of the above. Not withstanding the fact running our great club is very much a team effort, there are a few notable performances that are worth mentioning:

- **David Jebb:** tirelessly working behind the scenes on our grounds and at times taken for granted by some. We primarily have Jebby (and **Matt Sanders**) to thank for procuring, securing and the equipment set up at (Royal) Alexandria & Cahill Park's;
- **William Calov & Jamie Pavey:** for taking our communications and social media to levels not before seen at our club.

CRICKET NSW & METROPOLITAN CUP ACTIVITIES

NSW Premier Cricket Manager **Roy Formica** again did a great job in deliving logistics through what must have been a very tough season integrating PlayHQ. In addition CNSW sponsors **McDonalds** and **Kingsgrove Sports** played their part in keeping Premier Cricket functional as did **Darren Goodger** and the team at NSWCUSA.

The less said about the Metropolitan Cup the better as it was without a competition manager in effect diminishing a lot of the professionalism that had been built up over the years. Thankfully, CNSW have made the decision to intervene and assist in the facilitation of competition next season.

➤ **Competition Winners:**

Congratulations must be extended to teams and clubs who were premierships & award winners:

➤ **Playing Conditions:**

There were some minor changes to the PCs. The most notable however were:

- The scheduled starting time for all 1st and 2nd grade fixtures being moved to 10:00 am;
- Free Hit after any No Ball being extended to all grades;
- The providing of afternoon tea for home games only being compulsory for 1st and 2nd grades.

➤ **Match Day Events:**

Every season is highlighted by honouring the passing of those who have made significant contribution to our great game or to Australian culture. This season those included:

- Round 5 – Players and match officials stood in a minute's silence to honour the passing of young Archer Gray from brain cancer – 17yo from Western Suburbs DCC;
- Round 12 – Marked the Reconciliation round for NAIDOC week. Players and officials formed the Barefoot Circle and recited the Welcome to Country to honour Aboriginal heritage as the traditional owners of our land;

➤ **Judiciary and Protests:**

Not a great season for us which saw five players receive code of conduct citations, including two suspensions. I guess the message here is that the Umpires Association are clamping down on infringements and excaimitories from players (particulary batsmen post dismissal), and that players must control their emotions.

ARC SPORT / UNSW SPORT ACTIVITIES

Throughout the season there was the usual week to week engagement with Arc Sport. The most significant event however was the return to the UniSport Nationals T20 Cricket tournament on the Sunshine Coast in August 2022. Our sincerest thanks must be extended to:

- **Matthew Corso** for his assistance with general operations;
- **Craig Davis** Facilities Manager extraordinaire who always helped with facility issues;
- **Helen Bryson** for her assistance in facilitating athlete scholarships;
- **Amina Bounouar** (Mina's Café) for always looking after players, officials, and spectators on match days.

➤ Blues Dinner:

As a follow on from the 2021/2022 Annual Report, our 2020/2021 1st Grade T20 side successfully won the UNSW Team of the Year, a well deserved achievement to **Brandon McLean** and the lads.

GARMENTS & EQUIPMENT

➤ Garments:

Gear Steward **Charles Williams** reports our order with ISC was a simple "top up" order this season, and by seasons end we have almost sold out of every garment item except Bumble Bees. This will give the club opportunity to explore new suppliers and updated designs next season without excessive redundant and wasted stock. Again, we will look to keep the process as cost effective for players and members as possible.

➤ Practise Balls:

In similar fashion to the previous season, an opportunity presented itself to use some significantly cheaper training balls from Focus (\$30, instead of \$50) which seemed more acceptable to the player group than the Saches. A more direct approach was taken to retain the stock of practise balls at training, and whilst this issue improved slightly, still remains a concern.

➤ ASB Branded Merchandise:

Legend **Glen Greenberg** once again provided sponsorship in the form of "Bee" bucket hats, cooling towles and water bottles, which were well received by all members.

HIGH PERFORMANCE - OPERATIONS

➤ Pre-Season:

The end of COVID19 restrictions allowed Club Coach **Ben Preece** to run a much more "fluent" pre season fitness and net program, however construction of the new David Phillips turf nets and wet wheather ensured we did not really get to David Phillips for training until early November 2022.

➤ New Player Try-Outs:

In late July 2022 a team lead by **Tim Stewart** and **Sutha Thanabalasingam** conducted our NPTO at Norm O'Neill. The numbers attending bumped up again to the usual this season (52 players), and whilst a note of thanks must be given to this sub-committee, they must be mindful about ensuring there are adequate numbers of players on the roster to cover shortages in the Metro Cup (getting parents of players and retired players to fill in is not necessarily ideal).

➤ Recruitment:

Ben Preece, **David Jebb** and **Matt Sanders** took point on recruitment of a more targeted nature. From this we were very fortunate to welcome Somerset professional **Ben Green** (kindly referred by ex bee Luke Sutton), Leinster Lightning's **Gavin Hoey** who was at UNSW on an exchange program, as well as **Aidan Drew** and **Ragu Aravinthan** via the Howard Grice program. All four were exceptionally nice lads, and an excellent fit for our club.

General recruitment saw the return of former Green Shielder **Baily Creer**, as well as UNSW student **Jared Humphreys** from the from the North Coast joining us after a season in Newcastle 1st Grade, as well as **Joshua Low-McMahon** from the ACT and **Luke Hawksworth** who came across from Sutherland.

From the NPTO we welcomed **Aidan Creer**, **Absaar Hasan**, **Krish Surana** and **Thanusraj Yogeswaran**, as well as **Sam Hayes**, **Neel Patel** and **Rishab Shah** via our Green Shield program who's talent marks them as players of the future. Other's such as **Adhvay Jayavarapu** and **Jay Vallabhoju** show a lot of promise, and **Jaxon Heaps** would have to mark himself as one of the hardest workers at our club.

➤ Trial Matches:

Despite our best intentions to get in as much pre-season match time as possible, our friend “La Ninas” guaranteed that trials at Mandalong and versus Bankstown were washed out, leaving us only with the usual vs. Sydney University one week prior to Round 1. Thanks as always to **David Jebb** for taking charge of arranging match day operations.

➤ **Selections:**

Once again, we ran with a “hybrid” process which split up the duties of the CSO to facilitate selections this season. I would go as far as to say the selection committee did the best they could given the diabolical unavailability situation throughout the season, as well as integrating the wishes of our captains.

Although at times our opinions were diverse (i.e. the complete opposite), we always worked the issue instead of running against it – so **Tim Stewart** and **Glen Greenberg**, thanks once again for a job well done.

➤ **Club Training:**

The following table will illustrate the composition of training venue and player attendance. As previously mentioned David Phillips was out until early November 2022, but apart from this we were able to get reasonably good run of days at David Phillips for the remainder of the season. Thanks once again to Norm O’Neill Cricket Centre’s **Hamish Solomons** for his assistance.

Pre-Season Training	Number
Total Sessions Available	15
Average players per session	41.2
David Phillips Nets	0
Norm O’Neill Cricket Centre	12
Cricket Central	0
Washed Out / Cancelled	3
In-Season Training	
Total Sessions Available	46
Average players per session	36.8
David Phillips Nets	25
Norm O’Neill Cricket Centre	3
Cricket Central	9
Washed Out / Cancelled	9

Again training was conducted over two sessions for focus and efficiency. Lighter training attendance around the pre Christmas rounds allowed for “combined” club sessions, which simply continued for the rest of the season with reasonable success.

➤ **Coaching:**

Ben Preece again did an excellent job of conceptualising and communicating training scheduling and content to the playing group, managing logistics and co-ordinating the duties of specialist coaches **Sutha Thanabalasingam**, **Steven Herzberg** and **Mark O’Neill**.

STATISTICS

➤ **Records:**

The following table captures the partnership, individual or seasonal association records broken or achieved for 2022/2023. All seasonal association records are based on the information provided by the SCA who compile information from PlayHQ. Unfortunately due to its limitations, information relating to fielding and partnerships are not available this season. Furthermore, association information for the Metropolitan Cup as not compiled.

➤ **Milestones:**

Special mention must go to **Danny Bhandari** who passed 8000 career runs for the Bee's, **Declan White** who passed 300 wickets, and **Thomas Byrnes** who passed 200 dismissals as a wicket keeper (Declan and Tom being at the club since their days in Green Shield). Congratulations gents, huge effort. Full career statistics and club records can be found later in this annual report.

➤ **Scoring & Database:**

As I have said in past seasons – a huge thanks must go to our contingent of scorers who's commitment to our club must not be under valued. So to **Janelle Carew, Glen Greenberg, Peter Calov** and **Thomas Siu**, thanks once again for your contributions. Additionally, thanks to **Chris Ward** who seamlessly and efficiently (and on time this season !) produced the statistics contained in this annual report and at the annual dinner. Thank you all – the club is a better place because of you.

AWARDS

Congratulations to all the award winners listed earlier in this annual report. Although all are worthy of mention, there were a couple that stood out:

- **Jared Humphreys & Tanmay Mehta** – a couple of club Rookies and real finds for the future;

- **Thomas Byrnes** – despite questioning the mathematics behind the award, he is a bee to the core, would take the gloves in any “best blokes” XI, talented and a deserving POY;
- **Chai Motalla** – again, one of the best blokes going around, and a deserving Clubman of the Year after years of service;
- **Dan Bowcock & Dan Christian** – last but not least. One a club warrior, the other a superstar, both advocating and contributing to our club for many years;

Blues Award & Life Member’s Profiles:

The club would like to thank club heavy hitters **Brandon McLean**, **David Carson** headed up by **Greg Livingstone** who over the last few years have been working to update and modernise the criteria for our University Blue award. This was done to incorporate evolutionary factors such as T20 cricket, and finished the project in 2022.

For those not familiar with this award – “*The UNSW Blues Award aims to recognise and celebrate UNSW Students who have achieved the highest level of sporting excellence in their chosen sport and are a person of outstanding character and values, who have made a contribution to sport at UNSW*”.

Additionally, club legends **Greig Robinson** and **Greg Livingstone** all but finalised a project researching and compiling profiles for all of our life members both living and deceased, a project that took them about 3 years.

ADMINISTRATION

➤ **PlayHQ:**

What a disaster. We were to hold so much promise that this platform would outdo My Cricket, and in the end didn’t even get a half baked ham (more like a raw one..). After it’s first season in use, PlayHQ must get a report card of far (far) from satisfactory compared to My Cricket. With it’s general functionality being rather basic and clunky we had to turn to google forms for admin tasks such as player availability, and the Umpires association being forced to do something similar for captains match reports. In addition to this it did not contain links to player statistics (this being facilitated via the My Cricket phone app), which is essentially the most basic, and most important, purpose of any cricket platform. In retrospect there should have been blanket pushback from all clubs demanding that PlayHQ be re-introduced once it provided the functionality one would expect from a cricket platform.

➤ **Registrations & Data Collection:**

If there was a silver lining, the transition to PlayHQ “forced” players to facilitate their own on-line registrations (otherwise, they simply couldn’t play), and had we enabled the function it would have been very good at facilitating money collection for fees and gear (which, is about it’s extent). However, there was no customisation available for us to collect additional information, so we needed to turn to google forms for this. As in recent years we continued using google forms for data collection for new player try-outs, the annual dinner, and other tasks such as surveys.

➤ **Annual Report Production:**

A lot of work goes into producing our annual reports, so for this I would like to thank those who wrote submissions, as well as those who produced other content – photography by **John Lupton**, **Mitch Law**, **Jamie Pavey** also a bit from **Ben Preece**, **Chris Ward** for the statistics, as well as my partner in crime **Paul Serov** for his editorial genius.

➤ **Player Defaulters:**

As at the time of writing this report we were in pretty good shape with our receivables, and during the course we even managed to get payment from last season’s defaulter. However whichever way you break it down, it can be very hard work to get some players to part with their money !

SOCIAL EVENTS & OTHER CLUB ENGAGEMENT

Thanks to Club Captain **Mitch Law**, the club social scene was robust this season. There was a good mixture of semi-formal events, as well as casual encounters featuring beers, sausage sandwiches, and some pretty lively banter on Henrey’s Hill.

The scene kicked off in early September 2022 with The Season Launch at The Doncaster Hotel (thanks to the Donny for putting on a bit of a spread), soon followed by The 5th Grade BBQ early October at DP for a fixture played on Sundays.

In mid November we saw the first mid week game of Premier Cricket played on a Thursday afternoon in the form of a T20 vs. Manly. There was a large turn out of club members, plenty of banter, with a couple of our English imports displaying their wares on the BBQ.

The run into Christmas in early December saw the club celebrate it's inaugural "O'Brien / Richardson Memorial Day", which turned into more of a festival – starting on the Thursday with the T20 vs. Gordon, The Club Golf Day on Friday, Rd 6 at DP vs. Fairfield-Liverpool on the Saturday, then a 1st grade T20 & PG's T20 double header on Sunday vs. St George. Thanks to all club members and old boys who attended one or all of these days.

Late December the club celebrated its sponsor endorsed Christmas party (thanks once again to The Doncaster for putting on food) including sponsor donated raffle prizes and the world famous putting competition, as well as some pretty loose behaviour (so I'm told !)

In the new year the club rounded out it's social with good turn out's for 1st Grades 1LO finals series campaign in February, both games being played at DP incorporating a lively Henry's Hill.

Additional BBQ's were put on for all of the 1st Grade T20 / PG T20 double headers. So, in all, a fantastic job done by Mitch this season.

➤ **Annual Dinner:**

Given none of our teams made finals series this season we got our annual dinner in early at the beginning of April. In the end there was a good turn out of about 65 members, with many old boys putting in the effort to witness the induction of our most recent two life members. As always the service and food quality at the Bonnie Doon Golf Club was first class, our bar tab took an absolute punishing, and a huge thanks must go to their event manager **Alisa Angell** and her staff for their hospitality.

Highlights of the evening included some outstanding media presentations put together by **Mitch Law** for Dan Christian's presentation and **Jamie Pavey's** season review. Additionally, **David Jebb** provided us with his usual high quality and entertaining Life Membership speeches, **Tim "Sensei" Stewart's** clubman of the year speech was enough that one might shed the odd sentimental tear, and **Mitch Law's** Q & A put Dan Christian under the spot light like never before. These, thrown in with the scintillating repartee and rolling "Top 3s" of MC **Glen Greenberg**, a great night is guaranteed.

I mentioned earlier some of the noteworthy award winners this season – but nothing about the "anti-award", the infamous Tarr-Turn. This season – and absolutely rightly so as it one of the most bizarre occurrences

of which there is video evidence of – it went to none other than **Tarik Viswasam**. We look forward to Tarik's speech next season, hopefully between now and then he will learn the no ball rules for two day cricket.

Unfortunately with **Henry** traveling overseas at the time (did he every make it through immigration in Africa ?) **Julie Lawson** also decided to take a sebatical from the annual dinner this season. But, as they say the show must go on as did the tradition of "The Lawson Raffel", with **Charles Williams** and belated helper **Greg Livingstone** running proceedings.

In closing, I would be remise by not mentioning **John "Rattler" Lupton** who again produced some excellent photography of the evening (has just about mastered the poor lighting in the BDGC's function room!), as well as **Aaron Crofts, Mitch Law & Glen Greenberg** for co-managing the event this season.

➤ **Shires Era Reunion Lunch:**

In August 2022 a group of "Classic" Bees who played for the club during its heady days in the Shires competition during the 1950s and 1960s, gathered at The Doncaster Hotel for a reunion lunchion for a few lemonades and grape juice. By all reports the event went very well – organisers would like to make it a regular on the clubs social calendar – so for those reading this report and would like to attend in the future, please contact Greig Robinson, Tel: 0404 993 767 or email: greigrobbo@gmail.com

OPERATIONS – FACILITIES REPORT

Looking back at Season 2022/23 it was with a mixed bag of results across the grades, yet the Club is still pushing forward and is certainly on the way up. Whilst our position on the Club Championship ladder may not reflect the effort and attitude from the playing group, there was plenty to like about how our teams played their cricket throughout the season.

Lead by our First Grade team, who missed the finals by the narrowest of margins this season, our best and most consistent performance in many years. They deserved to make the finals after some outstanding wins and solid fight backs – however the standard was set for next season as we push for the rewards they deserve. Watch this team continue to set the bar for the rest of the Club to follow.

Glen Greenberg

Our performances for 1st and 2nd Grade at DP saw many wins and good performances – and our home ground is one that all players and spectators enjoy. Still with the biggest dressing rooms in Sydney Grade Cricket, DP improved post the Christmas break to be a great place to play cricket with good batting conditions and a better outfield. We surely hope that the ground commences in better condition next season, and that our fellow clubs are kind to the surface.

Our other grounds in Cahill Park and Alexandria Oval were both pleasantly surprising for our teams and each ground improved over the course of the season to enjoy good wickets with excellent outfields producing quality games of cricket. The loss of DP North whilst disappointing for all the Club, the addition of Cahill Park was a very good solution and a ground punching above its weight. Royal Alexandria also developed over the course of the season, with an improved and updated outfield, and it has become our own Village type ground tucked away in suburban Sydney.

Training at DP nets was at times a challenge with wickets being inconsistent, but with far better netting and new structures built it made for better training sessions and input by the coaches.

Our use of Frogbox live streaming games was again well received by many across the Club as this medium becomes more common across Grade Cricket. We will continue to use Frogbox for all DP fixtures next season across the grades, PG's and Green Shield.

UNSWCC was extremely well led this year by our Coaches and Captains. Our Club Coach **Ben Preece** in his 2nd season was able to employ a pre-season he couldn't in his first season, which had direct benefits to our playing group. Ben was instrumental in ensuring practice sessions were well drilled and players held accountable. As assistant coach **Sutha Thanabalasingam** was once again a crucial part of our leadership and coaching structure, and is heavily invested in the playing group. **Steve Herzberg** joined our coaching staff this season, and had a big impact to our players particularly the spinners within the Club. Steve has so much passion and a lot to offer, so we look forward to more of the same next season.

Our Captains were the backbone of our leadership across the Club this season. They lead from the front in all aspects, from selections to planning and to game day performances. Leading First Grade to our best position in some years, **Brandon McLean** picked up where he left off the previous season and kept our young group moving forward. Our First Grade side has a wonderful culture which so much can be attributed to Brandon, and this filters down the grades.

Yet another wet summer.....effecting training and match day operations regularly at David Phillips...

FACILITIES MANAGER

OPERATIONS – GROUNDS BOOKING & ADMINISTRATOR’S REPORT

The Administrator position, and hence this report, is completely dominated by our ongoing ground matters at present. In 2022/23 we faced regular challenges at both our Saturday venues and practice facilities.

Match Venues

The loss of DP North to the Waratahs at the end of the 21/22 season saw us on the hunt for a second ground, essentially for 4ths, 5ths and Metro Cup, which assumed that St George would again lend us Olds Park for 3rds. Our first port of call was an application for Alexandria Park, albeit on the understanding that there was an incumbent there (sub-district cricket) who would have “first refusal” on the ground. Upon submitting our application,

David Jebb & Daniel Bowcock

we did receive some promising noise about that user possibly no longer wanting the ground. This ultimately proved to be the case and, on reflection, given the extremely wet previous summer, the situation of zero Council weekend overtime and a bit of imagination about the sort of season they had probably just come off in those circumstances, their decision to move on, when it came, was probably unsurprising and great news for us.

However, whilst we had been waiting for our answer about Alexandria, the news came that at the Saints AGM the question had been asked about entering a Metro Cup side in that competition, with their fixtures to be played at Olds. After this was agreed at their committee level, we found ourselves (with still no formal word about Alexandria) with a genuine continuing existence crisis at the beginning of August. Fortunately, a week later, after some gentle

“following up”, we got the news that Alexandria was ours and we at least had something to work with. In addition, thanks to St George’s President Kevin Greene, we were guaranteed Cahill Park during the December/January school holidays, although this still left us with most of the season to sort out a ground for 3rds, if we played 4ths and 5ths at (the soon to be Royal) Alexandria with Metro sharing Sundays there with the Women’s club.

MIDDLE LEFT: “Royal” Alexandria Park.

BOTTOM RIGHT: A few of the regular helpers – Oscar Howard, Damian McCarthy, Tim Stewart, Hayden McCarthy & Glen Greenberg.

To attempt to address our problem, and with not a small amount of optimism, we submitted a fairly left field suggested draw for 3rds to Cricket NSW, combining a mix of Sunday play at DP South and strategic away games around the availability of Cahill but, understandably, they didn’t want to go down that path of messing with the draws of various clubs and grades to that extent and directed us to play 3rds at Alexandria.

So, the challenge became to make a ground that had rarely ever tasted Grade cricket and benefitted from some unique quirks (i.e. “art deco” changerooms, tiny centre square routinely flogged each winter by Rugby League, trees inside the existing picket fence necessitating an

unusually shaped boundary and, for good measure, no sightcreens or covers) into something satisfactory for the gig.

So there was plenty to do and some positive energy required from everyone, including the players who, once they had the situation and our strategy explained to them, were fantastic. North's old sightcreens were transferred, unfortunately in the fairly shabby state they had deteriorated into (and left that way) at DP. A new sopper, a cut to size cover, a made to measure and imported from Queensland trolley (thanks, Matty) were sorted - so, straight away, a bill of just under \$10K for the club. Add to that, a hefty monthly overtime bill for the council contractor, Green Options, to do some Saturday duty.

There are so many stories that flowed from these challenges in a post-lockdown world, and perhaps it's best to save them all for elsewhere and just thank the legends who helped us hit our target of Grade cricket at Royal Alexandria, including 3rds, not being a joke. Five guys, especially, did some serious hard yards for us, and further stood out because they often helped without it being for a team they or their kids were playing in. **Glen Greenberg, Tim Stewart, Chai Motalla, Peter Byrnes** ("I'll bring the hammers") and **Oscar Howard** were, week in, week out, willing and mostly able (sorry for stuffing your back, Glen) and endlessly committed to doing the best thing for the club, and **Matt Sanders** did some important work (and found the money for us to do it) at various times. I love you all - you are the heart and soul of the place and to have willing helpers made the coordination job a lot easier than it might have been. Tim even volunteered that he enjoyed things like urgent Saturday morning sightscreen repairs, coming as they did with some silly banter and a sense of achievement when we got it done.

To all the other guys (and their Dads - we know who they are) who helped, including **Brandon McLean** (how many 1sts skippers would do that?) and **Sam Edwards** (how many skippers out for extended time due to injury would keep helping?), thank you as well. That sort of assistance takes the sting out of many a frustrating day and only occurs because of the great culture our club has. And last but not least, **Craig Davis**, who could easily join in with the rest of the UNSW hierarchy in thinking we are a bit of a pain in the arse but never does, and has provided real practical help for us, especially in the sightscreen projects because he loves UNSW sporting clubs and cares about us. His organising of his very handy son to help with the screens was gold for us.

Our strategy of being the best tenant we could be at all our grounds paid dividends halfway through the season when circumstances at Cahill changed. Let's just say that our willingness to reliably sort out covering was not matched by the previous incumbent and we became a better option and now look to be top of the pecking order to use this facility, which is eminently suitable for lower grades and has the "bones" to be a venue for higher levels with a few infrastructure improvements. 3rds and 4ths played the second half of the season there and we benefited from the very dedicated and knowledgeable groundsman, Shane, who is a rare bird for a lower grade council ground. Thanks Shane, and we look forward to times ahead with you producing good cricket wickets for us. Many thanks also to Kevin Greene who, as President of an opposition club, goes over and above for us and acts purely in the best interests of the game of cricket whenever he can.

DP South

It was a season of two halves at South. In the first half there weren't too many complaints about the pitch, but the outfield was very slow to recover from a difficult winter and actually deteriorated badly towards the end of November, probably due to the overuse by other codes that was directly related to the loss of DP North.

MIDDLE RIGHT: David Phillips South.
BOTTOM LEFT: New David Phillips netting system.

Some carefully worded emails of complaint, and the willingness of **Dan Christian** to be quoted and to write to UNSW if necessary, saw some substantial renovation action occur going into Xmas and the outfield returned to a good standard for the New Year.

Sadly, at the same time, we lost our groundsman (Luke Hodges) when the workload and stressors of the DP role saw him look for another job. Curators of 1st Grade level are an increasingly scarce resource in Sydney and to lose one in the middle of the season at short notice was always going to create some problems - for a start, there's always an acclimatisation period for any new groundsman at any new venue and our new man was also pitched into a very busy period, including the 1st Grade 50 over finals. That said, Cameron looks to be dedicated, level headed and keen, so we look forward to working with him next season (and hope the turnover of groundsman hits "pause"!).

Practice Nets

At the end of 21/22, our turf practice nets, the result of a UNSW tendering process, were in a non-operational state and had been shown to be unfit for purpose for our unique site. With it clearly a critical and urgent issue for the club, a "subcommittee" of myself, **Matt Sanders** and **Craig Davis** (Arc) worked on a new simpler design and Matt took on the job of dealing with our old friends, Gabba. This process, hampered by an extraordinarily wet winter, funding issues, (with UNSW Facilities not agreeing to help) and some last minute engineering issues, ultimately took six months. The final product was a success and for the rest of the season sat in the category of "no news is good news".

From Arc, Craig Davis continued to be an ally in the middle of a challenging situation balancing the needs of many sports competing for resources and time. Thanks, Craig.

Grants and Funding

In 2022/2023 we were successful in securing the following grants and funding (all figures have GST included):

Coaching

We received the full Cricket NSW Premier Cricket coaching grant of \$22,291, which was approved after consideration of our training facilities, intended coaching program, structure and staffing. Again our application was extremely strong due to the significant dedicated resources we were able to outline and the coaches we employ, which was further enhanced by the addition of **Steve Herzberg** this season.

General Cricket NSW Grant

The club continued to meet the criteria set by Cricket NSW for Premier Cricket to receive a full general grant of \$24,064. by satisfying our registration, financial reporting, uniform and competition sponsor requirements, as well as providing scorers and canteens in 1st Grade and adhering to the SCA Code of Conduct. Most of the background oversight and coordination of delivering these requirements on time is performed by the great **Darren Sue**.

Cricket Australia (CA) Funding

Rather than a grant, this assistance is funding from CA on the basis of direct reimbursement for costs associated with approved activities that are seen to promote the growth in participation of the game. Our support of Women's Cricket (grounds and grounds administration for the Universities teams), our Woolworths Blast activities, our Junior pathway/Academy/Green Shield trial processes and our conduct of an additional (to Grade) Metro Cup team all met this category but, this season, were not required to be included in our submission due to the club's sole funding of the new turf practice nets, which more than covered the maximum allocation of \$18377 available - which we received.

ACA Premier Cricket Program

This program assists us in gaining access to ex-first class players and employing them as coaches. We received the maximum allocation of \$7150 this season.

UNSW High Performance Club Funding

We received our usual UNSW funding, a base figure of \$8,000 due to our status as a High Performance Club, with a "top up", linked to the number of student and/or active alumni members that we have, to make a total of around \$10,000.

COMMUNICATIONS REPORT

I was happy to take on the role of Communications Manager this year to boost relationships not only with players, but with all supporters, parents, coaches, volunteers and the wider UNSW Cricket community.

Over the past year, the club has made significant strides in enhancing its communication strategy, which has led to increased engagement from the club and sponsors. The club's strategy is centered on creating content that is fun, engaging and informative. Social media platforms, such as Facebook, WhatsApp and Instagram, are the primary channels used to communicate. We have added a Tik Tok account this year to bring in as many new viewers onto our club's content.

The benefit of increasing our online presence has already had an impact on attracting new players and sponsors to our club. Media relations are essential for the club to gain exposure and enhance its brand image. I would encourage everyone to follow and share UNSW Cricket content to increase the breadth of our community. I'd also like to encourage the club's community to get in contact about any news that is noteworthy around the club. While our team hears about most things, the more content the better so please pass on newsworthy information about UNSW Cricket Club to either Darren Sue or myself.

The players came out in force for its initial media day this season with more than 30 players getting head shots for posts throughout the season. These were used in posts that included:

- Team Selections;
- Milestones;
- Photos;
- Awards;
- Representative Selections;
- Player and Team Results;
- Team and Player of the Round;
- Sponsorship News;
- 'Pump up' Montages and Videos.

Having proper photos of players meant our team could become more creative and therefore more effective in our posts. There was even rumours of head shots being used by players on dating profiles.....no names mentioned!

While we had a good turnout for our first year, we are looking to increase next season to have multiple media days so everyone can attend as well as adding to our photo library. I'd like to thank **Jamie Pavey** for his role in the media day and also **Mitch Law** for his efforts this year in providing some great photos of players in action during the season.

Media Platforms Summary:

- Multiple WhatsApp Groups – Main Group with over 200 participants;
- Facebook – Over 2.6K followers;
- Instagram – Over 1800 followers;

Will Calov

Jamie Pavey on the job at the clubs media day.....

- Tik Tok – Over 40,000 views in just a few months of operation;
- Saturday Sledge Facebook – Over 650 followers;
- The club also has a website that is being maintained with important information for new players, green shield trials and events.

All of these have significantly increased over this year in comparison to previous years and is a reflection of the great work from **Jamie Pavvey**. I'd like to personally thank Jamie for all the hard work he's put into making posts and montages for the pages. He's an outstanding young man who has a real future in the media. I'd also like to thank **John Lupton** for running the Saturday Sledge Facebook Page which has existed as part of the club's culture for over 40 years. It provides a unique insight into the games on the weekend. Sometimes while reading you aren't quite sure what actually happened in the match, but you can always count on getting a feel for the 'comradery' amongst the players.

Effective communication with players is crucial for the success of the club. The team ensures that all players are kept up to date with the latest information on game schedules, team selections, and training sessions. For this, I'd like to thank our Secretary **Darren Sue** for all the work he's done this season to make sure all the correct information is passed through the correct channels. I'd also like to thank our coaching staff and captains for their work with all the players. I'd also like to add that if anyone would like to become involved in the media team feel free to contact myself as there is plenty to post about at this great club!

FIRST GRADE REPORT

ABOVE: Dan Christian leads 1st Grade off after their T20 fixture vs Manly....Photo taken by: John Lupton

Season 23/23 was one where we took a number of steps closer to where we want to be, holding silverware up at the end of the year. As a side, we went from being competitive in most games, to feeling we could win any game from any situation. Our batting underbelly strengthened, our bowling attack toiled all year as a unit and we were strong in the field taking the majority of chances when we had to. We have been building over the last few years after bleeding a many of younger players and we are on the precipice of it paying dividends. A huge thank you must go upfront to all the support the team received throughout the year. **Janelle Carew**, our loyal scorer was there week in and week out, listening to our dribble on the sidelines and always cracking a joke when she gets the chance. **Ben Preece**, **Sutha Thanabalasingam**, the **Byrnes**, **Glen Greenberg** and many more provided a stack of help and we are incredibly grateful for it.

The highlight of the season was our limited overs campaign where we made the semi-final. Strong throughout that format, we finished second in the round games only losing a single fixture and that form continued early in the finals with a very convincing win over Blacktown in the quarter final. Unfortunately in the semi against Sydney Uni we were only able to get half of the job. After a cracking performance with the ball managing to restrict the students to 161, we fell a dozen short with the bat meaning our time in the comp was done and a golden opportunity to play in the final went with it. An incredibly bitter pill to swallow but one that will no doubt hold us in good stead for next time we have that opportunity.

Our performance in the Belvidere Cup were also very strong, but was a case of close enough but not quite good enough, falling short of the final by a measly one point. We only lost three games throughout the season, which turned out to be the least in the whole comp. We did however have a number of draws and if we were being critical, there are a couple in there that we could've risked the loss of one point for the carrot of 6 points. It did though show that we were willing to get in to a tough grind with any opponent and ensured that every team knew they were in for a tough contest. A much improved output to what we have seen in years gone past and absolutely trending in the right direction.

A few players I want to call out who were incredible this year, **Jack Attenborough** once again showed that he is one of the brightest talents in NSW cricket scoring over 900 runs for the club across all formats, including 1 ton and 10 fifties. This led to his selection in second XI towards the end of the season and scoring his maiden ton in that format, a sign of no doubt what is to come. **Declan White** is another one who was superb, big Chair bowled arguably as well as I have ever seen him do. He collected 41 wickets at 23 including 3 michelle's, often taking important wickets at bloody important times when we needed him to do so. The final player to call out is overseas **Ben Green**, an absolute ripping lad from Somerset. He was a great addition to the team and felt like one of the lads almost instantaneously. We were very thankful for his experience and brain around the ground and is welcome any time he wants to come back!

On a personal level as captain, I want to say a huge thanks to all the team for their attitude and efforts throughout the season. It is such an honour to get to lead the team out every week and in addition to the positive results, it is the mateship that makes it such an enjoyable environment to be a part of.

Look out 23/24, the lads are going to be hunting for a flag.

SECOND GRADE REPORT

ABOVE: 2nd Grade (as well as a few others...) look on from the DP Pavillion deck vs. Penrith....

If you asked me how I would sum up 2022/2023 it would be replied with one powerful phrase; 'unfulfilled'. Off the back of a well-improved season in 2021/2022, second grade looked stronger, more equipped, and more capable of being a true contender for finals cricket. Second grade is tough - with every game this season either going down to the wire or only winning by the barest of margins. Tight games and stress points age a team quickly and if I put one finger on the pitfall of our season it was sheer tiredness.

We started the season very positively which ironically has been one UNSWCC downfalls of recent seasons. A win against Bankstown and a draw against Sydney University (where we finished 60 runs short in a rain-affected match) gave the impression we were in for a bumper season. Our Irish overseas import **Gavin Hoey** was an overwhelming addition to the team as well as our club. His figures of 6/54 against Sydney University were outstanding. Gavin was the complete all-round cricketer full of hunger, desire & a foot-on-throat attitude that inevitably saw batsman surrender to mercy as he spun the ball around their legs.

Narrow defeats & controversial finishes became a habit throughout our season. I would argue we had a better season than 2021/2022 but we didn't have the results to show for it. Round 3 vs Eastern Suburbs, Round 5 vs Sydney, Round 10 vs Parramatta, Rd 11 vs Northern District & Rd 15 vs North Sydney all go down as 'what could've been' results. All five games oozing mental fatigue, stress, and a struggle for 6 points that went beckoning in most of our losses this season. I cannot fault the effort in a lot of our close matches, where the first time as captain I witnessed anger and extreme disappointment when we lost a wicket, game or decisions that didn't go our way.

However, I would like to touch on some shining lights of our season that most certainly showed the growth of our playing group throughout the season;

- **Annay Chauhan** was the best batter in second grade prior to Christmas. Notably, Annay failed to register a century throughout the season but his 500 runs @ 40 did not go unnoticed where he set-up most of our victories earlier in the season. Annay continues to grow as a cricketer & is not far off a 1st Grade appearance. This was a stella season Annay.
- **Gavin Hoey** was an outstanding addition to our side before Christmas. He took 22 wickets in the grade and was leading the wicket tally before he departed back to Dublin. The team thanks him for his invaluable contributions as a cricketer and as a human-being.
- **Sutha Thanabalasingam** was this season 'players player' and again proved his experience is undoubtedly irreplaceable. Aside from his wickets and runs, Sutha was charismatic in the field, in

a season where our sides fielding was often at the demise of our losses. I thank Sutha for his contributions again this season.

- **Will Calov** did not play every round game with second grade this season but should be commended for his strong performances in 1st Grade when the call came his way. Will is now ready to play 1st Grade more frequently and that is a testament to his commitment to top-grade cricket and desire to perform at the top of amateur cricket.

Despite on-going losses & gruelling games of cricket, the culture within the team remained strong. This is a by-product of the mainstays at our club and cohesion fostered amongst the group. This portrayed our desire to fight in every game & where push came to shove, we scrapped for any advantage we could take to win the game. Once again, the never say die 'team-first' attitude is paramount to our continued endeavour to be the best team in the competition. Nothing beats a united team that has the desire to push for victory no matter the individual success or failure in a match. With the majority of 'club-men' returning to the club next season I have no doubt second grade is only moments away from delivering big results.

I would like to personally thank the committee for their continued support of my captaincy and leadership capabilities. Leading this side is a privilege and I look forward to taking us to the next level in 2023/2024.

THIRD GRADE REPORT

A disappointing season for a promising 3rd grade side in 2022/23. After a finals berth the year prior we set out with ambitions to go a step further and play deep into the post season, however, inconsistency in both team selections/availability and execution on the field held us back. Ultimately finishing 11th place it was a season characterised by underachievement on our potential leaving a lot to be desired. Although at times outcomes and decisions on the field did not go our way, cricket is a game that rewards consistency which we were unable to show on a weekly basis.

A return to 2 day cricket brought plenty of excitement about the style of cricket we were hoping to play, and a new home ground in Cahill Park also presented new challenges to our 3rd grade side. We started the season with a mixed bag of results, a win in round 1 vs last years Grand Finalists Bankstown, a loss vs Easts in round 3 and “winnable” draws in rounds 4 & 5 against Penrith and Sydney respectively left us at the bottom half of the table. Although a dominant win vs Fairfield got us up and about pre-christmas consecutive losses to close 2022 against Randwick-Petersham and Mosman made it sombre reading for any supporters following our team. The Highlights for our pre-christmas performances were our record setting total against Sydney of 4-486d including 2 centuries (**Danny Bhandari** & **Josh Low-McMahon**) and also **Tom Connolly** belting his second ton of the year against mosman in round 8.

A trip out to Hawkesbury in the new year revitalised our energy and season as we came away with a dominant 129 run win. Shout-out to young gun and new Bees recruit **Jared Humphreys** who scored 69* and took 4/10. A win against top ranked Parramatta on the last ball of the day (credit **Mitch Law**) gave us hopes of creeping into the top 6, however, inconsistent performances for the rest of the year proved to be our downfall.

Our inconsistency proved to be a thorn in our side this season, if we had been even 10% better (or at times luckier) it could have resulted in a significant improvement on the ladder in the points department.

Players:

Ash Kakkerini - was one of our most consistent performers this year, a massive part of this was his improved fitness and it definitely showed out in the field and at the crease. Class with a bat in his hand as always, going on with a good start is what could have taken his season to the next level.

Danny Bhandari - a tremendous leader in the team, a ton early doors set up his season and his bowling was a staple in the limited overs fixtures. Probably would have liked to contribute with some more runs, however his leadership and experience around the group was invaluable yet again.

Tarik Viswasam - played with us for part of the year after earning a much deserved promotion from 4th grade. Tarik couldn't quite convert his form to results on the pitch in 3rd grade, but looking back on his year at the club, a ton and a successful season overall.

Jared Humphreys - A gun new players for the Bees. A talented all-rounder and fielder. Jared was a consistent performer with the bat and an x-factor with the ball. In a team that lacked an express new ball bowler Jared held the balance of the bowling unit together and was often the go-to bowler when we needed a wicket or to create a chance. As Bandit would say, he's a first grader playing third grade.

Gavin Ho - As always, Gavin was an X-factor player for us and contributed helpfully with both bat and ball. Between 2s and 3s again this season, at times we missed him in our side when we needed him. Our best fielder by a long way and an experienced player I could always lean on for advice.

Tom Connolly - Last year Tom showed a lot of promise and this year he delivered in a big way for the club. 2 centuries pre-christmas was a great way to announce himself as a future top grader for the club and was only a catalyst for building some much needed self-confidence. Our top run scorer this year in 3rd grade despite not playing all of the games. I'm sure it won't be long before he's up in the higher grades!

Daniel Jesuthasan - Keeping was top class all year, probably one of the best keepers in grade cricket (not just 3rd grade) and he earned a well deserved promotion to 2nd grade by the end of the year. Always a keen contributor for tactical advice and field settings. And finally could hit some boundaries this season with the bat too...

Dayle Carew - Our most consistent player for the year and a rock for our side. Often bowling on grass covered seamer friendly decks at Chaill park, Dayle's offies ever so reliable always hit the spot. A match saving 90* vs Penrith in round 4 showed he's got the ability to deliver in 3s with both bat and ball. A well

deserved promotion in some of 2nd Grades one day fixtures will be a great experience as well as I hope he looks to extend his form into 2023/24.

Edward Walker - Was away for a lot of the season with mixed availability, however, this didn't stop Ed cleaning up with wickets this year and still finishing with the bowling award. 20 wickets @ 12.35 in just 8 games. Great season for the young lefty.

Lachlan Forrest - Always dangerous with his ripping leggies. Lachy was always around the wickets, however, like our team was a little more inconsistent then the previous year. 15 poles in 9 games was still very handy for us and a much deserved experience in a second grade appearance will do him the world of good moving into next year.

** New Club Record (Highest Team Score - 3rd Grade)

ABOVE:
Jared Humphrey's pictured here for PGs vs Eastern Suburbs...would be very happy with his first season of Premier Cricket under his belt scoring 405 runs and taking 17 wickets. An exceptionally nice bloke, and a real player of the future...

FIFTH GRADE REPORT

It has been a highly productive season of learning for a talented, up-and-coming team, we secured 5 victories and a couple of washouts in 15 games. The club experienced several issues with unavailability, which led to a decrease in the overall quality of teams. As a result, the selectors had to make some challenging decisions to ensure that the strongest possible team was fielded for each game.

Round 1 vs. Bankstown: In the first game of the season against Bankstown, we emerged with a convincing victory. Lachy and **Aaron (73)** set a strong foundation, with Aaron's explosive batting taking the pressure off Lachlan. Although they were dismissed, **Daniel (53)** and **Stefano (52)** picked up where they left off, forming a partnership that added more runs to our total. In the end, we amassed a respectable 3/249 runs in 50 overs.

When Bankstown came to bat, Absaar took an early wicket, putting them under pressure from the start. **Ben W (2/18)** bowled an outstandingly tight spell, which made it difficult for Bankstown to score. **Jamie (3/48)**, **Absaar (2/23)**, and **Aaron (2/28)** continued to take wickets at regular intervals, putting Bankstown further behind the required run rate. Bankstown was eventually all out for 160, with Ben and Aaron cleaning up the tail. However, some sloppy fielding and a couple of dropped catches cost us a bonus point.

Round 2 vs. Sydney Uni: In round 2 against Sydney Uni, our team carried forward the momentum from the previous game and put in a strong effort on Day 1. We managed to dismiss the opposition for 187 runs, impressive bowling from **Dayle (5/60)** made him the pick of the bowlers. At the end of Day 1, we had a solid start with 0/15 on the board. However, Day 2 was unfortunately washed out due to heavy downpour, causing DP South to become waterlogged and rendering any chance of play impossible.

Round 3 vs. Eastern Suburbs: In Round 3 against Eastern Suburbs, we returned to Alexandria with hopes for a full game after the previous match was washed out. However, Easts took advantage of the small ground and posted a formidable total of 8/264, with some power-hitting. Despite the challenge, our bowlers **Chai (3/23)**, **Shubham (2/54)**, and **Jamie (2/47)** managed to take wickets. At the end of the day, we lost an early wicket, leaving the game evenly poised. Unfortunately, rain on Day 2 forced the match to be abandoned.

Round 4 vs. Penrith: Unfortunately, Day 1 of our Round 4 match against Penrith was washed out due to rain. On Day 2, we started with an early morning 120-over match. **Menuja (57)** played well and gave us a solid start. However, the rest of our batting line-up struggled on a gripping and turning wet deck. **Max (2/33)** managed to take an early wicket, but it didn't make much of a dent in Penrith's chase. They went on to win the match comfortably, only losing 3 wickets.

Round 5 vs. Sydney: Following our first loss to Penrith, we were resolute in our determination to secure a victory against Sydney at Ryde Park. Winning the toss, we opted to bat first. However, we were quickly reduced to 2/0. A resilient partnership between **Menuja (62)** and **Tanmay (69)** saw us pass the 100-run mark. Unfortunately, after Menuja's dismissal and several batsmen throwing away their wickets to mediocre spin bowling, **BCG (37*)** was left as the last man standing, and we were ultimately dismissed for 218.

With the ball in hand, we were determined to put pressure on the Sydney side. Our efforts paid off as we quickly dismissed their first two batters for ducks, leaving the score at 2/0. Another quick wicket from **Chai (2/31)** saw us end Day 1 with the momentum in our favour. On Day 2, **Shubham (3/47)** made a breakthrough by dismissing the skipper and another well-set batsman. **Max (2/36)** also put in an impressive effort alongside Shubham and Jamie, taking key wickets and swinging the game in our favor. Consistent pressure allowed us to dismiss Sydney for 199, securing a close and hard-earned victory.

Round 6 vs. Fairfield-Liverpool: Following the recent flooding, the return of Don Dawson added an element of optimism as we headed to the pitch, which felt like a solid concrete slab, giving the impression of a favorable surface for batting. With this in mind, we elected to bat first after winning the toss. However, the pitch proved to have more demons than expected, with the ball ragging and bouncing unpredictably, causing us to lose two quick wickets. **Bowy (40)** tried to steady the ship but ran out of partners, eventually falling to a contentious LBW decision to an inside edge. Several questionable calls coupled with poor shot selection saw us dismissed for 150 in 75 overs on Day 1. Day 2 saw us start with an early wicket, but we failed to bowl with enough discipline to apply consistent pressure. **Neel (3/38)** and **Jamie (3/38)** managed to take wickets at regular intervals, but some crucial catches were dropped, allowing Fairfield-Liverpool to surpass our score with six wickets down. We had the opportunity to restrict them to 6/95, with not much quality of batting left, we could have had a victory.

Round 7 vs. Randwick Petersham: RP won the toss and elected to bat first on a flat pitch. Our bowlers started off with tight bowling, limiting the scoring opportunities for the opposition but bowled the occasional bad ball which got the treatment. Though the first wicket fell at 1/90 in 26 overs, the following batsmen played aggressively and took the score to 6/230 by the end of their 50 overs. Our batting began well, with Shubham and Bowy looking comfortable at the crease. **Tanmay (42)** and **Ben W (40*)** steadied the innings and brought us closer to a potential win, but wickets fell around them. Unfortunately, the lower order's inability to build partnerships, coupled with two poor umpiring decisions, resulted in us finishing on 10/202 with 6.1 overs remaining. It was a game we could have won if we had been more patient and focused on rotating the strike.

Round 8 vs. Mosman: In the last round before Christmas, we faced Mosman. Winning the toss, we opted to bat first. Despite a slow start, we managed to post a competitive 8/272 on the scoreboard, thanks to impressive performances from **Bowy (75)**, **Pat (73*)**, and **Shubham (34)**. However, Mosman's quality batting made our chances of winning challenging, as they lost their first wicket at 184 and chased down the score 2 wickets down with 6.3 overs to spare.

Round 9 against Hawkesbury: Our team had a long drive to Bensons Lane for our first game of the New Year. Fortunately, it was a One Day game as the thought of driving there for two days would have been taxing. We won the toss and elected to bowl on a soft deck. Our bowling efforts were inconsistent, and coupled with poor fielding, we allowed Hawkesbury to score 184 all out in 41.1 overs, with **Thanusraj (3/34)** and **Neel (3/43)** being our standout bowlers. Our batting got off to a shaky start, and Hawkesbury's tight bowling lines made it difficult for us to score. The varying bounce and the soft wicket put our batsmen under pressure, resulting in us losing quick wickets and never fully recovering from it. Eventually, we were all out for 101 with 14.2 overs to spare.

Round 10 vs. Parramatta: The match was reduced to 44 overs due to rain, and we won the toss and elected to bowl first. Despite a couple of early wickets by **Chai (2/32)**, Parramatta continued to score freely. **Neel (5/42)** took his first five-wicket haul in adult cricket. Parramatta ended their innings with 8/221, which was a chaseable target. We started our chase well, with the top order getting starts, but they were unable to convert them into substantial scores, resulting in wickets falling due to forced shots. The pressure caused the tail to collapse, and we fell 28 runs short of the target, with two overs to spare.

Round 11 vs. Northern District: A tough round for us as we had to field a makeshift team due to unavailability of players. After winning the toss, we decided to bat first and managed to put up 107 runs on the board before getting all out in 59.5 overs. Northern District made a light work of the chase and declared with 3 wickets down for 235 runs off 50 overs, leaving them with a chance to go for an outright win. However, our second innings batting performance was no different from the first and we were all out for just 63 runs in 32.4 overs, giving Northern Districts the full 10 points.

Round 12 vs. St George: A crucial game after our disappointing loss to Northern Districts. Having won the toss, we elected to bat first on the MCG-sized field of Olds Park. Our batting got off to a shaky start, and we found ourselves under negative pressure after losing wickets at regular intervals. Despite **Dinuk's (29)** valiant effort, we were all out for 92 in 70.4 overs.

We started off well with the ball and managed to take an early wicket, leaving St. George at 1/21 at the end of day one. With only 71 runs to defend, on day two, St. George had their sights set on an outright win, but they had not accounted for **Oliver (6/22)**, who ran through their batting lineup, picking up 5/1 and leaving them reeling at 7/23. **Chai (2/18)** and **Max (2/10)** sealed off the game, and we won by 32 runs in the first innings. Despite having 56 overs left in the day, St. George decided to go for a reverse-outright, with the plan of dismissing us cheaply and chasing down the runs to salvage some points.

Our second innings start was like the first, with wickets falling quickly until **Sam H(23)** and **BCG (33)** stepped up and displayed the young talent we have at the club. **Angus (32*)** and **Jamie (8*)** held the fort while we batted for the whole 56 overs and finished with 8/132. We sang the song loud and feeling proud of the effort and determination shown by the team.

Round 13 vs. Gordon: A one-day fixture at Beauchamp Oval with the UK return Rohan Indap making a special appearance in this one-off game of the season. After winning the toss, Gordon chose to bat first. Our team applied pressure from the very beginning, bowling tight lines and forcing the opposition to take risks early on. This strategy resulted in a couple of early wickets and some half-chances that saw us on the front foot. **Oliver (3/38)**, **Shubham (2/28)**, and **Angus (2/15)** performed exceptionally well and ran through Gordon's batting line-up, with KJ's top-class runout helping to dismiss them for 110. Although **Shubham (39)** and **Rohan (16)** were dismissed on the first ball, both were declared not out by the umpire, allowing them to take apart Gordon's bowling. **Kieran (15)** made a meaningful contribution with the bat, and the young duo from the previous game, **Sam H (14*)** and **BCG (21*)**, saw us home in 32.1 overs.

Round 14 vs. Manly Warringah: A crucial 2-day game at Mike Pawley. Despite the heavy rain earlier in the week, the ground staff worked hard to get the pitch ready for the game, which was important for the home side's aspirations for a minor premiership. Manly won the toss and decided to bowl first. **Shubham (37)** was in fine form, but unfortunately, he got out due to a lapse in concentration. **Kieran (40)** played a valuable innings, but fell shortly after tea, and the rest of the team collapsed, ending with only 118 runs in 50.5 overs. **Oliver (3/39)** and **Chai (3/50)** bowled well but were unable to create enough pressure on Manly. In response, Manly declared on 6/155, taking a 37-run lead. UNSW's second innings fared no better, with **Kieran (22)** being the only batsman to score some runs. With only 36 runs required in remaining 7 overs, Manly comfortably chased it down for an outright win.

Round 15 vs. UTS North Sydney: Final game of the season against the table-toppers at the picturesque Tunks Oval. We won the toss and elected to bowl first, with **Shubham (2/27)** and **Oliver (1/18)** leading the attack with quality bowling and putting pressure on the opposition from the start. This resulted in early wickets, with debutant **Adhvay (3/15)** emerging as the main destroyer of the day. A couple of run outs and some newly learned spin bowling from **Angus (1/24)** saw us restrict their innings to 122 runs.

Although we lost Shubham (6) quickly, young **Cadell (11)** and **Daniel (33)** steadied the innings with a good partnership. **Kieran (26)** and **BCG (10)** also made meaningful contributions with the bat, while **Angus (12*)** and **Oliver (7*)** steered us home to a well-deserved victory in our final game of the season.

This season witnessed some commendable performances from the younger players, who exhibited a high level of maturity and character in the face of difficult circumstances. These players are now poised to take on more significant challenges and continue to contribute to the team's success. In total, 32 players proudly represented 5th Grade throughout the season.

Ben Preece, Sutha Thanabalasingam, Steve Herzberg have made remarkable contributions to the team's improvement by conducting training sessions that focus on drills and scenarios. These sessions helped the team to contextualize game situations during training and continuously challenge themselves to perform better.

I must acknowledge **David Jebb's** essential contributions behind the scenes, particularly in ensuring that the ground and training decks were adequately prepared for our games.

Darren Sue, Tim Stewart, and Glen Greenberg's tireless efforts in team selection, combined with Tim's invaluable insights from game-day observations, have consistently ensured that the team was well-prepared, despite availability constantly changing due to various factors.

I appreciate the invaluable contributions of **All the Captains** (with special thanks to Crofty for his insightful talks each week) throughout the season. Your inputs have been instrumental in the team's success and have helped me immensely in my role. I apologize if I have inadvertently missed mentioning anyone else.

GO THE BEES!

To say this PG's season was disappointing and gut wrenching is an understatement. To have such a talented group both locally and with the addition of 3 overseas guns as well as the best coaching group in the comp makes a single win out of 6 games almost inconceivable. One of my biggest goals as a UNSW player has always been to win a PG's premiership and the heart wrenching loss in the semi finals the year before which I was unable to be a part of coupled with the results of this year frustrates me to no end and will always be a regret of mine.

Having captained for the last 3 years and experienced the massive difference in results over those campaigns has definitely helped both myself and the players involved grow as cricketers. The power of momentum and confidence within a young team is truly something that many people under estimate and while that is no excuse for some of our performances, I hope our players understand the importance a single game changing performance can have not only on a single game but an entire season. Anyone in a team can have a vital impact, no matter where you bat, bowl or field. The fact that I was only able to have that impact in 1 out of my 5 seasons as a PG's player shows how frustrating this game we all love is. I know that no one player this year was happy with how they performed, myself chief among them, but all I hope at the end of the day is that they learned from those mistakes and come back next year a better player.

To the group of boys whose journeys as PG's players are now over. We had a hell of a ride. I'm sure you'll enjoy your Sundays in the coming years but hope you'll feel that stab of pain in your gut when a PG's game is on and you're not walking out to the middle, because I know I will. Having gone from a lanky 16-year-old debuting with Harry Brook and being totally awestruck to a lanky 21-year-old that lead this great team, I can say my growth as a person was my greatest gift from this experience.

Sutha Thanabalasingam, Aaron Crofts, Suffan Hassan - you three have once again been an incredible coaching team that is unparalleled in any grade in any club, I hope every player who has the privilege of playing a game this year realises how lucky they are.

Thanks to everyone involved in this incredible team.

The 2022/23 A.W. Green Shield season was expected to be a rebuilding one. Selectors picked a mix of quality U14 players, plus U16 boys from the country and my previous South Eastern rep team. Despite having a young team, we thought the combination of experienced returning players with some exciting younger/new prospects would get it done. Sadly, that wasn't the case. We would have liked to finish higher than we did, but as we all know... that's cricket for you.

Unfortunately, we lost our first two games to St George and Sydney University by close margins, affecting confidence. Our fielding was not of the highest standard in those games, proving to be the difference.

We had control of our first game against St George. They required seven an over towards the end, but we ultimately lost in the last over after going toe-to-toe with them all day. It was a brutal way to start our campaign.

We travelled to Sydney University for our second game. We batted first on a very unusual green top. After a strong start, we collapsed to finish at 220, which ultimately proved to be 20-30 runs short. Some super bowling had them 4 for 30, but we couldn't take the early chances their number 3 gave us, and he went on to make a 100 and ice the game.

We then ran into Parramatta (eventual premiers) and lost winnable games against Bankstown and Blacktown. Unfortunately, we were unable to convert winning positions into victories. Runners up Hawkesbury gave us a hiding at Benson's Lane.

Despite these setbacks, the boys kept their heads high. We had a great culture within the squad throughout the season. I was really proud of how we showed up against Wests in a rain-shortened final game. They were fighting for a finals spot, and we managed to knock them out of contention with a superb all-round performance. Our fielding was spot on, and we comfortably managed a four an over run chase. It was a great way to finish the campaign and the last Green Shield game for myself and a few of the others.

The last game displayed our blueprint for winning games, which we only managed to show glimmers of throughout the campaign. The game showed our potential to perform against some of the best teams when we stuck to our plans and held our catches.

There is an extremely bright future for UNSW Greenies, with lots of talent still rising through the ranks. Four members from this season's squad were recently selected in NSW Metropolitan Academy squads: **Neel Patel, Sam Hayes and Rishab Shah** (U15s). These boys still have two seasons of Green Shield remaining. I also managed to make the U17s squad.

Young gun **Ethan Natkuna** (2022/23 Development Squad) also represented the CIS Primary Boys Team at the NSW PSSA State Championships in 2022 and 2023. He is an outstanding batter and leg spinner and also a great character. He went on to be selected for the NSW PSSA U12 Boys team following the championships.

Hayden McCarthy (c) - I was very grateful to get the opportunity to captain the Green Shield side this year. This was my second year opening the batting. I would have liked more runs and wickets. I had some unlucky dismissals and a few bad decisions, but that is cricket. I managed two 50s, but some bigger scores would have helped the team win more games. Against Sydney Uni, I should have converted a 50 to a 100, but I hit a full toss-up in the air when I was set.

My favourite innings was against Wests, making 79 not out and hitting the winning runs in my final Green Shield game of the season/ever- a moment I will never forget. The boys and coaches were excited to get the win!

Although we were less successful than I expected, I loved every minute of the season, and I am very thankful to the club for allowing me to captain. I loved being a part of the Green Shield program for the last four years. It has given me invaluable experience and some life-long friendships.

Ben "Buckets" Worthington (vc) - I loved working aside Ben this season. I have played a lot of rep cricket with him. He offered excellent assistance and insights as vice-captain, making my job easier. Ben had a great year with the ball, being our highest wicket-taker (8 @ 28). He took vital wickets upfront with the new ball and could always be relied upon to tie down an end. As a slipper, he has some of the safest hands in the club. You know it's not going down if he's there.

Hugh Taylor - Hugh was a great addition to the squad this season. Being from Canberra and mates with Nick Allen (2021/22 opener) made him a bigger target for some banter. He provided great energy in the team environment and some good laughs. Hugh batted well in the first two games against St George and Sydney University, creating some crucial partnerships that nearly got us over the line in both games. Unfortunately, he fell just short, scoring in the 40s both times.

Adhvay Jayavarapu - Advhay had a great first season of Green Shield, taking 7 wickets @ 25.86. He was our second-highest wicket-taker. Advhay is a skilful bowler who can adapt to any situation, whether that may be with the new ball or at the death. He effectively took the pace off the ball at the death and took key wickets. His best performance was in the last game against Wests, taking 3-25 off 8. We thought he struck with the first ball of the innings- a massive thick edge that everyone in the grandstands heard. Unfortunately, that was not given, but he still had a great day and was very impressive.

Archie Stanish - Archie impressed everyone with his bowling this season. Often opening the bowling, he steamed in and bowled some intimidating balls, where he wasn't always rewarded. His opening spell against Parramatta was as good as I have seen in Green Shield. But his highlight was against Bankstown, taking 4 for 30 off 10, featuring some ripping deliveries and genuine pace. He invented a new shot with the bat that day, a back-foot lofted cover drive!

Duvindu Liyanage - Duvindu only featured with the bat in one game but was a great bloke to have around the team with an upbeat attitude. He always put in 100% at training and would do it with a smile, making him a great asset to the squad.

Tanmay Mehta - Tanmay joined the club from Campbelltown-Camden this season. He is one of my good cricket mates from a CIS rep team I played in back in 2017. I was excited to have Tanmay in the team this year. He has high standards and was probably slightly disappointed with his Green Shield campaign. He was always there for the team, though- the energiser bunny of the group. He would go all day in the field, always lifting the unit. Despite any disappointments, he always turned up with a smile. He had a tremendous work ethic and attitude- he was always one of the first at training and put in 100% effort. I really enjoyed opening with Tanmay in our last Green Shield game together. He got us off to a fast start, which was crucial in us getting the win. Tanmay also had a great year in grade, receiving the Rookie of the Year Award and the 4th Grade Batting Award, a great reward for his commitment to his cricket.

Cadell Birch - He had a great start to his career at the club. As a player who hasn't played a lot of rep cricket, he handled the step up to Green Shield well for a 14-year-old. He is a busy batsman who uses his feet well to spin. I look forward to seeing Cadell progress in the next two years of Green Shield.

Will "Parko" Parkinson - Parko is the type of player you want in every team. Being from Maitland, he provides a laid-back approach. You can always expect a good laugh around him. Parko was a significant asset to the group on and off the field with his valuable offies and power-hitting game. Parko took crucial wickets, often opening the bowling by tying down an end with his darts. One of the most notable moments was against Wests when he hit a giant bomb over the roof of Mina's Cafe onto the rugby field- undoubtedly one of the most enormous hits I've seen at Dave Phillips. I loved having Parko on the team this year, providing some needed experience and comedic relief.

Neel Patel – Neel is an exciting prospect for the future. He bowls quality right-arm offies and is an elegant top-order batter. Neel played some crucial innings this year as a first-year U14 player. He made a quick 15 off 11 at Hurstville Oval against St George (included a six onto the bike track) and an important 25 off 22 not out against Sydney University, with three fours and some outstanding stroke play. He was unlucky not to get a few more but ran out of partners. Neel is an excellent player who will undoubtedly continue to improve quickly and could set the competition on fire in the next two years! He also had a great start to his grade career in 5s and 4s.

Rishab Shah – Rishab was another U14 player. He only bowled in one game but picked up his first Green Shield wicket. He showed outstanding commitment being at most games and helping where he could. I'm excited to see how he continues to improve and become a team leader in future years.

Manav Rindani - Being an experienced team player, Manav always led by example and provided significant input during team discussions. He would always inject his energy into the team, fielding at point and providing some fielding masterclasses with his safe hands and direct hits aiming at one stump. He batted well against Parramatta with a run-a-ball 42, not out. I've enjoyed having Manav as a teammate in Green Shield and reps for the last few years.

Sam Hayes - Sam was among the team's most outgoing characters. I can see him being good on the circuit in future years. Great chat. In the games he played, you could tell he loved being out there and injected lots of energy. He kept well in the one game he was involved in and possessed all the qualities of a great leader. Sam has a great attitude and work ethic and is already engaged with grade cricket, coming to training weekly.

Patrick "Patty" Hield - Patty was Mr Reliable. He had some great cameos with the bat and displayed some expansive play. He showed aggressive intent at the crease, looking to move the game on, which I loved about his game this season. He also provided some valuable overs with the ball when needed.

Jay Vallabhoju - Jay looked good in some of his cameos at the crease, showing good intent and looking to run hard between the wickets. He bowled well in the last game when he got an opportunity and picked up a wicket. Jay is an athletic guy with a great arm.

Thanks should also go to the development squad members: **Zac Herzberg, Jaxon Heapes, Jack Flintoft, Jagbir Malhi, Michael Liguory** and **Ethan Natkuna** for their weekly commitment to training and attending games to support the team.

Finally, I would like to thank the coaches **Sutha Thanabalasingam, Tarik Viswasam, Dayle Carew** and **Ed Walker**. They spent countless hours coaching and mentoring the players, attending games and trial matches, organising sessions with sports psychologists, arranging for 1st graders to attend training, fitness sessions and lots more. They also spend a lot of their time planning, and outside-hours calls with the boys.

Regardless of the results, the coaches commitment helped us all improve our cricket and make the transition from junior to men's cricket. I could not be more thankful for all your help this and previous seasons. All the coaches created a great environment where we could ask questions, improve as cricketers, become better people and have some laughs.

Thank you also to **Janelle Carew** for scoring once again this year. All the boys were very grateful for your scoring throughout the campaign. You are the best in the business!

Finally, thank you to everyone else at the club involved in supporting the Green Shield program and making it happen behind the scenes – **Darren Sue, Glen Greenberg, and Tim “Sensei” Stewart** as well as others. Good luck to all the boys involved in Green Shield this coming season.

METROPOLITAN CUP REPORT

This season, I was surprised to be offered an opportunity to lead the club's Metropolitan Cup side taking over from the highly successful **Chai Motalla** after a well-earned promotion to lead the 5th Grade side. Of course, I was delighted to take up the offer. As always in the Metro Cup side, the team was a bit of a revolving door of players thanks to the usual availability and injury constraints but despite a different XI lining up every week, all the players did a fantastic job of working together to form a strong team on the field. After several COVID interrupted seasons, it was fantastic to return to the regular season structure including two-day cricket though this produced its own challenges with a young playing group, many of whom had little experience in the longer form.

Of particular note this season was the number of talented Green Shield youngsters coming through. Typically, we try and structure our Metro Cup side as an even mixture of washed-up old blokes (like me) and younger guys to provide some mentorship around playing the game. A lengthy injury list and consistent unavailability made striking that balance difficult but this handed a larger than normal number of Green Shield players an opportunity in senior cricket which they all grabbed with both hands. It was a pleasure to see all of these players improved massively over the course of the season and I'm confident that, as they grow and continue to learn from the opportunities that they get, they will all continue to improve and develop the ability to win matches for their teams.

When it comes to results, there weren't as many that went our way as we would have liked which, for anyone who had become accustomed to the success of previous seasons, came as a bit of a rude shock. However, a key philosophy of mine irrespective of results is that enjoying and playing the game in the right spirit comes before all else and I can confidently say that each and every player who played for our side this season did exactly that. I couldn't have been more pleased at how our season ended defeating first placed Penrith in the final over of a 120 over day by 4 runs. A great all-round performance which perfectly encapsulated how far we had come as a side over the season and what we have to look forward to in years to come.

As a side, we could not find ways to consistently bowl opposition sides out which hurt us throughout the season. Having said that, enduring difficult situations is how lessons are learned and the crop of young bowlers that we have coming through were certainly tested in a number of different and unfamiliar situations, all of which I'm confident they would have learned a great deal from. Special shoutout to **Michael Liguory** for his maiden 5 wicket haul for the club and the lone haul for the team.

Similar to the bowling, our batting lineup struggled to consistently post large scores. In particular, hitting gaps and turning over the strike were big areas for improvement and more match experience will help those skills come more naturally. Congratulations to our centurions for the season **Rohith Penugodu** with a well-constructed 103 in Round 5 vs. St George, and **Athul Rajesh** with a destructive 101* (77 balls) in Round 14 vs. Blacktown.

A massive thanks to all the parents for their support throughout the season, selectors, UNSWCC Committee, coaches and other support staff. Thanks to Athul for standing in as skipper for a few rounds and capably leading the side (from the front) in my absence. Lastly, to all the players, a big thanks to you all for turning out each week with a positive attitude and a commitment to playing your best cricket. It made for a very enjoyable season. I hope to see you all back next year to give me a reason to renew my contract with cricket for another year.

UNISPORT NATIONALS – T20 CRICKET

The 2022 UniSport Nationals took place on the Sunshine coast after a year hiatus due to COVID. The break between tournaments meant UNSW was fielding a relatively inexperienced group of cricketers. In typical uni games fashion, the playing kit that ARC organised did not materialise in time for the tournament which meant I had to pilfer a pile of first grade one day kit the day I had to fly up. Special mention to **Glen Greenberg** who let me in to the David Phillips sheds when he should have been watching his children's basketball game.

All eleven of us made it up to the Sunshine coast and we set our sights on the first game on Monday afternoon against Swinburne University of Technology. After getting sent in on a tacky August wicket at Kev Hackney Oval we managed to post a respectable 2/156 with **Abishek Mohanaraj** (64) and **Henry Pike** (43) scoring the majority of runs. The bowling innings started interestingly as I could not hit the cut stuff and pulled myself after bowling 0/9 off 2 overs with 7 wides. **Krishna Kangatharan** and **Shreeram Thanjan Radhakrishnan** were the pick of the bowlers with 3 and 2 wickets respectively. Tight bowling saw Swinburne limp to 7/101 off their allotted 20 overs and all the UNSW boys were thinking that this tournament was going to be a cakewalk. The team did not come out of it unscathed as **Prosha Rahman** had to go to hospital with a dislocated finger meaning we were down to 10 men.

Debate raged after the game about the transportation options that ARC and Australian Uni Games had given us. The two venues, Maroochydore Cricket Club and Caloundra Cricket Club were approximately a 30 minute drive apart and there was a scheduled 1 hour change over time between the morning and afternoon games. ARC's option of public transport was seen as untenable as was UniSport's option of nothing. Therefore, instead of expensive Ubers, I took it upon myself as captain to hire a 13 seater van that I would pick up from the airport the next morning.

The team started with 9 players Tuesday morning against Macquarie University as I was picking up the van and **Prosha Rahman** had been ordered to get an MRI on his finger. **Josh Low-McMahon** won an important toss and batted first. UNSW limped to 5/60 off 14 overs and when I arrived and took back control of the team they responded to be all out for 81. Macquarie University bowled with great control and backed that up with a clinical chase. They made the required runs in the 15th over with only 2 down. **Akshay Prasan** was the only bowler to take wickets.

After that reality check we hopped in the van and zoomed back up the highway to meet Queensland University. Before the game, two UniSport assistants pulled me aside to ask about UNSW's playing kit. The problem was that multiple of the same numbers were being worn and that if it continued a fine would be levied against the team. After I found out the University would have to pay I told them to fine us for as much as they wanted.

With that over we had a game to play. Queensland University won the toss and elected to bat. They ran remarkably hard for a Uni Games team but in fairness they did out-compete us ending on 2/162 off their allotted 20 overs. The two wickets came from runouts. In response UNSW slumped to 9/99 after a good opening partnership of 59 by **Henry Pike** (27) and **Josh Low-McMahon** (33). We licked our wounds heading onto the van knowing the next morning we were playing our rivals Sydney University.

The game against Sydney University was shaping up to be a big one. We needed to win to keep any chance of a finals berth alive and they needed to win to keep their undefeated record intact. UNSW won the toss and batted on a dewy 9am wicket. After being 3/16 we limped to 7/86 with myself hitting 49. Sydney Uni in reply had some familiar faces stride to the crease to open, Jack Attenborough and Tom Byrnes. With a pitch that was quickly hardening up, they made short work of the total making 34 and 44 respectively to chase down the runs in 10 overs.

The afternoon game on Wednesday was a tight affair against the University of Wollongong. UNSW won the toss again and batted first again. **Josh Low-McMahon** was the highlight scoring 45 but UNSW could only manage 112 from the 20 overs. In response Wollongong came out swinging but tight bowling from **Akshay Prasan**, **Chirag Patel** and **Shreeram Thanjan Radhakrishnan** kept UNSW in the contest. Unfortunately we did not have enough runs and Wollongong got over the line with 5 balls to spare.

This loss meant that we were relegated to the losers round robin. We would have to play Swinburne University and Southern Cross University who were rumored to be both low in morale and players.

This turned out to be true as our game on Thursday against Southern Cross was against 9 men. This called for some order reshuffling but somehow Josh Low-McMahon kept his place at the top of the order. Even with a sub fielder from UNSW there were plenty of gaps to hit and Josh took full advantage of them, scoring 116 not out off 69 which was the highest score in the tournament. UNSW set Southern Cross 196 which seemed an insurmountable chase. It was. They finished on 8/49 all out with wickets and overs spread evenly throughout the team.

Little did we know but that was going to be the last game UNSW played in the tournament. Swinburne University had had a full on mutiny/injury crisis and could not field a team for the Friday morning clash. This completely devastated the team so we spent the morning driving Go Carts, hitting golf balls at a range, playing putt putt and generally trying to get as far away from a cricket field as possible.

After the most enjoyable day of the tour the lads headed to the Maroochydore airport, I handed back the keys to the beloved van and we jetted home safe in the knowledge that Sydney Uni lost in the final against UTS.

CAREER STATISTICS

The individual, team and partnership records published on the following pages are for those seasons since the clubs inception into the Sydney Grade Competition (1973/74). For records prior to this time, refer to the 1972/73 annual report, which was the last for the clubs affiliation in the Municipal & Shires Competition.

TOP CAREER STATISTICS

The table below outlines the minimum requirements that have been applied when printing the top career statistics on the following pages. When these minimum requirements have not been met, the top 5 players have been published. Current players have been highlighted in **bold italic** type:

Competition / Grade	Batting (Runs)	Bowling (Wickets)	Fielding (Dismissals)
Combined Competitions / Grades	<i>5000 or 2000 current players **</i>	<i>300 or 100 for current players**</i>	<i>150 or 75 for current players**</i>
Combined 1st Grade	<i>3000 or 500 current players</i>	<i>150 or 50 current players</i>	<i>125 or 50 for current players</i>
Limited Over's Competitions	<i>1000 or 500 current players</i>	<i>35 or 15 for current players</i>	<i>50 or 25 for current players</i>
1st Grade Twenty / 20	<i>Top 5</i>	<i>Top 5</i>	<i>Top 5</i>
2nd to 5th Grades & Other Competitions	<i>2000 or 1000 current players</i>	<i>125 or 50 for current players</i>	<i>50 or 25 for current players</i>
<i>** Current players = have played at least one game this season</i>			

QUALIFICATION CRITERIA FOR CLUB RECORDS

The following table outlines the requirements needed to hold club records. The top 10 player's who meet the criteria been listed in the Club Records section of this annual report. Records can be held by multiple players. Record information is based on the data that is currently available.

Competition / Grade	Batting	Bowling
Two Day Competitions **	<i>250 runs</i>	<i>15 wickets</i>
Limited (50) Over Competitions (1LO, PG, AWGS)	<i>150 runs</i>	<i>8 wickets</i>
1st Grade Twenty / 20	<i>100 runs</i>	<i>5 wickets</i>
<i>** Records for 1st Grade are a combination of the Two Day, 1LO & 1T20 competitions</i>		

All available information relating to bowlers **Hat Tricks** and **10 wickets taken in a match** has been listed in the **Club Records** section of this annual report.

Note – where two teams have been entered into the same grade or competition, player statistics have been combined if a player has played in both teams.

DEFINITIONS

The following table provides explanation of what is included in each grouping or category in the Career Statistics section of this annual report:

All Grades & Shires	<i>SCA + M&S + Other Competitions Combined + State Challenge</i>
Sydney Cricket Association (SCA)	<i>1st Grade to 5th Grade + 1st Grade Limited Overs + 1st Grade Twenty 20 + Poidevin Gray Shield + A.W.Green Shield</i>
1st Grade (Combined)	<i>1st Grade (Two Day Comp.) + 1st Grade Limited Overs + 1st Grade Twenty 20</i>
1st Grade Limited Overs (1LO)	<i>All 1LO matches that form part of the 1st Grade Limited Overs Competition.</i>
1st Grade Twenty 20 (1T20)	<i>All 1T20 matches that form part of the 1st Grade Twenty 20 Competition</i>
Other Competitions (Combined)	<i>City & Suburban (CS) + M & S D Grade (MSD) + Moore Park (MP) + Metropolitan Cup (MC) + Tim Creer Cup (TCC)</i>

PARTNERSHIP RECORDS

Highest partnership for each wicket (per grade) have been listed, as well as; a) All other partnerships of +150 for two day competitions; b) All other partnerships of +100 for LO competitions; c) All other partnerships of +50 for 1T20 competition. Otherwise, the top two partnerships only for each wicket have been listed.

RETROSPECTIVE CHANGES DIARY

2007 – 1LO - The Sydney Cricket Association made the decision to combine the statistics for 1st grade two day and 1st grade limited over (50 over's) competitions for historical purposes. (Which was not done in the initial seasons following

the inception of the 1st grade limited over's competition in 92/93). As a result there are some changes to the records that have been published in past annual reports.

June 2010 – 1T20 – The Sydney Cricket Association made the decision to combine 1T20 statistics for the 2009/10 season with the other 1st grade competitions (as 1T20 games formed part of the 1st grade competition) As a result there are some changes to the data that was published in the 2009/10 annual report.

However, the inaugural season of the 1T20 (2008/09) still remains separate from the rest of the first grade statistics as it did not form part of the 1st grade competition that season, and was run as a separate tournament.

To be clear – 1T20 statistics from 2008/09 now contribute toward player 1T20 career statistics, combined season statistics for 08/09 and player combined career statistics, but **do not** contribute toward player 1st grade statistics.

2014 – 1T20 – The 1T20 competition for 2012/13 did not form part of the 1st Grade competition, did not contribute to club championship points, and therefore should not have contributed to player 1st Grade statistics.

Our statistics database has been updated and may lead to changes to certain players 1st Grade statistics.

August 2015 – 1T20 - The Sydney Cricket Association made the decision to combine the 1T20 statistics for seasons 08/09, 12/13, 13/14, & 14/15 with 1st grade two day and 1st grade limited over (50 over's) competitions for historical purposes. (Which was not done initially for those seasons). As a result, there are some changes to the records that have been published in past annual reports.

September 2016 – 1LO - The Sydney Cricket Association made the decision to include the Limited Overs Competitions played in the 1970s and 1980s (Rothmans Cup 1973/74 – 1976/76 & Limited Overs Competition 1985/86 – 1987/88) with player combined 1st Grade, 1LO and combined Grade Career statistics (statistics for these competitions were not previously recorded). As a result, there are some changes to the records that have been published in past annual reports.

INITIATIVES

The clubs statistics are in a constant state of review and improvement. Efforts to source and fully digitize scorebooks from past seasons continues. Any errors found when digitizing scorebooks have been correct which has resulted to some minor changes to certain player's career statistics.

In the spirit of continual update and improvement to our statistics and other historical information, please forward your information or comments to unswccsec@gmail.com

An aerial photograph of a cricket ground. In the center, there is a large, rectangular building with a flat roof, likely a clubhouse or administrative building. The ground is green and well-maintained. In the background, there are trees and a fence line. The overall scene is a typical cricket ground setting.

The Way Forward

It is our mission to be the most successful cricket club in NSW.

This will be achieved by promoting cricket in the community, encouraging team spirit and ensuring individuals reach their maximum potential.

Our club has a proud history of developing talent both on and off the cricket field.
