PRESIDENT'S REPORT

The past season was a mixed one for the club. It was a period of considerable reorganisation, the most important innovation being the appointment of a Club coach and a consequent effort to structure practise sessions better than in the past. Much was achieved, thanks to the energy of John Pym and those Club members who assisted in the organisation of practise sessions. There is, however, considerable room for improvement and I hope that in the forthcoming season we will build on the changes of the past year.

We were a little more successful than in the previous season, but have a long way to go before we restore ourselves to the top of the grade competition. More importantly, though, our approach to the game, both on and off the field, was of its usual high standard. For this we are indebted to the captains of each team, to the teams' secretary and to the Club secretary, all of whom accepted their responsibilities in an exemplary fashion. In particular, we are indebted to Leon Darmody, for his tireless work, much of which was behind the scenes.

Social cricket, country tours and the social life generally of the Club continued to be of a high standard. Much of the credit for after-match organisation should go to EivIn Robb who organised, persuaded, and at times bullied Club members to work behind the bar and to organise social events. We are also indebted to the groundstaff at the Village Green and the David Phillips ovals for their consistent efforts to ensure that we have first-class pitches. The overall quality of our grounds and our facilities are still the envy of most Clubs in Sydney.

I look forward, with confidence, to a successful 1985/86 season.

JOHN INGLESON.

FIRST GRADE CRICKET REPORT

During the pre-season practises, the general feeling was that the 1984-85 season would be far better than the previous season when we finished in the middle of the competition ladder. The legendary John Pym had been enlisted as Club Coach for the year. This he did with the enthusiasm that only he could muster. Chris Chapman made a welcome return to the Club, Jamie Baker had just returned from a season in England and Paddy Grattan-Smith had indicated that he would be playing the full season.

The season started extremely well with a clear victory over North Sydney with Jim Robson scoring a magnificent century. The other pleasing feature about the batting in this game was that all of the first six batsmen scored over 20. Although Jamie Baker was the only other batsman to score over 50, I thought that it was a good way to start the season declaring at 6 for 307. Peter Bishell showed that he was an extremely good bowler taking 5 for 64 off 26 overs and insuring a victory.

In the second round we played Sutherland and at the conclusion of that game we were equal competition leaders with two wins. It could not be said that the batting was, apart from a magnificent 90 by Chris Chapman, above mediocrity. Apart from Jamie Baker with 43, no other batsman scored over 20. Too many batsmen threw away their wickets. Although this did not cost us 6 points in that game, careless batting cost us dearly throughout the rest of the season. Glen Clark, after using dubious means to gain selection in his first 1st grade game, justified the agony he caused one of the selectors. After batting well and being unlucky to be dismissed he picked up a wicket in his first over of the second day and set the scene for the remainder of the game. We could be considered a little lucky in that we recovered after a couple of catches were dropped.

Dropped catches accounted for a number of losses last season. Unfortunately, we did not learn from our mistakes. One catch against Mosman cost us 165 runs and any chance of a victory.

It would be easy to state that having looked at the size of the scores which other clubs made against us, our bowlers lacked penetration. This would be doing an injustice to the bowlers who showed that they had the ability to bowl out other 1st grade sides cheaply. One of the favourite words used by sports commentators is the word "pressure". In a game of cricket the pressure is not merely applied by the bowlers. They need the support of all 10 fieldsmen. True enough, on occasions, far too many loose balls were bowled, but if vital catches are put down at crucial stages, the game can be lost there and then. Not many batsmen score a century without giving at least one chance. If those chances aren't taken and, far too often throughout the season they weren't, it is unfair to place blame on the bowlers for the total which the batsmen have to chase at the end of the day.

First Grade Cont

In the bowling department, Paddy Grattan-Smith deserves special mention with 45 wickets at an average of 24.02. He showed that he could bowl long spells economically as well as always looking like taking wickets. On many plumb batting tracks Paddy bowled extremely tightly as is evidenced by an average over the season of only 2.5 runs per over. His bowling against Bankstown was possibly his best effort of the season although this was not reflected in his figures of 1-93. When it is disclosed that he bowled 28 overs on a dead plumb wicket on which 360 runs were scored and only 6 wickets lost, the importance of his bowling becomes clear.

In the batting department, Jim Robson scored runs consistently throughout the season. 727 runs at 48.5 speaks for itself. Time after time he had to come in after the loss of a few quick wickets. With better support from other batsmen Jim would surely have scored even more runs.

Bruce Handley, while losing some of his fielding skills had a fine season averaging 24. He too suffered as a result of failures of earlier batsmen. No. 6 is a difficult position to bat, especially with the increasing numbers of one day games. Batsmen at No. 6 or 7 often only have 10-15 overs to bat and are expected to throw the bat. His 88 against Wests, if other batsmen had given better support, could have led to a victory.

Dick Pym continues to bowl well but is definitely getting older and possibly wiser, but definitely more mellow. Having had a "bean ball" bowled at him, Dick was unable to fight his own battles and stooped to engaging the assistance of the umpire. He was dismissed the next ball and then acted in his more usual manner. To be fair, he did score 40 showing and afterward telling the batsmen how it is done.

Bruce Everett stood behind the stumps for the first four games before dropping down the grades to concentrate on his batting. Peter Dodd was selected to add unnecessary age and weight to the side. He was, however, a match for "Jungle" at St. George Trivial Pursuits. Peter's first catch is one he will remember - Ian Davis - low in front of first slip. Jamie Baker won't forget it either - he dropped him off the previous ball. Dick Pym would not forgive me if I didn't mention he was the bowler on both occasions.

Stuart Keers should be looking forward to the next season after coming to grips with batting in first grade. In five innings last year he averaged less than 20 and threw his innings away almost all the time. This year it was 9 innings, 278 runs at 38.88 with a memorable 97 run out.

Greg Livingstone and Jim Dixon performed well on occasions this season but, when compared to previous seasons, they could perhaps have done better.

First Grade Cont.

Chris Chapman had a fine season scoring 469 runs at 36.1. He continues to pulverise attacks. I have already mentioned his innings against Sutherland. Sydney Cricket Club also felt the full brunt of his front foot shots, with Chris scoring 93 in 195 minutes on the Village Green. If Chris and Jungle can carry on next year and get some support from the higher order batsmen, we should be able to be semi-finalists next year.

Before finishing, I would like to thank all those who assisted "behind the scenes" throughout the season. Mrs. Handley, with the retirement of Bruce will be sorely missed. Tom Boyce and semi-retired David Lemon are always around when needed, especially at 3.40. Not being brave, I refuse to add the names of those others who assisted because the printer is sure to leave one name out of the manuscript and my memory and bad manner will be blamed. I hope a sincere and collective thank you to those concerned will be appreciated by those to whom the comment is directed.

DAVID MEAGHER

First Grade Cont.

SUMMARY OF EACH ROUND.

1. UNSW 6/307 (Robson 100, Baker 57, Chapman 48) b NORTH SYDNEY 239 (Bishell 5/64)
2. UNSW 214 (Chapman 90, Baker 43) b SUTHERLAND 198 (Grattan-Smith 4/45, Dixon 3/76)
3. MOSMAN 7/305 (Pym 3/58) drew UNSW 0/23 - RAIN AFFECTED DRAW
4. PENRITH 3/247 (Grattan-Smith 2/58) b UNSW 119 (Robson 22, Pym 22, Meagher 21)
5. BALMAIN 7/177 (Lawson 4/43) b UNSW 131 (Robson 41, Handley 28)
6. UNSW 3/175 (Robson 58*, Baker 57) b WAVERLEY 169 (Grattan-Smith 3/43, Dixon 3/60)
7. WESTS 4/251 (Pym 2/56) b UNSW 243 (Livingstone, 56, Handley 88, Pym 40)
8. BANKSTOWN 6 dec. 364 (Pym 5/49) drew UNSW 9/314 (Handley 79, Chapman 49, Meagher 42).
9. UNSW 9/164 (Meagher 52, Chapman 41*) b SYDNEY UNI 9/149 (G. Grattan-Smith 4/66, Bishell 3/46)
10. GORDON 4/166 & 7/116 (Dixon 3/27) b UNSW 163 (Robson 45, Dixon 31, Keers 21) & 8 dec. 201 (Robson 75, Keers 47, Livingstone 28).
11. UNSW 8/288 (Baker 58, Robson 56, Keers 46, Dodd 33*) b PARRAMATTA 285 (Dixon 3/61)
12. ST. GEORGE 8/235 (Grattan-Smith 4/84, Dixon 3/79) b UNSW 168 (Robson 43, Handley 40)
13. UNSW 8/235 (Chapman 93, Livingstone 46) b SYDNEY 9/157 (Bishell 4/43, Dixon 2/27)
14. PETERSHAM 8/308 (Pym 3/55) b UNSW 143 (Livingstone 48) & 2/131 (Baker 49, Robson 45*)
15. UNSW 5/205 (Keers 97, Robson 75*) b MANLY 6/203 (Grattan-Smith 4/70)
16. RANDWICK 9/146 dec. (Grattan-Smith 8/44) & 2/66 b UNSW 139 (Dixon 35, Pym 30)
17. N. DISTRICT 4/276 (Bishell 2/55) b UNSW 7/274 (Robson 84*, Chapman 59, Livingstone 40 Keers 38).

SECOND GRADE REPORT 1984/85

Overall Second Grade had an average season. Our batting and bowling were reasonable, however, our catching was atrocious. I'm certain that if we caught as many catches as we missed, our end results would have been reasonable. Three batsmen scored 400 plus runs, Mike Kilborn established himself as an excellent second grade player and in two innings especially showed that he will soon be a handy first grade player. Stuart Keers in seven matches scored constantly and was rewarded with first grade status.

Glen Clark was easily the most improved player scoring 469 runs and taking 38 wickets. This shows how important extra cricket is to improve ones performance, as Glen played the off season in England. Jim Large tried hard but I feel that if he wants to get better results on Saturday then he should make time to spend 2 hours at training each week. It's pointless to give up six hours of time on Saturday unless you maximize your chances of success by attending practice.

Both Steve Campbell and Peter Jourdain were probably disappointed that they did not score more runs, both always tried and will be rewarded with better success next year. Mark Hamwood had reasonable success for the year but will be first to admit that with more consistency he would have had better results. Like Steve and Peter I think work commitments jaded his performances.

Frank Maly had an excellent first half to the season but could not seem to get wickets in the second half. In his bowling he may have tried too hard and may have been more successful if he relaxed and waited for wickets to come. He has immense potential with the bat and concentration on playing with more patience will make his batting a lot more effective. He never stopped trying and was a pleasure to captain.

Greg Robinson bowled with line and length and showed how important this is, as he bowled long spells for few runs and caused batsmen to get out. Mick Ryan in the last two games showed that he can be a second grade bowler, he bowled with control, and concentration and did not give away easy runs. I hope he can continue to do this next year and become a permanent second grade player.

I'd like to thank all players who played in second grade for their efforts. Special thanks to Gordon and Denise for their help. The ground staff must also be complimented on the excellent improvement in the main wicket area and I hope this standard will be maintained. Our practice wickets were mostly reasonable but were unavailable at times for no apparent reason.

JOCK MARTEL

Second Grade Report Cont

ROUND 1: North Sydney 6 dcl 382 beat UNSW 262

We bowled first on the worst day possible. High winds made it impossible to be competitive. Several early chances were missed, which may have helped us gain the initiative. Our batting was held together by Glen Clark who opened and was ninth out for 121, a really great Innings. Steve Campbell fought hard for 38

ROUND 2: Sutherland 335 beat UNSW 249

Aggressive batting by Sutherland in the early stages put us behind. Steady bowling later returned the situation Mark Hoy 3-80 and Mark Hamwood 3-79. Our batting collapsed, however thanks to an eighth wicket partnership of 82 (Mark Hamwood 87) we managed a reasonable total.

ROUND 3: UNSW 300 drew with Mosman 1-45

150 runs by lunch thanks to aggressive batting by Stuart Keers 85 and Peter Jourdain 67, however the rest collapsed and we were out for 300 just after tea. The second day was washed out.

ROUND 4: UNSW 283 Drew with Penrith 8-247

A good score on the village green; Stuart Keers 104 and Jim Large 73 batted excellently. Mark Hamwood took 3-41 off 21 overs. Poor fielding and two easy dropped catches saw an easy win escape us.

ROUND 5: UNSW 173 Drew with Balmain 8-173

Excellent tight bowling abetted by poor fielding saw Balmain reach 8 for 173, Peter Bishell 5-53 off 23 overs and Glen Clark 3-66 off 23 overs bowled excellently. We recovered from 4-27 to make just 173 (Mike Kilborn 47, Jock Martel 29, Steve Campbell 26 and Glen Clark 24 n.o.). On the last ball John Sackett was dubiously run out. So after 5 games we were on 5 points.

ROUND 6: UNSW 4-81 beat Waverley 77

V?
A little greenness in the wicket was used to great advantage to quickly dismiss Waverley. Glen Clark 4-11, Frank Maly 3-22 and Mark Hamwood 2-21. We easily scored the runs required.

ROUND 7: Western Suburbs 199 beat UNSW 111 and 7-116

Again good tight bowling restricted the opposition Mark Hamwood 5-37 and Frank Maly 3-47. Next week saw a wet wicket and lush out field Mark Hamwood 35 was the only batsman to score reasonably.

Second Grade Report Cont.

ROUND 8: Bankstown 4-316 beat UNSW 188

For the first time a batting side completely dominated our bowling. However if one or two easy chances were accepted the score may have been different. At 3-2 we looked shot birds however Glen Clark 77 Greg Holt 29 and John Sackett 37 put some spine into our batting.

ROUND 9: UNSW 203 Beat Sydney Uni. 125

Batting first we dominated the opposition and were 4-174 (Stuart Keers 87, Mike Kilborn 35 and Peter Jourdain 35), however a late collapse saw us 8 for 203 when time was up. Frank Maly 4-49 took the first 4 wickets quickly, then Glen Clark 6-52 cleaned up the total.

ROUND 10: UNSW 6-305 Beat Gordon 223

Greg Robinson 4-50 off 22 overs and Glen Clark 3-41 off 15 overs never allowed our opponents to dominate. Pat Crammond took 3 excellent catches, solid batting by Mike Kilborn 115, Jim Large 38 and Peter Jourdain saw us coast to victory. Mike Kilborn played an excellent innings and scored a chanceless hundred. At the other end Peter Jourdan mesmerized the bowlers with deftly paced sweeps, drives and cuts off the back of the bat two innings long to be remembered by all who witnessed them.

ROUND 11: UNSW 5-271 beat Parramatta 7-269.

Our bowlers struggled, as survival chances went begging; Mick Ryan 3-85 was our most successful bowler. Good batting, with three good partnerships saw us have an easy victory (Greg Livingstone 115, Jock Martel 59 and Glen Clark 48 not out all batted well.)

ROUND 12: St. George 4-471 beat UNSW 195

We received a hiding by St. George as in there 60 overs they scored 271 runs. Mark Hamwood 3-55 was the most successful. Jock Martel 49, Jamie Baker 38 and Glen Clark 37 not out made our total respectable.

ROUND 13: UNSW 3-163 beat Sydney 162

A good effort to dismiss Sydney 162 after they had put on 82 for the first wicket. Greg Robinson took 5-24 off 20 overs. Jock Martel 85, Mike Kilborn 27, Glen Clark 20 not out and Peter Jourdain 16 not out all batted well.

Second Grade Report Cont.

ROUND 14: Petersham 6-331 beat UNSW 20-8

At 4 for 164 we should have scored a substantial total. However, after Mike Kilborn 76 and Glen Clark 40 were dismissed we collapsed. Our bowlers never dominated and they passed us 5 wickets down; Glen Clark took 3-41

ROUND 15: Manly 2-218 beat UNSW 217

Again 4-150 all out 217 (Jock Martel 71, Peter Jourdain 33, Glen Clark 27). As can be seen our bowlers started badly and we were quickly beaten.

ROUND 16: UNSW 97 and 9-147 beat Randwick 33 and 218

A wet wicket, allowed us to quickly dismiss Randwick. Glen Clark 9-18 bowled exceptionally well. However at no stage did they try to dominate us. We quickly make 97 (Jock Martel 48) and then tried to bowl Randwick out again at stumps they were 5-82. The next week saw us miss eight chances before dismissing them for 218 (Glen Clark 4-53, Mark Hamwood 3-42). We made a bad fist of getting the runs and only Steve Campbell 45 not out and John Sackett 27 put respectability into our score.

ROUND 17: Northern Districts 6-275 beat UNSW 153

This time we lost the toss and had to bat on a wet wicket. Dismissed for 153 after being 1-72 was not good (Jim Large 32 Mike Kilborn 32 and Mark Hamwood 33n.o.) We still had some chance but 3 easy chances were missed on the first afternoon and N.D.'s went to stumps at 2-72 instead of 5 or 6 wickets down. Although we bowled tightly and kept the pressure on, the breaks did not come our way. Mike Ryan bowled very well and had deserved figures of 2-58 off 32 overs.

THIRD GRADE REPORT

This season was one of missed opportunities. Overall, our bowlers performed extremely well on good batting tracks. However, we let a number of games slip away through undisciplined batting and on occasions, sloppy fielding. There were at least three games - Fairfield, Gordon and Sydney - that should have resulted in victories for the team. We must learn from these games to improve on our season's performance in the future.

During the early part of the competition, the team built up a good spirit. This was achieved by a willingness to train together and encourage each other. By the Christmas break, we were well positioned to force a place in the semi-finals. However, a very disappointing draw with Gordon after the break, having put down several catches, seemed to be a real setback. Team training sessions virtually disappeared, certain players were not attending training and the good early season spirit dissipated.

Perhaps the highlight of the season was our final encounter against Northern Districts. This outright victory was achieved with excellent bowling during Northern District's first innings and cavalier batting in our second innings. A brilliant finish!!

I challenge the nucleus of this side to commence training for next season in June/July and guarantee that, if players are prepared to work on their game all season, we can give this competition a real shake. It is about commitment and will to win - how many times have players commented after victories, "It sure beats coming second." We have the ability and the players, let's find the dedication and discipline to perform under pressure.

I would like to thank the Management Committee for its support during the season. In addition, special tribute must be paid to Greg Holt (Teams Secretary) and Martin Palin (Social Co-ordinator) for their tireless efforts.

CLAYTON JONES was undoubtedly our most consistent batsman during the season. Congratulations on reaching the 500 run target during our final fixture of the season.

JOHN MARTIN proved this season that he can score runs in this grade. Needs to work on his running between the wickets and pushing the ball into gaps.

GREG HOLT lacked consistency with the bat this season. Towards the end of the season produced some memorable bowling performances, especially against Petersham. Will be remembered for his off-field comments, e.g. in our first innings against Petersham, Harold was heard to say, "I've got the highest score of all batsmen out so far."

Third Grade Report Cont.

PAT CRAMMOND performed admirably for his first season with the club. With a few more seasons under his belt, should develop into a fine top grade batsman.

MARTIN PALIN did not produce the results we know he is capable of registering. Has developed into a useful spin bowler. We look forward to better and more consistent performances next season.

SCOTT MCCOY did not show his true ability with the bat. Congratulations on your marriage this season. Produced some brilliant fielding performances this season, especially two gully catches against North Sydney and Petersham, respectively.

MICHAEL RYAN performed well with the 'pill' during the season. Showed us his talents with the bat against Gordon, scoring a brilliant 90. A good team man, who was genuinely concerned with the team's performance each week.

NICHOLAS PRATTENT displayed that he is a fine wicketkeeper. With better batting performances, would have played many more higher grade games. An excellent club man, who provided good support to his skipper from behind the stumps.

MARK TURNER bowled with fire and genuine speed. Unfortunately, Mark moved to Western Australia during the season - we wish him well with his career. Enjoyed showing his team-mates how to bat on a number of occasions.

MARK HOY- Is totally committed to giving his best. Proved that his bowling is still a force to be reckoned with. Constantly displayed that he is a capable lower order batsman. Should this be Mark's last season with the club, we wish him well and acknowledge his dedication to the University Cricket Club.

PETER WATKINS had a welcomed return to the club. Thoroughly enjoyed travelling to the games by public transport!! Displayed the 'uncanny' knack of producing the break-through when required.

STEVEN DEBELLO toiled hard to capture wickets. Was undoubtedly the team's most consistent trainer. Results will come with more work on the run-up. Has the ability to perform better with the bat.

FOURTH GRADE REPORT 1984/85

The performance of 4th Grade in the 1984/85 season was generally on a par with that of 4th Grade sides in recent years. The side lost about half of its games, averaged slightly less runs per wicket than the opposition and finished around the middle of the table.

The season past, in fact, turned out almost as a carbon copy of the 1983/84 season. Early season success (and hope) in October and November, a mid season slump in December and January with a stronger finish in February and March. This emerging pattern points to a few issues which, if correctly addressed, will strengthen the club and lead to better performances in the future.

The best results are obtained in the early matches when the club is at full strength. Good young players in their first couple of years of University have joined the club and play an important part in early victories. The rot sets in when these players, together with a few more experienced club members, drift away from the club as the holiday season and exams start. Team line-ups become transient and losses frequent. A greater effort must be made in future to retain talented players, such as Steve Crayn, Leigh Gray and Brad Reed, for the full season.

The sides put on the field during the lean period mid-summer were not generally inferior to those fielded by the opposition, though. The application, however, of our players was often less than that required to secure victory. Two or three players did the job needed but the remainder of the side showed little fight. All players must realise that a side which can exert pressure and withstand pressure will win almost all its games in 4th Grade. Coupled to the ability of a side to exert pressure is its fielding. The standard of fielding in 4th Grade was less than that required. The only answer to this is practice.

Despite its shortcomings, the 4th Grade side was one of the more successful teams in the Club for the season 1984/85. Nine batsmen scored half centuries with four of these batsmen achieving this feat on two occasions. Five bowlers took five or more wickets in an innings.

Batsmen Jim Wilcher, Peter Scolari and Elvin Robb performed consistently throughout the season without receiving the support they deserved. Pat Crammond, Steve Crayn, David Thew, David Jenkins and Don Dixon all scored runs in their limited appearances. In the spin bowling department we were served by two off-spinners who were often too good for the opposition; David Quinlin and Steve O'Brien rarely got the figures they deserved. Our medium pace bowlers often did enough but were let down by poor fielding on too many occasions or saw our batsmen chase a total badly. Peter Watkins, Steve DeBello, Elvin Robb and David Thew all recorded good figures. Mention must also be made of the two wicketkeepers who were on duty for the majority of the season. Michael Back and Steve Carter put in above average performances and showed a lot of potential.

Looking to the future the club should be well served in higher grades by the players mentioned above as they gain experience and as long as they maintain their enthusiasm. Other players such as Martin Speiser, Phil Williams, Murali Varatharajan and Andrew Szabo should develop into players who will serve the club well in seasons to come.

ELVIN ROBB

FOURTH GRADE REPORT 1984/85

The performance of 4th Grade in the 1984/85 season was generally on a par with that of 4th Grade sides in recent years. The side lost about half of its games, averaged slightly less runs per wicket than the opposition and finished around the middle of the table.

The season past, in fact, turned out almost as a carbon copy of the 1983/84 season. ELVIN ROBB

FOURTH GRADE MATCH REPORTS 1984/85

ROUND 1: UNSW 170 and 1/27 lost to North Sydney 239.

The season began with a batting performance which became typical for the season. A couple of batsman got a start, one actually got a score and the rest did little; Pat Crammond made his club debut with 62, Elvin Robb (30) ran out of partners. Most of our bowlers tried to prove that you can get a batsman out by bowling to his strength; it worked but not before he scored 97. Steve Debello was the exception with 5/48 off 28 overs.

ROUND 2: Balmain 174 lost to UNSW 5/178.

A Balmain side which included two First Graders are sent in on a wet track. Mark Woodley (5/59), Dave Quinlin (3/40) and Brad Reed (2/47) dismiss Balmain who recover from 4 for 12. Elvin Robb (61*) and Pat Crammond (42) scorers again with help from Peter Scolari (31). The first victory.

ROUND 3: Mosman 191 drew with UNSW 2/39.

This time the opposition has a State rep.; John Skilbeck holds their Innings together with 60 after being caught behind for about 20. Fifth grade heard the edge on D.P. South. Mark Woodley (3/36 off 22.4 overs) and Peter Watins (3/37 off 26 overs) perform splendidly as Mosman takes 94.4 overs to score 191.

Handily placed at 2/39 by stumps on the first day but rain washed out the second week.

ROUND 4: Parramatta 111 lost to UNSW 4/121.

Parramatta collapse to the galle of a rookie grade bowler. The Captain has the courage to do something that no man before would even contemplate (despite the encouragement) and bowls himself. With figures of 5/17 the doubters are silenced. Parramatta lose 8 for 39 to be all out 111.

Peter King (53) and Dave Jenkins (36*) see UNSW safely home.

ROUND 5: UNSW 9/175 defeated Fairfield 151.

Jim Wilcher makes his 4th Grade debut with 40 and together with Steve Crayn (31) and sundries (34) see UNSW to 9/175 off his limited overs. S. O'Brien (3/20) and L. Gray (3/38) do most damage as Fairfield collapse losing 7/50 to be 151 all out.

ROUND 6: UNSW 8/132 lost to Waverley 4/137.

An inglorious batting display sees UNSW score its runs off 56 overs. John Martin's 48 the only highlight however female umpire's 2 L.B.W.'s cause alarm. Never in with a chance.

ROUND 7: UNSW 157 & 6/110 lost to Wests 5/159

Jim Wilcher plays a lone hand of 76. David Jenkins takes an outfield catch Dyso would be proud of after sprinting 40m around the boundary. David Quinlin (3/29) makes the only impression. Safely see off threat of outright loss.

Fourth Grade Report Cont.

ROUND 8: UNSW 99 lost to Bankstown 4/103.

Another pathetic performance as the slump continues. Williams (13), Jenkins (25), Robb (20) and DeBello (24*) only players to score more than two. Elvin Robb's 2/18 off 9 overs is the only creditable bowling performance.

ROUND 9: Sydney Uni. 168 lost to UNSW 9/174

This game had every thing. Dull boring batting from Sydney Uni., fiery fast bowling from Starky, run outs a plenty, 99 run partnership followed by the loss of 4 wickets for 1 run, an attempt on the world hammer throw record, the captain rushing onto the ground to avert a murder and a judiciary appearance. We win by two wickets. Rob Stark hits form with 4/44 which is followed by a fine second wicket partnership between Mic Clarke (58) and Bruce Everett (52). From 1 for 125 we get to 7 for 140 before Steve DeBello (16*) and Mic Back (12) see us to victory.

ROUND 10: Gordon 197 and 9/122 defeated UNSW 151

The match of the Yorkshire Wrecker, the Fastest Finger in the land. Seven unbelievable L.B.W.'s this match. Spring's was going for 4 wides and Dave Quinlin was so far forward he was halfway to the Village Green; but I think they got the worst of him. Gordon managed to keep the ball off their pads long enough to score 197. David Quinlin returns the season's best figures of 22 overs, 7 maidens, 6 for 38 (only 1 LBW). Robb (31) and Back (27) are the most successful batsmen. We are a chance with them 5 for 19 the second time but a catch goes down and they escape.

ROUND 11: Manly 156 defeated UNSW 112

We contain Manly to 156 off their 60 overs and are cruising at 3 for 90. An unbelievable caught behind decision sees the side crumble to be all out 112. Steve O'Brien (4/45) and Peter Scolari (61) are the outstanding performers on the field while off the paddock the captain threatens everything that moves and kicks anything that doesn't.

ROUND 12: UNSW 9/183 lost to St. George 5/186

Wilcher (30) McCoy (39) together with a 50 run last wicket stand between DeBello (39) and Back (15) score the runs. We bowl and field well to be beaten by series of edges from the St. George batsmen. Spring takes a spectacular slips catch, one handed, diving forward.

ROUND 13: UNSW 171 defeated Sydney 151

Thew (67) and Spelser (47) rescue us and then the captain tries to throw it away by dropping two sitters. Fortunately David Thew (4/44) takes the last wicket after they add 29. O'Brien (4/41) the other best bowler.

Fourth Grade Statistics Cont.

ROUND 14: UNSW 6/317 defeated Petersham 221 & 6/105

Wilcher (58), Clarke (34), Scolari (33), Robb (52), Dixon (77*) and Thew (29*) massacre the attack to score 317 by 4.30. They try to bore their way to victory but Stark (4/66) and Thew (3/36) clinched the win.

ROUND 15: Penrith 251 defeated UNSW 155

Well beaten by the best side we played all year. Watkins (5/108), Palin (3/40), Williams (26), Robb (24*) and Dixon (37) perform best.

ROUND 16: UNSW 180 & 6/173 defeated Randwick 143

The Great Chad Walkoff. P.Scolari scores 92 and P. Watkins takes 4/36 (off 34 overs) in a good win which knocks Randwick out of the comp. Has anyone seen Chad since?

ROUND 17: Northern Districts 224 defeated UNSW 160

Never really in this after Nth. Districts register 111 run second wicket partnership. Elvin Robb perseveres the most to get 3/56. Andrew Szabo (43), Leigh Gray (37) and Elvin Robb (39) get score to 160 after early slump.

FIFTH GRADE 'A' REPORT 1984-1985

1984-85 season began with much promise and early results suggested this may be the year a 5th grade side once again made the semi-finals. After round 5, we were undefeated, near the top of the table and a good win over the ultimate Minor Premiers.

Then, as in past years came the Dec/Jan. slump, as always happens when players are unavailable. Compounding this seasonal problem is the general availability of some players. Too few players (Sydney Based) are prepared to commit themselves for a full season, therefore turn over of players is a club problem and particularly in the lower grades.

As this will be my last captains report for the club, perhaps to highlight this problem of player turnover the point should be made again although its now become a standard comment by 5th Grade Captains. The following summary is interesting and I believe pin points the real reason for lack of success in recent years.

1980-81	34 players	42 points	6th place
1981-82	28 players	78 points	2nd place
1982-83	36 players	36 points	12th place
1983-84	44 players	18 points	21st place
1984-85	36 players	38 points	12th place

This last season showed a marked improvement on 1983-84 and the fact we finished above the 5B's was a pleasant change although the normal 5A-5B grudge match did not eventuate, an oversight by the administrators.

From the players that passed through 5th Grade there is evidence of good natural talent that with practise and commitment will develop.

- Tony Vero - A good season and should develop into a good all rounder.
- Jim Farley - Excellent season and should regularly play higher.
- John Joyce - Got that magic wicket and now should go on.
- James Wilcher - Showed great promise
- Dave Jenkins & Leigh Gray - Great potential but need to play a full season.
- Greg Clarke - Solid performance and should play higher
- Peter O'Donnel & Con Vlastaras - Showed great promise.
- Andrew Vietri - Bowled well and useful as a replacement keeper.
- David Cross - Batted well and useful as a replacement keeper.

Five A Report Cont.

Two players that I believe stood out for their abilities and commitment are Tony Vero and Craig McIntosh. Whilst the club always has problems finding suitable players to captain lower grades I believe both have shown sufficient talent to be considered in this role.

A special thank you again to Greg Holt, Team Secretary who despite the turn over of players, late withdrawals etc. attempted to give us a full team each round.

Mention should also be made about the fine facilities provided by the Univerity and particularly thanks to the ground staff at David Phillips.

To all who played in the 5As my thanks for an enjoyable season.

TONY EPSTEIN.

Five A Report Cont.

P O S T S C R I P T

1984-85 marks my last season as a regular (note regular) player for U.N.S.W.C.C., consequently there are some thoughts and thanks that need to be made. Since commencing in 1965-66 season there have been many highlights, some disappointments and numerous people to thank.

Highlights: Admission to Grade Cricket
Being President when we won our first, 1st Grade Premiership & Club Championship.
N.Z. Tour

Disappointments: Club never winning the 'C' shires or 5th Grade (to date) competition.
Considering the strength of the club and its performance in grade not yet achieving Sheffield Shield Status.
Present club members not having been exposed to Geoff Garland, Ross Fitzgerald however they are exposed to Jungle as a consolation prize.

There are many players that I should thank for the past 19 seasons, my apology to anyone omitted.

Tim Creer	Jill Ratcliffe
Clem Barrington	Ian Kellaway
John Ingleson	Ralph Merrell
John Rogers	John McFarlane
Greg Holt	Peter James
Terry Buddin	Alex Taylor
Greg Robinson	Mark Ray

Perhaps this is the appropriate occasion to nominate my all time UNSWCC character side in batting order.

1. Ross Fitzgerald - novel enterprise
2. John Pym - sea food caterer
3. Jungle - tactics to be ignored
4. David Pratt - team disciplinarian
5. John Rogers (c) - who else would
6. Greg Holt - team organiser/manager & Guru
7. Geoff Garland - shy, quiet inspiration
8. Geoff Kirkwood - team outfitter
9. Robb Stark - off field tactician
10. Dick Pym - to control John & console umpires.
11. Ralph Merrell - encourage fast bowlers.
- 12th man - Ian (Kyogle) Smith for any of the above.

With the above talent a keeper would be wasted.

I look forward to my continuing association with the club in whatever capacity most benefits UNSWCC.

To new members, I would encourage total commitment to the club/cricket, for the immediate enjoyment, wealth of memories & friendships formed.

TONY EPSTEIN.

FIFTH GRADE B REPORT 1984-85

Once again, statistically wise, the most significant feature of the season past was the passing parade of players through the 5B side. Fortunately for most players, this was usually to higher grades, but unfortunately, for the team as a whole performance and consistency were the main sufferers. In all, 43 players represented, with over half these playing higher grades later on in the season, due in many instances to players making themselves unavailable.

If the club in particular is to remain a force in grade competition far greater emphasis must be placed on selecting sides early in the season to contain players who are available for at least 90% of the games throughout the season. Players who are available for less than half the season are of little benefit to the club, regardless of their individual standards, as team spirit and harmony can only be nurtured by having a large nucleus of regular players within the team throughout the season. Lower grades in particular suffer severely when players are lost through promotion, not through ability, but just to fill vacancies.

The records show the 5B's were successful in only three matches out of 17; two of these being won convincingly and the third by the narrowest of margins. A number of narrow losses, however, were recorded against teams that finished up in the upper half of the competition and, but for a vital catch here and there, we should have finished with an additional 3-4 scalps under our belt.

Unfortunately in batting we lacked the discipline necessary to register consistently high scores - both individually and team wise. Players all too often risked their wickets in playing rash shots too early and often paid the price. Rarely did we have the good fortune to witness the opposing batsman do the same.

Only on two occasions did we score more than 200, and only on one of these was the score the result of significant contributions by more than half the batsmen. Only two players scored more than 200 runs during the season; however a number of memorable innings were played, notably from Vel Popovich, Mick Back, Dave Thew and Murali Nagarajan. Vel, in fact, outperformed all of the regular batsmen and each deserves the batting trophy with the highest average over the season.

In bowling, we lacked experience, with not nearly enough concentration on line and length, the two main ingredients of an attack required to knock over most fifth grade sides. The two occasions our bowling was on target the opposition crumpled. Gird Varatharajan being the destroyer each time. Gird certainly has the ability to do well in higher grades and only lack of experience and self confidence are holding him back at present. His overall statistics of 27 wickets at 17.3 earned him this bowling trophy. However Peter O'Donnell's 15 at 17.4 was not far behind. Peter served the side well also in batting and no doubt with more experience will be featuring in higher grades in seasons to come. David Bell, a late comer during the season performed well with the ball, and also enterprisingly with the bat. He also will be on the selector's short list next season.

Five B Report Cont.

Before briefly recounting on match results and performances, I would like to record my appreciation and thank all those who participated throughout the season, with special thanks to Mike Gregg, V.C., who ably substituted, in my absence, against Western Suburbs and Randwick, and to Greg Holt, who again did a very commendable job in rounding up a team each Saturday, often against considerable odds.

ROUND 1: Greg Clark's meritorious 6/85 off 19 overs into the wind (a gale) kept Parramatta to a respectable 229. Our reply of 113 soon revealed the side's batting deficiencies. However, Val Popovich and Murali Varatharajan helped to restore some respect in the second innings.

ROUND 2: Jim Farley (55) and Vel Popovich (32) laid the foundation to a modest 152, which unfortunately, was just shaded by Balmain B's 8/143 - 1 man short. Tony Davey (3/45) and Giri (2/35) were the best of the bowlers.

ROUND 3: On the D.P. South billiard top, Bankstown were well held to 8/316 mainly due to Craig McIntosh (4/77) and Bruce McDiarmid (2/66). Unfortunately the weather on the second day prevented us from responding in similar fashion.

ROUND 4: A modest 155 with Williams (44) and Taylor (35) was almost enough to score against Balmain A. However assisted by the groundsman, the opposition prevailed on a count back when wet weather intervened, despite tight bowling from Ralph Merrell (3/32 off 12) and Murali Varatharajan (2/31 off 16).

ROUND 5: Another modest 166 was insufficient to trouble Mosman 6/169.

ROUND 6: The winning of the toss for the first time was an omen of things to come when Giri rampaged through Waverley B (51) taking 7/26 off 17, setting us up for an easy win despite the late appearance of former State Chinaman bowler David Hourn.

ROUND 7: A record 6th wicket partnership of 150 by Vel Popovich (67) and Mick Back (77) should have seen us through against Sydney Uni. A. The fact that it didn't, was due solely to poor fielding. Jim's marathon 4/140 off 33 deserved better.

ROUND 8: A paltry 82 was soon knocked off by Penrith before tea without losing a wicket.

ROUND 9: After containing Sydney Uni. B to 161 due mainly to a fine spell by Peter O'Donnell (4/56) of 19, we were cruising at 2/121 with Dave Thew (80) well in command. The fact that we just scraped in by one wicket off the final ball of the day, with the third last ball passing between the stumps and not taking the balls was due in no small measure to a last wicket partnership of 20 by Peter Fitzsimons and Giri.

ROUND 10: An indifferent 153 was insufficient against Fairfield A (4/202).

Five B Report Cont.

ROUND 11: The batting was again found wanting with only 96 on Majors Bay synthetic insufficient to cause Wests (6/101) any concern.

ROUND 12: After containing Randwick to 188, with Greg Clark (3/42) and Pete O'Donnell (3/37) the chief destroyers, our batting faltered despite Ian Murray's 34.

ROUND 13: We again show our dislike for synthetic and Fairfield B have little difficulty in matching our 111 well before tea and losing only two wickets.

ROUND 14: At last our batsment fire with heavy artillery coming in the middle from Murall Narajan 53 and Mike Gregg 25 culminating in a record last wicket partnership between Murall and Giri. Northern District had only just equalled our score at the close on the second day at 6/197 having earlier followed on shell shocked by Giri (7/35 off 19) bowling into the wind in the first innings.

ROUND 15: Our score of 176 with Peter O'Donnell (41) and Alex Taylor (35no) gave Manly (2/183) little concern.

ROUND 16: A great spell of 20 overs (5/83) by Dave Bell could not stem this tide aganst St. George (9/308). After being 4/3 after 2 overs, we struggled to finish at 99.

ROUND 17: Scott McCoy celebrated his promotion from 4th grade with 4/82 off 19, but this was still insufficient to prevent Gordon (227) taking the points when we could reply with only 148.

ALEX TAYLOR.

COUNTRY TOUR REPORT - 1984/85

TOURISTS: Jamie Baker Vel Popovich
Greg Holt Nick Prattent
Clayton Jones Elvin Robb
Pete O'Donnell Ian Smith (plus windsurfer)
Marty Palin (From Singleton) Jim Wilcher

MINI-TOURISTS: Jim Robson (Until Wallabadah Races)
Mark Carmichael (Until Wallabadah Races)
Steve Palin (Until Wallabadah Races)
Glenn Clark (From Wallabadah Races)
Kyogle's BMW (Until 30km from Gloucester)
Peter Dodd (Gloucester, Newcastle)
John Pym (Gloucester)
Steve DeBello (Gosford)
Mick Kilborn (Tamworth)

TOUR MANAGER: Jamie Baker

This season saw the return of the Country Tour. The squad composed a fine blend of experience, characters and learners. Snake threatened to come along, but wasn't sighted.

DAY 1 (Saturday) - SINGLETON

It's 8am and an intrepid group of travellers begin to gather outside the Uni in Anzac Parade. We are greeted by the vision of a brown BMW, complete with massive windsurfer, and a form no one can mistake -- Kyogle. The lure of a Country Tour has drawn him from the City of Churches (not that he's ever been in one).

The tour commences in rain, which gets heavier the further north we go, until Cessnock where it suddenly stops. Not even the weather would go near that town! On arriving in Singleton we are presented with a sticky. "It was as hard as the road at 6.00 this morning" the groundsman informs us (at midday) as he continues to roll the track. Jamie makes his first mistake; he makes Jungle captain. In an attempt to impress the locals Jungle invokes the tourists' prerogative and we bat. Next thing 7 for 16 (J.G. Robson 0) with the locals moving the ball all over the place. However Kyogle and Nic perform a revival after an interruption for further rain; the bowlers can no longer stand up. At 68 Kyogle is out as the rain starts again. The local side, looking nervous, hurriedly draw stumps; they've over estimated our bowling and take the honourable draw.

The tour socialising begins with the Singleton side putting on afternoon tea. Typical country fare; acres of sandwiches, mock chicken, the lot. Then off to their favourite pub. Dinner and stories before we check into our hotel for the night, the Agricultural. As we arrive a young female disappears in the back door. This is Nicole, publican's daughter and flatmate to Randwick's Gary Mathew. After a few of us make a few suggestions to her, we follow her suggestion and hit the Bowling Club. Jim Wilcher immediately displays his friendly nature and gets to know the Barman, the Bouncer, the Band, the Manager, the locals, but very few women. Ugly women chase Harold and Pete O'Donnell keeps on drinking.

County Tour Report Cont.

The majority progress to the local nightclub with the rough reputation. We all get drunk, Nic's standards don't improve, no one gets in a fight and Pete O'Donnell keeps on drinking. The evening ends with tourists roaming the streets of downtown Singleton in a cloudburst. No one seems to notice.

DAY 2 (Sunday) - WALLABADAH, TAMWORTH

Breakfast at the Agricultural sees us dodging awkward questions from the publican's wife over her daughter's activities of the night before and her possible present state. Chemical calls "Yes, No, Yes, No, Wait" when questioned about his night. Jungle, displaying his vast experience, is dragged from his bed moaning "I'll never tour again" just prior to our departure.

Off to Wallabadah, our northern base 50km south of Tamworth. Jungle has recovered and leads the morning's charge into the tiny pub. It is 11.00am and the Sydney Test is about to start. Although the pub isn't quite open, a few words of introduction from Jungle to the publican gets us set up in front of a T.V. with twisties being passed around. Nic and Clayton set off to find, and look over, the nearby shearer's quarters. These were kindly provided by George McDonald and his family for our accommodation over a couple of nights. The judgement - "Spartan!". On leaving the pub, we enquire into the closing time. "About half past" is the reply, "Half past what?" we quiler. "Oh, just half past".

Golf at Tamworth is set down for 1.00pm. Mick Kilborn has made the arrangements and is there to meet us. Soon Tamworth Golf Course is echoing to cries of "Be the club". Following the golf, the end of the day's pay in the Test and a scrub-up, the party makes it way to the smorgasbord at West Tamworth Leagues. A tourist's delight - hand over \$4.00 and pig out. Harold and Kyogle's gut maintenance plans are truly satisfied. Spade work on the girl at the door before we return to Wallabadah's Marshal MacMahon Inn.

We occupy the back bar of the pub. Darts, the pursuit of hot tips for the races from the locals and much frivolity follow. Jim Wilcher premier's his mid-evening snooze and he and Pete O'Donnell again show their extreme favour for Toohey's Old. These rookies are rising rapidly in stature.

"Half past" turns out to be half past 11 and armed with supplies we head for the shearer's quarters. Fortunately only a mile long dirt track from opposite the pub needs to be negotiated; but it turns into a mini Southern Cross Rally. The Wilcher HR Station Wagon drives on everything but the road, makes daring passing manouevres, dodges trees and clocks up 3 miles for the single mile trip. Cards, run by Jungle and Pales, let us know that these are the people to keep well clear of at the races.

DAY 3 (Monday, New Years Eve) - TAMWORTH

Spartan perhaps, but hot showers in a tin shed out the back prove very sobering before off to Tamworth for the second tour match. Jamie's second mistake - this time Kyogle is captain (what hope do we have?). We bat first against Stilly and the locals. Clayton (61) and Jim Wilcher (42) put on 70 run opening stand. Marty, after hearing of the batting successes of Singleton, follows the form of others and adds another tour duck. Jungle, one of the

Country Tour Report Cont.

Day 3 Tamworth - Cont.

form batsmen In Sydney Grade, maintains his tour average with a second duck and initiates the "Yes, I did glove it" salute to the umpire. Another entry to Club folklore by Jungle. Final flourish by Jamie (25) gets us to 185.

Pete O'Donnell opens the bowling and learns that, although the openers look like Kyogle, they can play the pull shot, and do so, lobbing him several times into the nearby river. Kyogle brings the noble game to a new low by opening the bowling from the other end. Needless to say we lose from there with only Jamie (5/30) and Elvin (2/40, including the prized Kilborn wicket) being successful.

Book into the Central and after the mandatory few with the opposition we start to see the old year out. The Tamworth Worker's Club is one of the highlights of the tour. All tourists get safely inside but local hero, Rhodes Scholar, Michael Kilborn does a very poor impersonation of his father and doesn't get past the doorman. Half of Tamworth must have been in the club and all tourists were in fine form. Marty, arriving a little after the rest, looks for someone to have a drink with but finds all tourists have gone forth and are playing shots to all parts of the ground with the unsuspecting local female population. Kyogle in a female induced frenzy cuts in on Jungle and vice versa, Nic white ants Elvin, the Harold and Marty team perform with their legendary aplomb and there are countless other noteworthy efforts. The night ends with various tourists trying hard but coming up empty handed. The hard luck story goes to the cricketer who had his quarry do a runner after her moral integrity was questioned through his locked hotel room door. Nic, in another incident, ends up with his menu looking even more dog-eared.

DAY 4 (Tuesday) - WALLABADAH RACES (New Year)

For Chemical and Pete O'Donnell this was still day 3 - they figured that it wasn't worth the effort of sleeping for only 2 or 3 hours, and at 7.00am they provide a wake-up service. The madness of touring is displayed by four tourists who head off for 9 holes of golf before the races. On the average the scores were better than two days previous, which might say something about their golfing talents.

Back to Wallabadah and the town's big day - the 133rd Wallabadah Cup. Jamie is confronted by the woman he met the night before and is strangely nervous. The race meeting is brilliant, an uphill-downhill track, plenty of tweek coats and Maj-Gen. McDonald's private lounge (tent, in fact). A select few, those noted for decorum and sense for an occasion, visited the tent. How Jungle got in we do not know. Pales, resplendent in white towelling hat, displays a real punting style in the bookies ring. Foreign Diplomat, by some quirk of fate, is running in Sydney that very day. The betting ring erupts as he leads into the straight but fades to finish in the minors. In the Cup, Harold gets the good oil from the favourites owner who introduces himself by tugging at Harold's shirt; it finishes third. Big Orca is spotted head and shoulders above the crowd. The big winner of the day was Jimmy Wilcher who backs a 16-1 shot home in the last. He is overjoyed by his success and proceeds to tell everyone in sight. As we walk out the gate leaving the track he approaches another car to tell its inhabitants of his good fortune. Before he hardly gets started the driver tells him "I know, 16-1 in the last and you shot 38 in Tamworth this morning". Jim is still dumbfounded.

Country Tour Report Cont.

That night sees Jungle, Chemical and Pales depart, Jungle secretly harbouring thoughts that the tour would slow from here. Needless to say another useless Jungle theory. The Wallabadah pub that night is a big one. We are befriended, or at least certain tourists are, by the lady at the B.B.Q, backgammon players, sundry women and a mother/daughter combination (the elder of which showed a strange fascination for jamming a pencil up tourists' "chutney lockers"). Marty labels Pete O'Donnell "Floater" in keeping with his social style. Jamie opens the tour account at Kyogle's expense. The publican, who was a bookie earlier in the day, informs us that we get an appearance in the local T.V. news coverage of the races and he has got it on video. Stars at last. Marty experiences Floater's driving skills first hand on another crazy drive to the shearer's quarters. He emerges from the HR a pale, blabbering idiot. Later on he is the first tourist to go looking for Herb. "It just keeps on happening".

DAY 5 (Wednesday) - GLOUCESTER

Another refreshing start to the day with hot showers on a brisk, country morning surrounded by the sounds of nature - birds singing, sheep barking, cricketer's roycing. We head for Gloucester over the Great Dividing Range. Breakfast at Nundle sees the General Store ravaged by a hoard of hungry tourists. Milk, soft drinks, cheese, twisties, chips, processed meat rolls, anything edible - it was a shocking sight.

Then it happened. 30km from Gloucester Kyogle gets his back wheels in the gravel, almost plunges into a mountain valley before slamming head-on into an embankment. The only injury is to the car; it is now just a twisted heap of metal. In anger Kyogle kicks at debris on the road; the story is that it was once third gear (in an automatic?). A general reshuffle and the party heads to Gloucester to send a tow truck and to play cricket, leaving Kyogle sitting in his deck chair reading Richie Benaud's autobiography guarding what was once a BMW. Just to spite him the deck chair collapses under him after 5 minutes.

Prof. Peter Dodd and John Pym boost our numbers in Gloucester. After a two hour wait the locals get some opposition and we bat. Clayton (32) and Jim (23) open up with a 50 run stand, Pym (28), Baker (20) and Prattent (29*) make up the bulk of 162. The highlight of the Innings, and shot of the tour, is Pymmy's world famous fall-down sweep on request. As the crowd yelled for it, John hit it for six into the adjoining Bowling Club. We looked in trouble at stages during their Innings but Jamie's 5 for 19 won it. About 4.30 from out of the distance came a tow truck dragging the remains of Kyogle's BMW. It drove right past the ground to a standing ovation. A salute from the passenger's seat indicated that Kyogle's sense of humour had returned. Line of the day was Elvin's suggestion that Floater go looking for some of the cricket balls he bowled in Tamworth in the river that ran past the ground - "They should have reached here by now". At post match drinks Harold, in a moment of weakness, swaps his beloved bumble-bee cap for a cap from a team roughly equivalent to the House at Pooh Corner Under 3 Second XI.

Book in at the Avon Valley Inn. The publican entered right into the spirit of the occasion. First he fed us in the restaurant, then kept the bar going longer than most of us could last and finally got drunk with the stayers. Jamie's two cousins from just outside town joined us for the night under big wraps. What he didn't tell us

Country Tour Report Cont.

was which one was the good looking one. However Jamie's credibility was helped by the line of the tour. As Doddsy was chatting to a young lady in the bar Jamie approached and struck up conversation with "Hi, my name's Jamie Baker. I'm 23". It had a shattering effect. The night rounded off in the early hours with Kyogle, after a rather eventful day, sculling Blue Clinics.

DAY 6 (Thursday) - NEWCASTLE

The grudge match against Newcastle Uni. We bat (as usual) and Harold (56), Vel (50), Kyogle (29), Dodd (21) and Elvin (25) all slog on the way to a score of 220 off 50 overs. Vel's 50 comprises 4 sixes (getting off the mark with a zack!), 4 fours, a three and 7 singles; Elvin's 25, 5 fours. It was one of the best tracks you would ever see. Then some genuine pies from Harold earns him 4/50 off 10 overs (hence the entry in the following day's Herald - "B. Ben 4/50"). An aggressive 43 from their Pommy import has the fieldsmen concerned for their physical well being but Newcastle Uni. falls well short with 167. Kyogle's 2/2 off 1 over and Nic's 1/0 off 1 ball end their dig.

The Great Northern is the accommodation for the night and the worst pizza on earth from the bitchiest waitress ever is dinner. The utterer of the cllam "I've never slept in a water-bed" at least gets to be on top of one for about six (or should it be sex) hours before the alarm clock goes off. Jamie and Jim play havoc with the memory of Harry Chapin at the Cambridge before an attack on Fanny's having gained heaps of experience on this tour, Jim Wilcher and the Floater do best here. Floater just floats though and the girl vanishes into the night and Jimmy learns a thing or two about the nurse's myth. The rest weave a path back to the Great Northern at four in the morning.

DAY 7 (Friday) - GOSFORD

After gathering the squad from various parts of Newcastle, its off to Gosford for Jamie's home game - he's captain. By now the tourists are getting a little jaded (more than one player had to be woken up to go out to bat) and Harold and Marty return to Sydney. Steve DeBello joins us for the day. An ordinary batting performance, except from Elvin (70) and Jamie (40), and indifferent bowling means we crash to defeat. The most entertainment comes with the attempts to get Nic's car keys out of his boot where he has locked them; and the windsurfer finally getting wet. The Gosford people (including Jamie's parents) turn on a B.B.Q. for us before we return to Sydney. Jamie achieve's our only contact with the Boys in Blue for the tour - mandatory 3 points, \$80. The final act of the tour is a couple of quiet ones at the Regent where Jim Wilcher asks Kyogle "Why do you always call Elvin, Elwyn Kyogle's reply "I've been calling him that for four years now and I'm not about to change" leads to a new boom sport in the invention of nicknames for Elvin (Elwood, L-Plate, Eldine, et al).

Country Tour Report Cont.

PERSONAL BESTS ON TOUR

Jamie	Many deeds, and statements including "Hi, My name's Jamie Baker. I'm 23" (Age or length?)
Harold	A reborn supporter in the institution of the family.
Clayton	Sartorial splendor at dinner in Gloucester
Floater	A sustained drinking and socialising performance
Marty	Sleeping atop Pales' campervan in the early hours of the New Year.
Vel	His fifty in Newcastle (Quiet tour, Vel)
Nic	A shocking display of desperation-inspired poor taste in women, and "The Menu".
Eldine	The dummy spit of the tour - his throwing down and kicking of the ball after failing to bowl a maiden in Newcastle.
Kyogle	That crash.
Jimmy Wilcher	His first night introduction to the people to Singleton, "Charline" at 16-1 and the nurse at 10-1 on.

HONOURABLE MENTIONS:

Jungle	His batting form, and general ratbaggery.
Pales	A sudden interest in Introductory Philosophy B
Doddsy	"You talk, you walk" and "Hit that square running".
Orca	Indifference to being runout in Gosford.
Chemical	Nicole
Pymmy	The fall-down sweep.

Congratulations must go to Jamie for a superbly organised tour. The fact that there was not even the slightest hiccup in the arrangements speaks for itself. A great time was had by all. This report only tells the story of some of the fun that the tourist's enjoyed. Every club member should go on at least one Country Tour so as to experience the magnificent social side to the cricket in our Club. Bring on the next one.

A. TOURIST.

DOUBLE WICKET COMPETITION 1984/85

This year's double-wicket competition got off to a sensational start when Orca "shafted" Paddy Grattan-Smith in the first innings of the first match, and then proceeded to give Joyce the benefit of the doubt in a very adjacent L.B.W. decision when Paddy was bowling. (Experienced Club members might be surprised to hear that Paddy did not spit the dummy and disappear after this first round loss, but remained to field and sledge for the rest of the day). When John Pym put paid to the Baker/Creighton challenge by hitting the spin twins for numerous sixes, the competition was wide open.

Backie and "L-win" fought their way through to the semis with form that made a mockery of their gradings, but once they met the formidable team of J. Wilcher and Disco (who was subbing for Pymmy who had strained a few muscles while spanking J. Baker to parts of the Village Green that had never even seen a cricket ball before.) It was a sensational semi-final with the scores tied on 42 - all after 4 overs each. The tournament referee was called in to settle the issue and ordered a six-ball-each tie breaker, which Backie and "L-deen" won 9-8.

So they progressed to the final to meet the very consistent Jackie/Floater combination. Set 45 to win, Jackie and Floater could manage only a respectable 42, which gave "L-plate" and Backie the coveted double wicket trophy, (which I think this year was a few cans of beer).

After a few steak sandwiches, the entire squad adjourned to the cricket-ground just in time to see big Miran clean up a couple of banana bending batters in the shield final (that Courtice a friend of yours Jungle?). Then after that it was onto the Olympic to compare theories and generally shout at each other. Those who saw the night out to its inevitable end (everyone pissed at the D.O.G.) witnessed events that have generated stories ever since (eg. the avalanche of "L-win" type nicknames, and the birth of Gallos get-rich-quick Footy Tab scheme).

A truly magnificent day (and night) that will live long in the memory of anyone who was there, and can somehow still manage to recall it. Many congratulations to "Elcom" and Backie.

MARTY PALIN

THE "SICK AS A PIG" CUP 1984/85

The "Sick as a Pig" Cup is symbolic of cricketing supremacy between U.N.S.W.C.C. and Parramatta D.C.C. The cup is contested bi-annually and each match is traditionally accompanied by a "tour", party or appropriate social event on the night before the game. At the end of the 1983/84 season Parramatta were the proud holders of the cup. This was soon to change.

MATCH 1 - OCTOBER 84 - OLD KINGS

After the usual plethora of lies regarding the events of the night before, Parramatta batted first, and the serious nature of the contest was soon evident. Steve "Hollywood" Halliwell received a genuine bouncer in the first over from Starky (his only one of the season), and with a clumsy swatting action that only partially hid his instinctual desire to duck, the batsman all but impaled himself on the stumps. Unflustered, "Hollywood" quickly regained composure, glanced at the slip-cordon and said "I'm not afraid to hook".

Wickets proceeded to fall rapidly, and only some delightful sloggng by Kenny Gentles and "Slug" (who hit Orca into the Parramatta River) built the Parramatta total into an interesting 164.

The University reply stumbled along to 4 for 30 odd when Jungle decided to attack Gentle's "wristies", and did so by jumping down the track and describing aloud each ball as it was delivered. "Leggie!", wack. "Chinamen! aaagh (outside edge), Yes!!!". "Topyy!" wack. Jungle got us within sight of victory before throwing his wicket away and allowing Starky to deflect the runs required to bring the cup back to Marty's Bar and Grill.

MATCH 2 - FEBRUARY '85 - DAVID PHILLIPS

Held the day after the ill-fated harbour cruise, the game was relegated to 8-a-side when some players failed to respond to treatment on Sunday morning. Suffice to say the track was so bad even "L-deen" Robb (aka L-Plate, U-turn, B-Line etc. etc. ad nauseum) managed to present "Philthy" Chie with an awkward lifter which cracked him on the cheek and felled him "mid-charge". After Backie celebrated an all-night med society party with a quick 50, Parramatta were set the difficult target of 145. But when Joycey cut a swath through their middle order, Darren Tucker was left last man standing (as happens in 8-a-side games) and needing to score 95 not out to secure victory for the visitors. But Joycey was to have none of it, and he enticed the "Tuck" with a well floated delivery that would have ended up on Coogee Beach if it had found its way to the middle of the bat, but which in fact ended up in the safe hands of Mickey Diablo at deep-mid-wicket.

So the cup is ours until the next contest in November, when once again we inflict the Parramatta night life on ourselves and hope that we survive till the following day, so that we might defend the cup while feeling sick as pigs.

MARTY PALIN.

CLUB RECORDS

The following Team Records and Partnership Records apply to the years in the Sydney Grade Cricket competition - from and including season 1973-1974.

For records prior to 1973-74 season refer to 1972-73 Annual Report - M & S Competition. Following items - Leading Run Scorers/Leading Wicket Takers and Leading Dismissals include all runs, wickets and dismissals in both Grade and M. & S. competition obtained from the club in all teams. Teams not eligible for all members (age and/or student status restrictions - P.G./Inter-Varsity) are not included in the following club records. Performance in these teams may be obtained from past annual reports.

Only the initial record maker is identified in the team & partnership records.

THE UNIVERSITY OF NEW SOUTH WALES CRICKET CLUB

AUDITOR'S REPORT

I report to the Members of the University Of New South Wales Cricket Club that I have examined the accounts and records of the Club for the year ended 31st May, 1985. My examination included such tests of the Club's records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion the Statement of Receipts and Payments and Bank Reconciliation represents a true and fair record of the Club's transactions for the year.

J. T. Hall
J. T. HALL B. Comm. AASA

11th July, 1985.

THE UNIVERSITY OF NEW SOUTH WALES CRICKET CLUB
HONORARY TREASURER'S REPORT FOR YEAR ENDED 31 MAY 1985

The attached accounts show a surplus for the year of \$3,221.00. This surplus has been put aside to a development fund for the Sam Cracknell Pavilion.
