## PRESIDENT'S REPORT

Gentlemen,

The Eleventh Annual Report and Financial Statement of the University of New South Wales Cricket Club are presented herewith.

During the 1960-61 season the Club participated in the Municipal and Shires competition in the "A" and "B" divisions. We congratulate Pennant Hills, the "A" Division Premiers, and Lane Cove, the Premiers in the "B" Division. The Club also fielded two teams which played one-day matches organised by the City and Suburban Cricket Association.

In December the Club, in conjunction with the University of Sydney Cricket Club, organised an Intervarsity Carnival, in which teams from the Universities of Queensland, New England, Sydney and New South Wales participated. Our team contained players from Newcastle University College in addition to Club members. The matches were played at the University Ovals at Sydney and Kensington. A similar carnival was held in Melbourne, where the Universities of Adelaide, Tasmania and Melbourne played in a triangular tournament. The purpose of these carnivals was to assist the selection of a Combined Universities side to play the West Indies in Canberra. Unfortunately heavy rain prevented play on the first two days of the carnival in Sydney, but, by re-arrangement of the programme, each team played three matches and none of the matches had to be abandoned, although the actual playing time was curtailed. Our Secretary, Clem Barrington, did a wonderful job in organising the carnival at short notice.

One of the highlights of the Carnival was a dinner at the Coojee Bay Hotel, where our Vice-President, former Test Umpire, Mr. George Borwick, as guest speaker, related anecdotes concerning famous incidents and great players in Test cricket. Our Club is proud that one of our players, Terry Lee, gained selection in the match against the West Indies and distinguished himself by making the second highest score (42) in the Combined Side's first innings. Our congratulations go to the captain, Bob Mihell of Queensland who scored an unconquered century in the second innings. It would be very gratifying if all future international teams were to play a match against a Combined Universities side. Although the Carnival differed somewhat from the regular intervarsity visits, it may well become a standard pattern for the future. Until the 1960-61 season our only intervarsity matches had been against Queensland, and we should like to think that matches against Sydney and New England will be played regularly.

PRESIDENT'S REPORT, CONT.

The Club also played the annual match against Newcastle University College at Newcastle. Matches were also played against the University Regiment and the Scots College. Details of these matches are given in the report.

As in previous years there was little social activity. The annual dance at the end of the season was very poorly attended. I make an appeal to all members to support the Club's social functions. If these are well attended, the social committee will feel justified in arranging a more extended social programme. About twenty Club members attended a dinner at Aaron's Hotel to farewell Ted Watton, who is spending a year in England.

The Committee is pleased to report that sight boards were erected at University Oval, Kensington, during the season. New nets have been installed at the improved practice wickets and the dressing pavilion is nearing completion. A picket fence is to be erected around the Oval. Last season the Club had the use of Prince Henry Oval at Little Bay. A curator has been appointed and the University authorities plan to make improvements to this ground by the erection of a pavilion and sight boards. The University has acquired land at Daceyville and two unfenced cricket grounds are being prepared on this site, so that the University will have four grounds available for cricket.

The objective of the committee is the acceptance of the Club into the District Grade competition. Consequently, we need more support from young undergraduates so that we can have sufficient players to field four teams in the District Competition, if the Club is granted grade status in the near future.

STANLEY LIVINGSTONE  
VICE-PRESIDENT.

CAPTAIN'S REPORT  
\*\*\*\*\*

MUNICIPAL AND SHIRES "A" TEAM 1960-61.  
\*\*\*\*\*

The overall performance of the First Eleven during last season could be regarded as moderately successful, though regrettably not as good as the previous season. The team finished 9th in the competition compared with 6th in 1959-60. Despite a reduction in our points tally from 48 in 1959-60 to 36 in 1960-61 we maintained a position about the middle of the competition table. Two deplorable performances - outright losses - against Canterbury and against Auburn-Lidcombe proved impossible to transcend. We cannot afford to offer luxuries of this sort to our opponents. The University team has the talent to climb well up the competition ladder but our play - particularly our batting - must be more rigorous, both in attack and defence. This is where our armour is weak and I must amplify my conviction that its weakness lies in attitude rather than ability.

I must hasten to qualify my remarks about our batting by referring to two of the finest fighting innings that I have ever witnessed in any grade of cricket. Against Sutherland on a rain damaged wicket which strongly favoured the bowlers, Mike Reidy scored a chanceless 60 out of a total of 84, one other batsman contributing 12. Mike's innings of less than an hour was a combination of forceful stroke making and determined defence; he hit eight fours in his sixty. On another treacherous wicket against Roseville late in the season, Professor Jack Salmon, in his first match for the

CAPTAIN'S REPORT CONT.

University, scored a chanceless 59, including 12 fours and one six. This was Cambridge batting at it's best. Harold Bundy performed well on this occasion too, with a fighting 41 not out.

If only we could marshall our batting forces more as we did against Bexley early in the season! Faced with 208 by the Bexley team, Harold Bundy and Robin Lucas scored 116 in our best opening stand for some time. Harold contributed 86 and Robin 67.

Among Mike Reidy's other scores were 41 against Burwood, 88 against Epping, 37 not out against Lane Cove, 36 against Pennant Hills, 76 against Burwood, and 41 against Canterbury. Mike must get more support from the rest of us; too often he is left to "carry the baby".

Harold Bundy again performed well on occasions. I predict a really good season next year for Harold - if he resists the temptation to "have a go" as he resisted it against Lane Cove - result 41 N.O.

Tim Creer and Don Clarke batted well at times and both are improving with every season.

Our bowling, once again, proved to be our most consistent and reliable department. Only four times was the 200 mark reached by the opposing team. Duncan Marshall and John Middleton were our two best bowlers throughout the year. Duncan leading the averages with 27 wickets for 14.22 apiece and John heading the wicket takers with 35 at an average of 15.45. Against Sutherland John captured 7 for 10 and Duncan 3 for 1 to dismiss the opposition for 19 - enough to have the result of the match reported in the A.B.C. Sporting Roundup on the Saturday evening. Duncan secured the excellent figures of 8 for 50 against the strong Burwood batting line up. We can look forward to some excellent bowling from Duncan in the coming season.

If our batting can continue it's trend evident in the final couple of matches our team performance should improve substantially on that of last season.

Finally I would again offer my sincere thanks to the team for it's unswerving support both on and off the field. I feel that we are slowly welding ourselves into a cricketing unit playing as a team and really enjoying it.

LAURIE LAWRENCE.

CAPTAIN'S REPORT

## MUNICIPAL AND SHIRES "B" TEAM ( 1960-61 SEASON)

The team won one match outright and three on the first innings. Against Roseville, University led on the first innings and was defeated outright by one run, in a thrilling finish off the last ball of the day. Three matches were lost on the first innings, two were lost outright, two were drawn and two more abandoned because of rain.

As in previous seasons, the team lost several of it's best players to the first IX during the vacation period (January - February) and was not at full strength for these matches. The outstanding player of the season was Phil Schofield, who is the best bowler the "B" team has had since Vernon Turner played in 1952-53. Unfortunately for the team, Phil went to the firsts for four matches, but returned to register some fine bowling performances in the last two games against Sutherland and Auburn-Lidcombe. Another fine bowling performance was given by Sam Soper, who finished with 7 for 41 against Roseville.

The batting generally was a little better than in previous years, but there were no big opening partnerships to give the team a good start. The best innings of the season was Don Clark's 102 not out against Auburn-Lidcombe. Peter Ward, Barry Andrews and Alex Taylor were usually reliable and Geoff Garland played a few good hands. Sam Soper and Ian Scott were useful "down the list" batsmen; Ian surprised everyone with a hard hit 50 not out against Burwood.

The fielding, although never brilliant, was quite satisfactory and keener than in previous seasons. Darryl Lacey was always alert and took some good catches, including a beauty off Peter Ward's bowling at Roseville. Sam Soper was keen and safe in the field, and the younger players would do well to follow his example.

Perhaps the most promising newcomer was Frank Martin, who only played in three matches at the end of the season. Frank has real pace, combined with accuracy. It is my opinion that, with plenty of practice, Frank will greatly improve and will become a great asset to the club.

I think that the team played well together and showed real enthusiasm, which is essential to the full enjoyment of cricket.

CAPTAIN'S REPORTCITY & SUBURBAN "A" TEAM (1960-61)

This year the "A" team did not perform very well at all.

Below is a summary of the year's results:-  
MATCHES PLAYED 20; MATCHES CANCELLED 2; WON 5; LOST 15.

I think that the main reason for the team's poor showing was the fact that it was never well balanced. Something like 53 players took part in the matches played, and as captain, I was never really able to find what these players were capable of.

Individual inconsistency was also another factor. Quite often when our bowling was successful our batting would fail.

However, I think that all those who played in the team will agree when I say that it was a most enjoyable season. Some brilliant cricket was seen from the opposing teams and occasionally some members of the home team showed a little sparkle. I don't think any of us who played at Hunter's Hill will ever forget the century made by their opener, R. Beard. This excellent batsman crashe 17 boundaries (14 fours and 3 sixes) in his innings which lasted only 55 minutes. By far the best batting display by a University batsman, was by opener Alan Morgan, who knocked the strong I Zingari "A" bowling attack to all parts of the field in a whirlwind 57 (10 fours). Alan was finally caught on the boundary. The tragedy of that match was that none of our other batsmen could back him up and the whole team was dismissed for only 96.

I think that overall, our bowling attack was stronger than our batting. Many fine bowlers passed through the team. Phil Rowe came to us late in the season and showed excellent control and proved he was a very "heady" bowler. "Fresher" Don Brown showed much promise.

The safest fieldsman was Dave Brennan but overall the fielding was not good, and I feel that much more practice in the pre-season period should be devoted to ground fielding and returns to the wicket.

BOB. WORLEY  
CAPTAIN.

### CAPTAIN'S REPORT

#### CITY & SUBURBAN "B" TEAM 1960-61.

The season opened on a very high note, when we fielded quite a promising side made up of youth and experience with a fair reserve of young players whom we were just not able to play in the first round. It was no time, however, before we were in the usual position (for us), of fielding a depleted side or calling upon "stop-gap" players. This, ofcourse, is hardly the way to promote and encourage team spirit and performance and I can only reiterate my statement of last season that this was one of the chief causes of our unimpressive record.

In a season from 17th September, 1960, to 1st April, 1961, (with six weeks suspended in the Xmas-New Year period) our schedule was:-

Matches 22; Won 1; Drawn 1; Lost 12; Forfeits given 2;

Forfeits received 1; Cancelled 5:/

Our sole win was against Lare Cove at Prince Henry Hospital, but four matches were lost by a margin of less than twenty runs, three of these by less than ten runs. In all, we scored 1013 runs for the loss of 114 wickets (average 8.88) and our opponents scored 1729 in losing 101 wickets (av. 17.12) Statistics which tell their own story.

There were few highlights in what was, in general, a disappointing season, but one which is outstanding was the

innings of 81 by John Salmon against Paddington, when we made our highest total of the season (175) only to go down by the bare four runs in the last over of the day. I, unfortunately, was not present then, but all reports of the innings were in glowing terms, and we were disappointed to lose such a player to the Shires so late in the season. Next best was a very nice 55 by Wal Burke against Waverly Veterans but, even this could not save us from defeat by 8 runs in the closing minutes.

Bede Nairn and Wal Burke did not produce their consistency of the season before, although they still managed to finish first and second in both averages and aggregates once more. Bryan Smith showed solidity on most occasions and Hugh Johnston has the distinction of being amongst the only three to top a hundred runs for the season, his 32 not out against Balmain (at Birchgrove) in impossible batting conditions almost winning the game for us. Some of the "freshers" performed creditably in this department, notably Bruce Dockrill, Ken Le Quesne, Ian King, and Bruce McFarland, and we look forward to better and consistent deed from them in 1961/62.

Despite that nearly 1600 runs were scored from it, the bowling was not our weakest point. Certainly we need a good opening combination (this problem may be solved in the persons of Ken Le Quesne and Bruce Dockrill) and tighter spin bowling, but this seems difficult, not only to achieve, but maintain. Jack Tuckwell topped the aggregates and averages with 33 wickets at 10.67 runs and deserved his success. Gary Stephens bowled creditably well early in the season till he left for the higher grades (taking 10 wickets at 11.1) and I managed to collect 27 "scalps" at 11.37 apiece. In all, sixteen bowlers were tried and this, to me, gives a fair indication of the irregular complement of our teams and the search we conducted for bowling ability. Very late in the season, Ken Le Quesne and Bruce Dockrill bowled very well, the latter with intelligence and economy.

Our fielding in the main, was down on the previous year's standard, some very easy catches being spilled. It was left to "freshers" like Bruce McFarland and Carl Berglin to show that there are as many catches "made" as presented. Harold Oliver performed excellently behind the stumps for most of the season (a difficult position when one is taking such a variety of bowlers), and Ian King showed polish and promise during the last few games.

My remarks of last season still hold as regards the "luke-warm" attitude of many of our members and good results will not come until our teams are regular and full in complement. Too often we were shorthanded or had to field "makeshift" players (at times from the opposition teams) culminating in the ludicrous position in our last game when we fielded only eight men. The grounds situation throughout the season was much

improved and, whilst Prince Henry Hospital Oval is very good, change room facilities are an urgent "must". The situation regarding Centennial Park is no better and the sooner we can completely avoid playing there, the better. The ground fees levied for shocking facilities is a disgrace.

Despite these set-backs, the team enjoyed it's cricket and played the games in good spirit. My thanks go out to them and my wishes that 1961/62 will see a greater and more consistent increase in the standard of our performances.

BILL DWYER.

CAPTAIN.

INTERVARSITY.

During the season 1960-61 a Combined Australian Universities Cricket Team had the honour of playing a visiting international team, the West Indies, for the first time since the war. This was indeed a great achievement for University cricket; and the officials who made the game possible must be congratulated. There seems to be no reason why a similar match should not be included in the itinerary of other touring sides.

To be able to select a Combined team from the Universities of every State, it was necessary to devise a scheme whereby as many players as possible could be seen together, so that each player had an equal opportunity for selection. Hence it was decided that the Universities be divided into two zones, Queensland, Sydney, New England and New South Wales comprising the north zone (playing in Sydney) whilst Adelaide, Tasmania and Melbourne, comprising the South Zone (playing in Melbourne). A series of matches was played in each zone, from which selectors nominated players for the final team of fourteen. This was selected by telephone between the selectors of both zones. Western Australia, being unable to play in the south zone matches, because long distance of travel were involved, were allowed to nominate two players who were included in the final team of fourteen.

This final team of fourteen assembled in Canberra, where they played a match against a Combined Services team at Duntroon. The eleven players to represent the Combined Universities against the West Indies were selected from this match. Congratulations go to all eleven on their selection and on their performances.

The three trial matches to be played in Sydney were to be of two days duration, but owing to rain over the first three days, they were reduced to three one-day matches. This did not hinder the excellent performances of some of the players. Permission was obtained from A.U.S.A. for the last match, Queensland v's New South Wales, to be classed as a traditional Inter-Varsity match over two days. To make this possible, the Queensland players remained in Sydney for the extra day.

The Combined carnival was concluded by a dinner at the Coogee Bay Hotel in true Inter-Varsity tradition. We owe thanks to our Vice-President Mr. George Borwick, for one of his ever popular talks, the climax of a most successful function. I add my own thanks to all those people who helped make the Combined carnival a success and to Bob Mihell and his Queensland team for their most unexpected personal gift to me.

C.H. BARRINGTON

Honorary Secretary.

MATCH RESULTS:

University of New South Wales v's Queensland  
Kensington - 23rd and 24th December 1960.

The remarkable feature of this game was the inept display of batting from the batsmen of both sides against the spin bowling of Hale, from Queensland, and Gilchrist and Lee from New South Wales. These bowlers, particularly the two leg spinners, Hale and Gilchrist, made excellent use of the turning wicket. The accurate and probing spin attack conquered because of the obvious reluctance on the part of most batsmen to use their feet.

New South Wales had the advantage of leading Queensland by one run on the first innings, but the handicap of losing their two best spinners on the first day, proved too much and Bob Mihell took full advantage by compiling a hurricane 89 N.O. to gain victory for his side.

UNIVERSITY OF NEW SOUTH WALES Vs. UNIVERSITY OF SYDNEY.  
 Played at Sydney University No2 Oval on 21st December 1960.

Sydney batted first on a damp wicket and against some accurate bowling, T. Lee, 3-32 off 11 overs and J. Middleton 2-38 off 11 overs, scored 147.

N.S.W. failed in their first innings to capitalise on their bowlers efforts and were all out for 93. Sydney's opening bowler, W. Armstrong, was the chief destroyer, taking 5-27 off 8 overs.

Sydney's second innings was highlighted by a fine attacking 44 by F. Munro.

UNIVERSITY OF N.S.W. Vs UNIVERSITY OF NEW ENGLAND.

Played at University of N.S.W. Oval, Kensington on 22nd .  
December, 1960.

N.S.W. batsmen gave their best performance of the carnival in this match. H. Bundy dominated the bowling to score a very fine century. He figured in two fine partnerships 76 (R. Lucas) and 112 (J. Thomson). After an early collapse New England could not recover sufficiently to offer any real threat.

COMBINED AUSTRALIAN UNIVERSITIESVs. COMBINED SERVICES.

All fourteen University players participated in this match, which was a trial match from which the Combined Australian Universities team was selected to play the West Indies. Combined Services scored 99 runs, Percy top scoring with 21 runs. Bowling honours for the University team go to Quigley, Whitford and Punch. Runs came freely to most of the University players and the team finished with 197. For the Services Hanrahan took 2-34. As a prelude to the West Indies Match, the University players obtained very good practice from this game, which also helped to mould the team together. We offer thanks to the Services Personnel associated with this match for their hospitality on and off the field. We also thank Mr. Sargenson of Australian National University for arranging accommodation and many other details. Thought should be given to making this match an annual event.

B. Quigley	Adelaide	W. Smith	W. Aust.

Manager - W.K. Tickner - Melbourne.

COMBINED AUSTRALIAN UNIVERSITIESVs. WEST INDIES.

Played at Manuka Oval on 3rd and 4th February 1961.

With Canberra turning on excellent weather, Alexander, Captain of the West Indies, won the toss and sent the Universities team to bat on a well grassed wicket. The three University players who were unfortunate not to be selected in this important match were D. Fox, G. Whitford, and W. Smith. The final eleven University players in their first innings were all out for 148 runs, with bowling honours going to Chester Watson. The accurate and consistent bowling attack was hard to conquer with the result that T. Lee (40) and K. Punch (42) were the only batsmen to show any signs of getting on top.

The first day was climaxed by Hunte being run out in the last over for 68 runs and the West Indies being 1-142 at stumps.

The University players taking the field for the second day of play had no idea that this was to be their day. Left hander K. Punch first delighted the Canberra spectators by getting a hat trick which included the wickets of Rohan, Kanhai, Jerry Alexander and Tom Dewdney. Punch finished with 6-72 adding the wickets of Garfield Sobers, Jackie Handricks, and Chester Watson. With this determined bowling the West Indies run-making was kept in check and they finally declared at 9-301.

The next highlight of the day was the century compiled by Bob Mihell, who showed his ability both as a batsman and captain, by his excellent shot-making and the concentration that was needed to help hold his team together and thus prevent the Tourists from winning the match. At stumps the University team were 6-295, a score that was also due to the fine batting of K. Punch and N. Carlyon.

Once again thanks are due to the organisers, in particular Mr. Tickner, for the match and its success.

MATCH DRAWN.

REPRESENTATIVE MATCH:UNIVERSITY OF NEW SOUTH WALESVs. NEWCASTLE UNIVERSITY COLLEGE

Played at North Stockton, Mental Hospital Ground,  
on 30th October, 1960.

Joe Thomson, captain for Newcastle, won the toss and elected to field. In their first innings, Uni of N.S.W. were all out for 113. D. Clarke (25), and S. Gilchrist (29) top scoring. D. Bissel taking the bowling honours with 6-41 off 8 overs.

Newcastle in their first innings passed the Uni. of N.S.W. total for the loss of 8 wickets due to fine batting by D. Cross (55) and A. Archer (36). J. Middleton taking 3-16 off 9 overs.

Those members who made the trip to Newcastle had a most enjoyable day on and off the field. Due thanks to J. McLennan and J. Thomson.

MATCH WON BY NEWCASTLE ON

FIRST INNINGS BY 41 RUNS AND 2 WICKETS.

SOCIAL MATCHES.

Vs. SCOTS' COLLEGE at Scots' College, Bellevue Hill.

U.N.S.W. 175 (Livingstone 34, Reidy 32, Bundy 50 ret.  
Clark 29, A. Walker 3-15, C. Walker 2-12, Morrison 2-44,  
Lindsay 1-56)

Scots' College 84 (C. Walker 23, Morrison 13 n.o.  
Schofield 1-19, Livingstone 5-26, Clark 2-15).

University won by 91 runs on the first innings.

The members of the University team were the guests of Scots' College and our thanks go to Scots' sportsmaster, Mr. Rankin and the Scots' team for their hospitality. Scots' Captain, Bob Lindsay gave a good display of fast bowling. The Scots' batsmen shaped well against the opening attack of Schofield and Ward, but, with the exception of Morrison, played rather badly against slow bowling.

\*\*\*\*\*

Vs UNIVERSITY REGIMENT AT UNIVERSITY OVAL.

U.N.S.W. 162 (Bundy 55 ret., Taylor 28, Reidy 14,  
Garland 18 n.o.)

REGIMENT: 92 (Reidy 3-15)

University won by 70 runs on the first innings.

The cool windy weather did not spoil an enjoyable day's cricket. As in the match against Scots' College, a fine unconquered half century by Harold Bundy put the issue beyond doubt. Mention should be made of Mike Reidy, who took three wickets in his first over. After the match the Regiment supplied refreshments in their mess. It is to be hoped that this match will become an annual event.

\*\*\*\*\*

Vs GRACE BROTHERS.

Everyone who played in this game on Sunday 19th March agreed that the spirit and conditions in which it was played left nothing to be desired. On winning the toss, I sent Grace Bros. into bat, only to see them score 164, thanks to a powerful innings by Daryl Lacey who played with them to complete the complement. Daryl scored 65, not giving a chance until he'd passed the 50's. Two ex-grade players (Fields and Brown) for the visitors scored 19 apiece and we

were most fortunate to remove them for such low scores. Bowling honours were shared by Tuckwell (3-24) and Le Quesne (3-38), whilst a 'fresher' in Bill Stewart bowled promisingly.

When we had an opening stand of 78 by Soper (37) and Oliver(29), the match seemed as good as won and, even at 4 124, where McFarland (21) and Garland(18) had made their contribution we felt pretty safe. However, Lucas (3) and four main hopes succumbed early and the remainder of us slumped badly being all out for 140.

Grace Bros' bowling honours were shared around (Robinson 2-3, Binkins 2-12, Miller 2-18, and Morris 2-4) even Lacey taking 1-1 from two overs - How we wish that man had stayed home!!!

#### FRESHERS MATCH:

DWYER'S XI 134 tied with LACEY'S XI 134.

This match, played on Sunday 5th March, produced no outstanding individual players though a good game was the result with keenness on both sides.

Boulton and Vaughan each scored 22 retired for Dwyer's XI, the next best being a hard hit 14 by Ken Le Quesne just when needed. Lacey's XI was in all sorts of trouble until Don Clark, coming in at No 10, showed us some of his Shires form in scoring an immaculate 52 not out, highlighted by some glorious driving.

The Match was designed to give each fresher a chance to show his paces and each aspiring bowler had a turn (if only short) at the crease. Brown, Dockrill, Snowdon, Vaughan, Poom and Head each captured two wickets, the first two performing more than creditably in later competition games.

Of the seventeen freshers who played, seven later represented the University in City & Suburban Competition matches, each acquitting himself well on the score of enthusiasm, demeanour, and performance. The others, mostly due to commitments with teams with whom they were already playing, were not able to appear, but we look forward to seeing them next season.

NOTICE OF MOTION: Mr. C. Barrington to move that:-

Clause 2 (c) To be altered to read: "Committee" - "The Management Committee of the University of New South Wales Cricket Club."

Clause 22. To be deleted.

Clause 23. To be altered to read:  
"The Control and management of the Club shall be vested in a Management Committee consisting of the President, Hon. Secretary, Hon. Treasurer, Hon. Teams Secretary, and not more than seven (7) other members of the Club who shall be elected at the Annual General Meeting, provided that the majority of the members of the Management Committee shall be undergraduate of the University."

Clause 32 Delete "and the Committee."

Clause 35 Delete "and members of the Committee."

Clause 36 (a) To be altered to read:-  
Two (2) delegates to the Sports Association General Committee, one of whom shall be the Hon. Secretary, and the other an undergraduate member of the Committee, appointed by the Committee.

Clause 40 Delete the word "emergency" where it appears, and the word "General."

The Heading "Finance" be altered to read "Finance and Audit."

The following clauses are to be added as follows:

Clause 43a "The financial year of the Club shall commence on the first day of June and end on the last day of May in each year."

Clause 43b. "The Club, at each Annual General Meeting, shall elect an Hon. Auditor, who shall be a member of a recognised Accountancy Institute. A member of the Club may fill the office of Hon. Auditor, but may not at the same time be a member of the Committee."

NOTICE OF MOTION: (CONTINUED).

Clause 43c.

"The Hon. Auditor shall examine the accounts of the Club, ascertain that the books are properly kept, and report upon the Balance Sheet, and Statement of Receipts and payments submitted to him by the Hon. Treasurer. The Hon. Auditor shall be satisfied that all monies are properly accounted for, and that all documents and valuable securities are in safe keeping."

Clause 45

To be altered by deleting the words "through the Club delegates," and inserting in place thereof the words "or through the other delegate."

Clause 46

DUTIES OF HONORARY TREASURER:

To be altered to read: "The Hon. Treasurer shall receive and disburse the monies of the Club as authorised by the Committee or the Executive. He shall keep account of all such transactions, and the books of account shall always be open to the inspection of members of the Committee. He shall lodge in a bank, approved by the Committee, all monies received by him, and shall present to each meeting of the Club an up-to-date financial Statement, together with the Bank Pass Sheet. Such financial statement shall show movements of funds since the previous meeting, together with details of amounts due to and/or by the Club at the date of the financial statement. He shall present an Audited Balance Sheet and Statement of Receipts and payments to the Annual General Meeting.

Clause 46a

The following Clause to be added:  
"DUTIES OF HON. TEAMS SECRETARY."

The Hon. Teams Secretary shall act as convenor of the Selection Committee, and shall be responsible for notifying players of their selection.

-----  
All Clauses contained within in the Club's Constitution, and as amended or added by Motions passed at this meeting, subject to ratification by the Sports Association, shall be renumbered consecutively from one (1) onwards.
