President's Report	7
First Grade Report	8
Second Grade Report	17
Third Grade Report	20
Fourth Grade Report	24
Fifth Grade Report	27
D Shires Report	32
Poidevin Gray Report	39
The Country Tour	41
Inter-Varsity Report	45
Club Records	48
Partnership Records	50
Leading Run Scorers	52
Leading Wicket Takers	54
Leading Dismissals	55
Auditor's Report	56
Honorary Treasurer's Report	57
Statement of Assets and Liabilities	58
Statement of Income and Expenditure	59
Bank Reconciliation	60

The first part of the report
 deals with the general
 situation of the
 country and the
 progress of the
 work during the
 year. It is
 followed by a
 detailed account
 of the various
 projects and
 the results
 achieved. The
 report concludes
 with a summary
 of the work
 done and a
 list of the
 references.

The second part of the report
 deals with the specific
 details of the work done
 during the year. It is
 divided into several
 sections, each dealing
 with a different aspect
 of the work. The
 first section deals
 with the general
 situation of the
 country and the
 progress of the
 work during the
 year. It is
 followed by a
 detailed account
 of the various
 projects and
 the results
 achieved. The
 report concludes
 with a summary
 of the work
 done and a
 list of the
 references.

PAST OFFICE BEARERSPRESENT

Major Wilthew	1951-53	Mr. C.H. Barrington	1966-76
Prof. A.E. Alexander	1953-57	Mr. Y. Marshall	1976-77
Prof. E.B. Smyth	1957-61	Mr. A. Epstein	1977-79
Prof. H.J. Oliver	1961-63	Dr. J. Ingleson	1979-86
Prof. S.E. Livingstone	1963-64	Mr. D. Meagher	1986-
Dr. E. Watton	1964-66		

HONORARY SECRETARY

Mr. V. Turner	1951-53	Mr. M.J. Gosling	1965-66
Mr. J. Brooks	1953-54	Dr. P.J. Schofield	1966-67
Mr. C. Davis	1954	Mr. J.E. Pratley	1967-69
Dr. E.C. Watton	1954-55	Mr. J.R. Wegner	1969-72
Mr. B. Frawley	1955-56	Mr. J.P. Barford	1972-75
Mr. J.R. Beard	1956-58	Mr. R.P. Zabell	1976
Mr. R. Warroner	1958-59	Mr. G.F. Mullins	1976-77
Mr. M.J. Reidy	1959-60	Ms. J. Ratcliffe	1977-79
Mr. C.H. Barrington	1960-62	Mr. A.N. McMaster	1979-83
Mr. D. Lacey	1962-63	Mr. S. Campbell	1983-84
Mr. G.M. Garland	1963-65	Mr. L. Darwody	1984-

HONORARY TREASURER

Mr. R. Emerson	1954-56	Mr. D.W. Wills	1969-70
Mr. G. Wilton	1956-57	Mr. P.C. Emery	1970-71
Mr. W. Dwyer	1957-60	Mr. H.W. Hopkins	1971-74
Mr. J. Mok.Middleton	1960-61	Mr. R.W. Merrell	1974-79
Mr. J.T. Hall	1961-64	Mr. P.E. James	1979-80
Mr. J. Chegwyn	1964-66	Mr. M.T. Sample	1980-86
Mr. A. Conomos	1966-67	Mr. P. Jourdain	1986-
Mr. G.C. Cole	1967-69		

BLUES WINNERS

Mr. L.J. Lawrence	Mr. R. Warrenner	Mr. C. Chapman

JOHN ROGERS TROPHY - POIDVIN-GRAY PLAYER OF THE YEAR

1983-84	M. Hoy	1985-86	S. O'Brien
1984-85	L. Gray	1986-87	M. Back.

SHEFFIELD SHIELD REPRESENTATIVES

1977-78 G. Watson
1977- G. Lawson
1982-83 M. Ray

AUSTRALIAN REPRESENTATIVES

1979- G. Lawson

PRESIDENT'S REPORT

On any view, the 1986/87 season, being a vast improvement over last year, was a success. First Grade improved from twelfth position to fifth, missing out on a semi-final spot on percentages. All other teams, other than Seconds, improved their position on the Competition Table. Eighth place this year in the Club Championship is evidence of the overall improvement. Although not shown by results in the Poidevin-Gray Competition our victory in the Inter-Varsity Competition suggests that the strength of our undergraduates is improving. As these players develop next season the result should be a marked improvement especially in the Poidevin-Gray Competition.

In a review of the season during a Management Committee meeting it was suggested that the reasons for the Club's improvement were basically twofold. Firstly, First Grade performed nearer to its potential and, so often happens, the success of First Grade permeated right through the Club. The success of First Grade is due in no small measure to Henry Lawson. His leadership of the Club as First Grade Captain was outstanding. Practices were far more organised and, therefore, more beneficial to all who participated. It was gratifying to see Henry's enthusiasm, knowledge and hard work reflected in improved First Grade and overall Club performances.

The second reason was that the Club was well organised at the start of the year. A good level of organisation requires a hard working Committee and I can honestly say that most people on the Management Committee fulfilled their allotted tasks. Leon Darmady as Secretary, Elvin Robb as Team Secretary and Greg Holt, who almost single handedly organised a most successful Inter-Varsity Competition deserve special mention for their continued work for the Club. Greg Livingstone, who not only captained First Grade in Henry's absence also helped in the recruitment and coaching of undergraduates. The Club is fortunate to be well represented in both the Sydney Cricket Association and the New South Wales Cricket Association by Terry Buddin who was the inaugural Chairman of the Sydney Cricket Association and a delegate to the New South Wales Cricket Association.

My thanks to the University for such fine facilities for the Club. I cannot think of any other club in the Sydney competition which offers such good facilities. The wickets, especially the Village Green have been exemplary. The fact that the University and the Club were able to successfully hold a four day representative game on the Village Green brings credit to both the University and the Club. The Club is indeed fortunate to be able to provide facilities in the Sydney Grade Competition that are second to none.

Eighth position in the Club Championship should be viewed as a base from which to make a concerted effort to take out the flag. One ingredient required for any successful club is the recruitment of good players. I would like to express, on behalf of the Club, our thanks to Henry Lawson for his generosity concerning the Sporting Scholarship to first year University students. The benefits which the Club will obtain from such a Scholarship are immense. I hope next year we capitalise on the progress made during 1986/87.

DAVID MEAGHER

FIRST GRADE REPORT

The performance of First Grade this season was very heartening. Equal fourth on the competition table with 62 points was an achievement, all the players associated with the side this year could be very pleased with what a great disappointment it was that we missed the semi-finals by a few tenths of a point. The playing staff was virtually the same as the previous season with just the loss of Dave Meagher and the addition of Greg Holt and Michael Ryan. Only thirteen different players were used all season and that indicated everyone performed as a team and not just a couple of individuals carrying the rest. One disappointment was our form in the 50 over competition. Our results in the shortened form of the game have been very poor and will need some serious thought next season.

Greg Livingstone had another outstanding year with the bat. He was once again the leading run getter and averaged almost 50. This year he achieved his success at number three, not his accustomed opening spot. Over 600 runs again proved his class and gave us a stable No.3 for the first time in many seasons.

A major reason for Livo's success at No.3 was the success of our new opening partnership of Baker and Holt. Harold in his initial season of First Grade and batting out of his usual middle order spot, did a very good job for his team. Even though he may have been disappointed at not making some more big scores himself, his contribution to the opening partnership and the team was extremely valuable. His safe hands at short-leg saw him top the catching statistics, he also stopped many runs by use of the shins and other bodily parts. Unfortunately it looks as though we will be losing him to the East Albury Crows in the coming year. His combination with Jamie saw four half century opening stands but more importantly on almost every occasion they saw out at least the first thirty minutes play. As a result Livo rarely faced the opening bowlers at their peak.

Jamie made almost 500 runs and not always in a dour manner. His 71 off 76 balls against Parramatta was a key innings in a magnificent run chase for outright victory. It would be good to see him convert some of his long innings into hundreds. His leg-spinners began the season slowly but after mid-season hit the spot more regularly and finished with 25 wickets at 25 runs a piece which is very good wrist spinning, particularly on the flat Village Green. Jamie's cricket still has much improving to do but he has the ability and determination to make the representative selectors take more notice.

Our number four batsman at seasons end seemed very unlikely at seasons beginning. Tony Pratt made four fine 50's during the year and played superbly under pressure. His partnership with Livo against Wests salvaged pride and almost the two points. He batted No. 9 in that match. Pratty missed the first 3 games due to a bad back and his bowling never seemed to regain the zip of the previous year. However, he still took eleven valuable wickets including "five for" against Balmain. At times we had four seam bowlers and Pratty couldn't get a trundle. His all round ability will be very valuable to us next season (as will his dressing-room conversation).

Chris Chapman had a very successful if limited year. He played only 10 matches due to a "mystery virus" (Morgan reckoned it was only morning sickness) but made almost 400 runs in typical attacking style. His unbeaten hundred against Saints was a match winner and he struck the ball well in every innings he played. In his 10 games he was involved with eight partnerships of 50 or more and this tells the story of our middle order consistency. Chappo's bowling statistics belie his real lack of talent in this department!

Jungle had his most disappointing year with the bat since the Tarago U/16's. This did not stop him from making a significant team contribution though. His 16 wickets at 21 almost won him the bowling average, he also made two half centuries including a 131 partnership with Chappo against St. George. His round the wicket "off-spinners" and 25 yarder will forever remain folklore when old-timers gather to discuss UNSW cricket. I still consider him a batsman - I wish he would.

Jacky Jourdain began the season in fine form, making a significant contribution to our victory over Randwick. He finished the season with only 240 runs but made good efforts on occasion in the chase for quick runs. He was frequently disrupted in the batting order by the captain jumping in front of him at the last moment. A modest individual performance by Jack but a valuable team one. If only we could get Delg to field for him more often.

James Dixon had an interesting season. The now legendary groin strain restricted his early season appearances and form. Another type of strain didn't help either, but in true Dixon style he fought back with some excellent bowling performances in the second half of the season. Disco probably set a few new records for beating the bat along the way to his 18 wickets at 23. He certainly deserved more success than the numbers indicate. Floppy's batting this year was a cause for concern. Maybe the success of the upper order never saw him under pressure, which he usually responds to. Next year he will make runs (if only he would give up Rugby).

Dave Gallop had a very good season. His 29 wickets were the highest in First Grade at a very commendable average of 23.31. Morgan bowls one of the best last outswingers in Grade Cricket and frequently made early breakthroughs with it. He worked hard on all aspects of his game throughout the year. If he can add another couple of yards or so of pace and tighten up his control a bit more he will be state squad material. His career may be shortened however, if he continues to follow through on his head! Morg's fielding improved greatly during the season and he discovered a niche in the slips.

Michael Ryan was promoted to First Grade after the first couple of rounds as the left arm orthodox spinner. Chocks bowling performances would have disappointed himself but he took some very good catches and his attitude during matches and training was excellent. Hopefully the experience of this season will be highly beneficial to Chock in the coming year.

Which brings me to Michael Stanley Back. I read with interest Dave Meagher's comments in last year's annual report - quote "...a little older, more experienced and thankfully much calmer" unquote. I'd just like to endorse those statements although I'm not too sure about the latter. One thing is certain, Stan had an outstanding year behind the stumps. He set a new 1st Grade record (26/5) and generally performed with efficiency and

agility. The few chances he did miss were difficult ones and he took all the opportunities that you would expect. He certainly contributed to the bowlers performances by not giving batter's a second chance. Stan's keeping was probably in the top three in the competition, unfortunately his opportunities with the bat were limited. He was only dismissed twice all season and averaged 17. He would not bat No.11 in many other teams.

Orca played three games but with the preponderance of seam bowling and a very strong batting line-up meant he was getting little of either.

The overall view of the teams performance was just that - of a team (even the statistics back this up). Attendance at practice was excellent (as it should be for a 1st Grade team). The "youngsters" - Pratt, Gallop, Back worked hard at their games and reaped the rewards. Harold's improvement in technique and batting temperament was great to see. Livo and Chappo both showed that they are experienced and talented players. Jungle's bowling was an added bonus. Jamie's batting developed still further, while his bowling improved at seasons end and will improve even more next year. Jacky showed that good old fashioned G and D are still vital factors in anyones game. Disco proved he has got considerable skill with the ball.

The Village Green was a delight to play on. We not only bowled well on a good batting track but we chased targets successfully six times.

Two outright victories in succession were fine achievements on perfect batting wickets. (I can't ever remember two outrights in a row in our 1st Grade history).

My thanks to the effort put in all season by the lads and to Livo who captained in my absence. Also to Barry, Les and Peter Hickman for making the Village Green into one of, if not the best, grounds in Sydney. Thanks also to Slogger Boyce, Dave Lemon and the evergreen Jack Skiller who not only scored diligently and accurately but provided fine insight into our weekly performances. I would also like to publicly express my gratitude to my adorable and tolerant wife Julie who put in so much work to improve Pratty and Jungles afternoon tea and generally made 3.40 to 4.00pm Saturday more enjoyable.

The one overriding ingredient that made the season memorable was that we enjoyed our cricket greatly. A fine group! I was proud to be their captain.

HENRY.

P.S. Thanks also to Harold for editing the manuscript.

SUMMARY OF EACH ROUND

1. UNSW 170 & 3/58 BEAT RANDWICK 123

We won the toss and batted. At 5/66 and Mike Whitney in full cry things didn't look too swish but Jacky Jourdain played a gutsy 245 minute knock for 63 n.o. and we reached 170. Next week the track had a couple of damp spots and the early introduction of Robson into the attack proved decisive. His final analysis of 22-12-29-2 pleased some and shocked many. Gallop 3-30 and Lawson 4-48 did the rest and the final margin was 47. A first up win to start the season.

2. SUTHERLAND 230 LOST TO U.N.S.W. 5/233

Sutherland batted on a very flat Village Green wicket. We bowled very well to hold them to only 230. Gallop again bowled well for this 4/48, Jungle 3/19 off 17 and Henry 2/35 off 19 headed the bowling figures. Mick Back made four good dismissals behind the stumps. Chasing was never a problem with Baker (46) Livingstone (70) Robson (48) and Chapman (36) all contributing handily.

3. ST. GEORGE 7/288 DEC. LOST TO U.N.S.W. 5/289

The Village Green was once again heaven to bat on. We stuck to our task all day and it was only good slogging by the last Saints pair that lifted them from 7/233. Once again the total was not enough for the visitors. A solid start of 65 by Baker (21) and Holt (42) set us away. Then from 3 for 87 Robson and Chapman put on 131, Jungle making 63. Finally 60 in 39 minutes from Chapman and Lawson (including some very long balls) put the seal on a very good victory. Chappo finished with a magnificent 112 n.o. in 218 minutes. Chasing the large total against a much vaunted attack, certainly gave us much confidence for the rest of the season. Three games played for three victories was unprecedented for a first grade beginning.

4. U.N.S.W. 169 DREW WITH WAVERLEY 3/129

Never recovered after a bad first session, with only Jourdain (32) and Livingstone (24) getting starts in the middle order. Michael Back saved us at the death with 24 that ultimately enabled us to draw. Mick Ryan's initial 1st Grade innings saw him dropped 3 times before he had scored and was finally out hooking for 13. Wet weather and Morgan falling over (as usual) saved us 2 points and very lucky at that.

5. BALMAIN 9/241 DREW WITH U.N.S.W. 6/167

A great effort by the groundstaff allowed us to be one of the few games to start. Balmain were 5/100 but the wicket flattened out in the afternoon. Whereupon they blocked it out until 12.15 the following day. Pratt and Gallop stuck with it to take 5/70 and 3/47 respectively.

Rain early in our innings and a few quick wickets saw us struggle. Peter Jourdain looked best with 38 but got out just as he was getting on top of the bowling. Livingstone 57 n.o. and Gallop 27 n.o. played well to secure the draw and two more points.

6. U.N.S.W. 205 LOST TO SYDNEY UNI. 6/208

Undisciplined early batting on a helpful wicket failed to support Jamie Baker (47). Chris Chapman (batting physical, emotional and financial pressure) scored a gutsy 46 and Tony Pratt gave us the first real taste of his batting ability with 52 in 161 mins. at No.9. It was really enough on S.U. No.2. A couple of catches went down and an easy run out was given not out. Dave Gallop came back well after a poor opening spell and Chook Ryan took his initial first grade wicket.

Looking back this was probably where we missed the semis - fancy S.U. being our downfall.

7. PETERSHAM 265 LOST TO U.N.S.W. 8/267

Another good all round bowling and fielding performance on a delightful batting strip saw Petes make 8/265 on the first day and all out 265 very quickly on the second. Gallop 2/63, Dixon 2/39, Robson 2/31 and Baker 3/54 all did well. A good start by the openers followed by a short shutter in the middle saw us go from 1/88 to 4/92. Lawson (43 in 39 mins) and Jourdain (55) put on 68 then Dixon and Jourdain 69, put us back in it. Pratty made a solid 22n.o., again at No.9 (will the captain not learn?) and Chook a spritely 3 (off one ball) for victory with 6 overs remaining.

8. WESTS 7/365 BEAT U.N.S.W. 232

We won the toss and inserted and at 2 for 208 things weren't looking too rosy. Fortunately we rallied and limited them to 365! Definitely our worst bowling performance for many a year. Pratty (3/71) stuck to his task well. Although we did beat the bat on many an occasion we usually followed it with three half volleys. Greg Livingstone played his best ever innings for the club in difficult circumstances. (7/67 at one stage). He and Tony Pratt (still at no.9) put on 135 for the eight wicket and only a diabolical umpiring decision against Tony ended up costing us 2 points - we were bowled out with only 4.2 overs remaining of the last twenty.

9. BANKSTOWN 165 LOST TO U.N.S.W. 9/182

An honest, if not spectacular, bowling effort on a helpful deck only got the Townies to 165. Lawson 2/14 (another comeback?) Gallop 2/35 (a bit wayward) Baker 2/16, supported a decisive effort by James Dixon 16-2-33-4. We made hard work of the run chase before passing them six down. Jamie laid the foundation with an excellent team innings of 48 in 276 mins. Livo (25), Pratty (20), Disco (21) all made good contributions. 34 points at the end of round 9 saw us just out of the running but still in with a good chance.

10. PARRAMATTA 130 AND 6 DEC. 202 LOST OUTRIGHT TO U.N.S.W. 5 DEC. 145 AND 7/189.

Parramatta won the toss, batted and found themselves in the field by three o'clock. Fine bowling supported by good fielding including Harold's brilliant snare at short-leg to dismiss Wayne Seabrook gave us a real chance at ten points. The bowling honours were shared around. Gallop (3-26) Dixon (1-14), Pratt (1-9), Baker (1-7). Stan Back made three very good dismissals behind the stumps. We batted in a hurry to try and pass them by stumps. Harold made 75n.o. off 112 balls and was set for his maiden 1st class ton when we declared. Lawson 28 off 21

balls at the death ensured we passed them by 5.55pm. Parramatta batted until tea on the second day as we were unable to make the quick breakthroughs of the previous week. They left us with 189 to get in 34 overs. We started slowly but Jamie Baker proved he could really get on with the game by making a match winning 71 off 75 deliveries. Chappo made a swift 39 off 35 and Harold coming in at no.9 completed a fantastic outright win with 15 off 11 balls. All in all we made 189 in 150 mins off 32 overs.

The ten points slipped us into 5th position.

11. HAWKESBURY 89 AND 161 LOST OUTHRIGHT TO U.N.S.W. 1 DEC. 132 AND 4/121

The lads from Richmond had made over 300 the week before but came down to earth with a thud. Lawson (6-29) actually let a few go and the other bowlers chipped in. Stan Back made four dismissals. We passed them one down and that was a very "sus" LBW. Jamie (42n.o.), Harold (35) and Livo 52n.o. all played very well. By stumps on the first day Hawkesbury were two down in the second dig still thirty behind. Jamie took 4-64 off 24 the second day and Jungle polished the tail off with figures of 2.4-2-4-3. Mick Back completed his seventh dismissal for the match. This left us 120 to make in 39 overs which we did with 15 balls to spare. Jamie (18), Livo (27), Jungle (26) Pratty (21n.o.) and Henry (17 off 14 balls) all contributed. Another ten points leaped to 45, into 3rd spot.

12. U.N.S.W. 81 & 3/188 LOST TO CAMPRELLTOWN 157

The track played much worse than it looked (thats my story and I'm sticking to it!) Lawson (47) made sure we passed our lowest total ever in 1st Grade (just). At stumps they were 8/114 which just shows you how uneven the wicket was. Gallop (3/38) Lawson (2/44 off 23) and Baker (4/39) were the best. We couldn't make a quick break on the second day but did show them how well we can bat, easily making 3/188.

13. U.N.S.W. 5/297 DEC. DREW WITH PENRITH 2/209

A truly forgettable first day when rain washed out everyone else. A three hour wait and the umpires and opposing captain couldn't agree. After sending us in they had the hide to complain that we batted too long on day two. The 3.10 declaration was too early according to the rest of the team. Everyone batted well with Pratt (77), Livingstone (52), Robson 52n.o. (at last) and Chapman (40). We toiled hard in the afternoon but their two state players did well. Jim Dixon did particularly well with 2/15 the two points kept us in the semi-final race.

14. FAIRFIELD 8/248 DEC. LOST TO U.N.S.W. 8/252

We were forced to send them in on a flat Village Green (without Henry) to try and force the outright that would assure us a spot in the play-offs. The breakthrough was made early but then we were frustrated by a series of 'play and misses', mostly off Jim Dixon. Jamie bowled well as the afternoon progressed to take 3/60. Disco finished with 2/41 off 23. They declared overnight and we began the chase with confidence. An excellent partnership between Chris Chapman (56) and Tony Pratt (55) took us comfortably to tea. Despite a couple of hicups Lawson (24) and Robson (21n.o.) ensured our eighth win of the season.

62 points would put you in the semis easily over the past ten years (but not this time).

SUMMARY OF EACH ROUND

1. UNSW 170 (Jourdain 63*) & 3/58 b RANDWICK 123 (Lawson 4/38, Gallop 3/31)
2. SUTHERLAND 230 (Gallop 4/38, Robson 3/19) lost to UNSW 5/233 (Livingstone 70, Robson 48, Baker 46, Chapman 36)
3. ST. GEORGE 7/288 (Dixon 3/55) lost to UNSW 5/289 (Chapman 112*, Robson 63, Holt 42)
4. UNSW 169 (Jourdain 32, Livingstone 24, Back 24) drew WAVERLEY 3/129 (Robson 1/16)
5. BALMAIN 9/241 (Pratt 5/70, Gallop 3/47) drew UNSW 6/167 (Livingstone 57*, Jourdain 38, Gallop 27*)
6. UNSW 205 (Pratt 52, Baker 47, Chapman 46) lost to SYDNEY UNI 6/208 (Gallop 2/58)
7. PETERSHAM 265 (Baker 3/54, Robson 2/31) lost to UNSW 8/267 (Jourdain 55, Lawson 43, Dixon 37, Baker 36)
8. WESTS 7/365 dec (Pratt 3/71) b. UNSW 232 (Livingstone 119, Pratt 52)
9. BANKSTOWN 165 (Dixon 4/33, Lawson 2/14) lost to UNSW 9/182 (Baker 48, Dixon 21)
10. PARRAMATTA 130 (Gallop 3/26, Dixon 2/14) and 6 dec. 202 (Baker 3/88) lost outright to UNSW 5. dec. 145 (Holt 75*, Lawson) and 7/189 (Baker 71, Chapman 39)
11. HAWKESBURY 89 (Lawson 6/29) and 161 (Baker 4/64, Robson 3/4) lost outright to UNSW 1 dec. 132 (Holt 35, Baker 42*, Livingstone 52*) and 4/121 (Livingstone 27, Robson 26, Pratt 21*)
12. UNSW 81 (Lawson 47) and 3/188 (Livingstone 74*, Baker 50, Chapman 26*) lost to CAMPBELLTOWN 157 (BAKER 4/39, GALLOP 3/38)
13. UNSW 5/297 dec. (Pratt 77, Livingstone 54, Robson 52*, Chapman 40) drew with PENRITH 2/209 (Dixon 2/15)
14. FAIRFIELD 8/248 dec. (Baker 3/60, Dixon 2/41) lost to UNSW 8/252 (Chapman 56, Pratt 55)

SECOND GRADE REPORT

1986 was not a very good year, in anyone's terms, except perhaps for some of the teams we played.

I guess the year was begun in such the way of many games we played; snatching defeat out of the jaws of victory, notwithstanding a Vintage Jock Knock (including the distinctive topspin forehand to midwicket).

After a shortlived resurgence with a last minute win over Sutherland in which Michael Ryan contributed with a "white Roy Fredericks" knock and THAT arm ball, we slipped back into losing ways against St. George.

Despite some genuine highs, such as a dominating win over competition pace makers Bankstown where the whole team proved good pressure cricket is not beyond us, there were a depressing number of games in the tall fish story category ("the one that got away") and others which served as perfect demonstrations of that great(bureaucratic) truth, "Murphy's Law".

However, as General Custer is reputed to have cried "something good is bound to come of all this". Indeed, the rise to fame and misfortune of Adrian White as a left arm intellectual of the future gave great cause for optimism. Steve DeBello, successor in title to Orca's "worlds best net bowler" tag showed enough to suggest he is a performer with plenty of ability so long as he can learn to play those slashing square drives to the low, RIGHT hand side of left handed gully fieldsmen. Also, "Lenny" Godber, noted humourist and opening bat showed himself to be a source of real stability in the top order which was lacking in many of our games. And once Glen "Refrigerator" Eades learns that life doesn't end at 50 the sooner we should have a batsman able to average 40 or so over the season and not a creditable, but disappointing 26.

The biggest disappointment for everyone, I would say, through the season and especially the latter part of it, was our real desire to win reflected in our commitment in the field and our concentration while batting. Far too many simple catches went down or possible catches weren't even attempted to give us the edge of rolling sides for 150 or less on a regular basis which should have been the case. Again, with batting we often showed a lack of discipline right down the order to accumulate large scores. Many a time we would lose three quick wickets before or straight after a break. We did far more to resuscitate flagging opposition fielding efforts by handing them gift wickets than is even usual for a contemporary Australian batting lineup.

What then of the coming seasons. Well, all is certainly not lost, or even missing presumed retired, as the personnel available are capable of matching any of the other teams in Sydney Second Grade. I guess a captain who can direct more attention to the team aspects of the game such as fielding and practice will be a first step and more commitment from the players concerned to the job at hand both on Saturdays and at practice. With some players missing last season from the successful 1985/86 2nd Grade side it might be said that last year we lacked player strength which is not easily replaced. But I don't think this was really the case and I don't think 1987/88 will be as frustrating a season for us because of the obvious desire of all the players involved to play to the best of their ability.

Wishing everyone in the meantime a safe winter and we should all, once again, rendezvous at the Village Green for further Saturday afternoon follies around August.

MARK HAMMOOD

THIRD GRADE REPORT 1986/87

This season revealed a third grade side that was far more competitive than last year. A number of factors contributed to our improvement, including:-

- * A willingness from top-order batsmen to build an innings
- * The ability to capture early wickets and maintain pressure on our opponents.
- * Better commitment to weekly training sessions from most players.

Whilst last season's statistics told the story of our poor performance, this year produced some notable achievements. Highlights were as follows:

- * Elvin's 106 Vs. Western Suburbs and 93n.o. Vs Sydney University. These innings contributed to Elvin's third grade batting (average) record of 48.50 per innings.
- * Mick's century (106) against Campbelltown was a sheer delight.
- * Dave Meagher's innings against Western Suburbs (74) and Fairfield (60) were breath-taking!
- * Rookie's consistent performances with the bat, culminated in two fine knocks against Fairfield.
- * Clem's great 'ball' skills were rewarded by capturing 28 wickets during the season, including a ten wicket haul in the Fairfield match.
- * Steve's determination against Western Suburbs produced 4-82 on a batting paradise.

The efforts of 'new-comers' Brian Cooper, Rob Michie and John Abbott are worthy of special mention. Brian proved to be a tidy keeper and punishing lower order batsman. The Rookie is definitely a stroke maker and doubles as a useful medium pace bowler. John, until injured, showed that he is a batsman with potential and demonstrated excellent fielding skills. It was very pleasing to have some 'fresh talent' in the team this season.

Turning to the team's results, we were well positioned at the Christmas break, having first innings wins against Randwick, Waverley, Petersham and Western Suburbs. However, we surrendered our next three matches to Bankstown, Parramatta and Hawkesbury. This run of losses was to prove extremely damaging when the final points table emerged. We finished one win out of the final four due to a sound win over Campbelltown and an excellent outright victory against Fairfield in the last competition round. The pleasing aspect to me was that the team rallied after losing three on the trot and demonstrated that we will be a competitive force in 1987-88.

My congratulations to first, fifth and 'D' Shires players on their performances throughout the season. Thanks to those club members who assisted with administration duties during the season. In particular, I would like to acknowledge the efforts of Elvin Robb, Greg Livingstone and 'Henry'.

Looking forward to seeing you all at the Village Green in August and an enjoyable 1987-88 season.

FOURTH GRADE REPORT 1986-87

Geoff Lawson was kind enough to point out while administering the Cold Golds at the Annual Dinner, that Fourth Grade went from certain semi-finalists at Christmas to relegation candidates at the end of the season. In fact, at the half way stage in mid-December, the record stood at one loss and four wins from seven matches; however, the one and six record from that stage on saw the side relegated to fourteenth position at season's end.

It should be said, of course, that early season opponents met us at our strongest and most enthusiastic. How for instance could Randwick (and their supporters) be expected to withstand the combined onslaught of Robbie Stark quoting Donne and Lee Ashdown's shorts? No contest, even with only 158 on the board.

Round two was probably the team's best performance. After sending Sutherland in and rolling them for 217, we passed their score six down and inflicted the eventual premiers' only defeat of the season. When this was followed by a close win over St. George on a dubious pitch at Cahill, the team was running equal first without a care.

The Waverley match was drawn with Uni in a good position for a win but rain meant no play on the second day. This game saw the best individual batting display of the year when Rookie hit 102 not out in even time, and in company with Greg Chappel's hatter (Jimmy Wilcher) took the side from 7/40 to 8/142 and eventually a respectable 210 all out.

A close loss to Sydney University was followed by a narrow win in the one day over Peteršham. From there on it was one way traffic in the other direction with the only respite being a scratchy win over Hawkesbury somewhere in Western NSW. Greg Robinson proved in this match, that if you bowl long enough you'll eventually get them run out.

So what went wrong? This proved to a lively topic and was much discussed, particularly as the losses continued. Jimmy Wilcher's assertion in Round 3 that the Fourth XI was the worst fielding side of all time was a bit extreme, especially in view of some of the abysmal fielding which took place in later matches.

Certainly the poor catching made it hard for the bowling to shine; however, too often they had a paltry score to defend and it is in this area that I would like to see most improvement. The statistics show that Uni averaged only 17.34 runs per wicket throughout the season and that on only 11 occasions did individuals pass 50 runs (Rookie's 102 not out and Nick Prattent's 93 were the only scores over 70). Not being able to occupy the crease for 100 overs proved costly and is demonstrated clearly by our three outright losses in the second half of the season.

As has been noted in the past, the performance of lower grade sides will often reflect the degree of players turnover throughout the season. This year 39 players participated in the 13 matches while only seven players took part in more than half of these games. This massive turnover did wonders for my phone bill but also heightened my appreciation of the Team Secretary's efforts. Thanks to Elvin and the lower grade skippers for their help in putting teams on fields and to Leon and the Committee for the general organisation and encouragement and, most important, to the players for being there.

FIFTH GRADE REPORT

We had a fine season which culminated in reaching the semi-finals for the first time in a number of seasons.

In addition to the tremendous spirit and enthusiasm which developed throughout the season, the other significant aspect of the team's success was the performance of our bowlers and the support they were given in the field. In fact, only 4 teams managed to score in excess of 200 runs and only one of these exceeded 240. Unfortunately, our batting never quite achieved the same consistency.

Whilst all players contributed to the success of the team, two players, in particular, had memorable seasons - Mike Gregg and Wally Reynolds. Mike ended the season with 41 wickets and a new Club Fifth Grade Record. As the figures suggest, Mike bowled superbly and fully deserved his success.

Wally had a good season with both bat and ball. He was the leading scorer with 263 runs at an average of 37.5 and the second leading wicket taker with 22 wickets. Wally also finished high up in the story telling stakes as well as completing Boyer's "The History of Mathematics" during slow periods of play.

Other regular team members during the season were:

- Ian Murray enjoyed a consistent season and was the team's second highest run scorer. Rocket also set the standard with his fielding efforts.
- Alex Taylor in addition to a number of useful contributions with the bat, Alex took a vital wicket in the final game against Fairfield - possibly his first wicket in Grade Cricket.
- Soji Nathan did a good job at the top of the order. Soji is perhaps one of few players to be caught by the other bowler and on another occasion at mid-on, only to be given the benefit of the doubt on both occasions. Soji was less compassionate when umpiring himself - if the ball hit the skipper on the pads there was no point in waiting for the decision.
- Andrew Szabo played the innings of the season against Hawkesbury with a blazing 106 n.o. in a team total of 200.
- Craig Michie a "rookie" in the team who revealed promise with bat, ball and stories. Craig also made a vital contribution with his catching in the slips.
- Matt Boyer a player of tremendous potential. It is difficult to be anything but impressed by Matt's batting and in particular, his superb timing.
- Michael Kovacs like Matt, a player destined for higher grades next season. Eleven catches and four stumpings in only 4 games is indicative of Michael's keeping skills. Michael also played two fine innings against Campbelltown and Fairfield.

Leigh Gray add pace and penetration to our bowling and considerable depth to the batting line up. Leigh had a great game against Penrith which maintained our drive to the semi-finals.

Craig McIntosh a tremendous team player who can always be relied upon to give 100% either batting, bowling or fielding. Craig's left arm spinners added variety to the bowling attack.

Tony Vero sometimes won the toss, occasionally took a wicket, fixed the batting order, gave the ball to Mike Gregg and decided who to bowl from the other end.

It would be remiss not to acknowledge the fine efforts of a number of players who contributed to our early season success before receiving well deserved promotions: Peter Warrington, John Martin, David Thew and John Joyce.

D - SHIRES 1986 - 1987 SEASON REPORT

The 1986/7 season was a most enjoyable and successful one for all involved with the University's Sixth side, which participated in the D Shires Competition. On the field we narrowly missed the semi-finals on a countback of percentages for fourth place and on form would have been favourites to win the comp had we qualified. Some compensation was gained by being undefeated in winning the one day competition. Also pleasing was the constantly high morale of the side and the role many 'ex' sixth graders played in the good grade performance of the club.

The club's sixth team has a vital role to play, in that most players are introduced to the club through this side and made to earn a grade position with 'on the park' performances - this should not be underestimated. It is important that players in this side are made to feel they are part of the club - the Puma Points competition made a significant advance in this area. The concept of competition between all sides in the club should be maintained and encouraged.

From Round 3 onwards the side consisted almost exclusively of players in their first season with the club - and the team performances indicate that many of these players will be playing grade next season. The success of the team was mainly attributable to the high levels of keenness and desire to win, and I thank all the players for this as captaining a winning side is always a pleasure. Thanks also to all club members who took an interest in Sixth Grade players and performances - in particular Elvin Robb, Leon Darmody and Greg Livingstone - as it certainly had a positive effect on team morale.

Below are some Sixth Grade players I expect will serve the club well in grade sides this season.

Stephen Bell - A quality cricketer whose experience had a positive influence on all players in the side. Left-arm orthodox bowling and aggressive batting always came in handy.

Peter Bush - A stylish bat who should have scored more runs and played higher grades. Tight medium pace bowling and excellent fielding are a bonus.

Matt Hows - Capable of bowling quite quick and produces the odd unplayable. A safe fieldsman and a good team player.

David Hughes - Always got the team off to a good start with the bat and didn't miss much behind the stumps - scoring almost 400 runs and smashing the club wicket-keeping record. Will make a valuable contribution in higher grades next season - a good competitor.

Jack Hughes - Dynamic opening bat and cover fieldsman. Should also perform well in higher grades.

Dave Joseph - Aggressive middle-order batsman and an excellent timer of the ball. Played some very good innings at vital times this season.

Alan Middlemis - Bowls tight outswingers and is capable of the odd devastating spell. Solid fieldsman.

Gareth Morgan - Steady middle-order batsman. Has a good temperament and attitude to cricket.

John Warrington - Outspoken medium pace bowler and a slogging batsman. Played a significant role in the side's success. Every team needs a competitor like John.

D SHIRES MATCH REPORTS

ROUND 1 AUBURN 158 & 2/110 Lost to UNSW 4(dec)/167

A convincing start to the season. Al McAllum and Craig McIntosh 3/38 take the bowling honours. Craig Somers smashes a quick 70 and Martin Boland a solid 37*.

ROUND 2 WARRINGAH (2) 101 & 93 lost outright to UNSW 3(dec) 112 & 2/84.

A great outright win makes us joint leaders. Al McAl 3/28 and Mike Gregg 2/5 set the tone for the match. Alex Taylor (45*) and Martin Boland (35) put on quick runs to create an outright chance. Another good bowling and fielding display (Dave Bell 3/18, Craig Mac 2/18, Mike Gregg 2/18) leaves 80 needed from 16 overs. Pete Bush (20*) and Dave Bell (27*) score 50 off 25 balls to leave a surplus of 5 overs. A great result.

ROUND 3 EPPING (1) 204 & 2/49 beat UNSW 136

A 70 run 9th wicket partnership by Epping following a rain stoppage probably cost us the game, all bowlers contribute with Mike Gregg 3/23 the pick. Chasing a moderate total only Dave Hughes (36*) and Andrew Szabo (29) seem interested in a win.

ROUND 4 WARRINGAH (1) 8(DEC)/225 beat UNSW 202

Again the tailender's belt us around the park, with bad bowling and fielding both contributing. Dave Bell 3/33 Gary Metters 2/27 and Wally Reynolds out of luck. Difficult batting on a wet track with only Dave (51) and Wally Reynolds (42) sticking around.

ROUND 5 washed out - Draw Vs EPPING(2)

ROUND 6 UNSW 121 & 4(dec) 193 Lost to EPPING (3) 4(dec)/137 & 7/117

Our lowest point of the year, Alex Taylor (23) and Dave Hughes (20) shine in total collapse in the first knock. Poor bowling and fielding see Epping easily pass our total (Dave Bell 3/35). Bill McKay (75*), Dave Hughes (35) and Dave Joseph (29) do it right the second time. A better bowling and fielding effort sees us unlucky to miss outright points. Dave Bell 4/41, and Alex Taylor shows a pointer to the future with his bowling.

ROUND 7 PENNANT HILL 136 lost to UNSW 7/138

The 2+ hours fielding training as we waited for Little Athletics to finish paid off with good performances from here on. Sam Guirguis and Dave Bell got 3/23. Graham Durrante (37) and Dave Hughes (22) steer us to a comfortable victory.

ROUND 8 UNSW 8(dec)/257 beat CANTERBURY 112 & 2/93.

With only 7 players at 11.00am Saturday morning, things were not looking too promising. After Steve Bell (69) Laughlin Taylor (59) and Jason Ross (55*) smash Canterbury all over the park, they looked a lot better. Peter Warrington drops in the second week to take a bat-trick and complete a convincing victory.

ROUND 9 LANE COVE 109 & 5/85 lost to UNSW 7(dec)/142

Fielding another team of new faces, the charge continues. John Warrington 4/17 is the pick of the bowlers. Dave Hughes (53), Matt Boyer (24*) and Mick Phillips (24*) make short order of the chase.

ROUND 10 WENTWORTHVILLE 259 & 0/7 beat UNSW 96 & 178

A horrid performance against a weaker side - the first point of blame for missing the semis. Steve Bell 5/65 is the only bowler to cope with the dropped catches and poor fielding - too bad DP South doesn't have Little Athletics. Jack Hughes (44) Sam Guirguis (41) and Steve Bell (43*) salvage something from the mess. Wenty need 16 off one over for an outright - but miss out.

ROUND 11 UNSW 148 & 4 (dec)/91 beat BURWOOD 133 & 3/105

Steve Bell (56) and Dave Joseph (35) avert an absolute disaster - but with Burwood 2/80 at the end of day one, rain appeared the only chance to keep us in the semi-final race. A superb display at pressure in the field and taking chances see Burwood 15 short after facing 85 overs - Steve (5/37) and Dave Bell (3/38). A generous declaration (Gareth Morgan 32*) leaves Burwood needing 107 off 23 overs - they miss by 2 runs.

ROUND 12 UNSW 297 & 3/88 beat SYDNEY UNI 224

A great win against the traditional rivals, who were undefeated and went on to win the comp. Dave (43) and Jack Hughes (76) get us off to a record breaking start (93 run opening partnership). Steve Bell (71) and Dave Joseph (30) again combine to put on big runs. A dynamic spell of 6/21 by Alan Middlemis completely destroys Sydney's batting.

ROUND 13 LINDFIELD 176 & 4/85 Lost to UNSW 7(dec)/192

An outright win is needed to assure a semi spot. With Lindfield 6/67 the opportunity was there - but we are unable to capitalise. Dave Hughes (28) and John Warrington (52) gets us to 1/90, then we slump to 7/118. Gareth Morgan (51*) steers us to a win - a check of the Monday Herald shows it was all in vain, we miss the semis on percentage.

ONE DAY COMPETITION

ROUND 1 UNSW 8 (dec)/180 beat BURWOOD 9/89

A vintage knock of 77 by Dave Joseph is a real treat - Steve Bell (37) and Dave Hughes (28) play the minor roles. John Warrington 3/12 and Steve Bell 2/16 coasts us home.

ROUND 2 UNSW 106 beat LANE COVE 97

Some fast talking ensures that sanity does not prevail and play commences on Tantallon Swamp. Jack Hughes (30 laps) takes to it like a duck (plenty of them as well). Good pressure in the field with Matt Howe 3/12 the pick of the 'bowlers'. John Warrington takes the catch of the year.

ROUND 3 UNSW 5(dec)/141 beat BAULKHAM HILLS 80

Again fast talking is needed and we play on Little Bay Aussie Rules Field - with some very long boundaries. Peter Bush (52*) and Dave Bell (33*) lift the run rate. Brian Cooper finally fights his way into Sixth Grade and celebrates with 2/11.

FINAL UNSW 127 beat CANTERBURY 105

Dave (40) and Jack Hughes (25) provide a good start and at 1/80 a sizeable total seemed in order - not the case at 9/101. Dave Bell (26*) leaves us with a total which is at best competitive. With Canterbury 4/90 and only needing 3 runs an over, a sensation is needed. 'Johnnie Walker Player of the Final' Peter Bush accommodates with 5/20. Celebration continue at the Narree Hotel - a fitting end to an enjoyable year of cricket.

POIDEVIN GRAY REPORT

When contemplating the report for the 1986-87 Poidevin Gray season, one is immediately faced by memories that had been desired to be forgotten. UNSW played four games and lost four with a fifth game washed out. This however does not necessarily reflect the standard of under 21 cricket, the club contains but unfortunately it does reflect the under 21 interest in this competition (with the four to five consistent players excused.)

Unfortunately the games not only lie during university holidays but also on every conceivable public holiday during December and January. Thus country players and holiday makers find no encouragement to be available. Indeed from the first game against Gordon, five players did not play again in the competition. On two occasions the side played with only ten players due to misunderstandings - indeed an embarrassing situation. Most opposition teams had a manager and a squad of players, whilst the UNSW captain needed to introduce himself to his players before each game!

Before dismissing the above problems as related to being a 'University Club' it should be pointed out that Sydney University made this season's final. Also constant reminders from club members of PG folklore with Jungle latecutting UNSW to victory in 1976 and Disco's exploits in 1981, makes the whole situation unacceptable.

The problem is one to be faced at a committee level with an appointment of an efficient manager and selection of a squad, as the captain suggested, in early November (and not as happened this season when the team was eventually decided in a phone hook up between the Whitehorse Hotel and the Village Green the night before the first game.) The Teams Secretary Pelvis Robb, did marvellously in organising the side but his problems were compounded by individual players not stating their availability and neglecting to look at the noticeboard for selections. Thus without whinging any further, the problem requires correction and involves both committee and players attitudes.

On a brighter note, during each game all players showed enthusiasm despite the predicaments that were often faced. The lower graders, many of whom were given extremely short notice of playing, should be commended, especially Jason Ross and David Hughes who demonstrated later in the Grade season with good performances, the experience they learnt during P.G.

Highlights included:

- * Bowling: Dough Ashdown 4/40
Aids White 4/33
Red Rookie Mitchie 3/119
Windscreens O'Brien 3/74

- * Batting: Stan Back 40* 39, 55
Doug Pratt 47*
Dan Groper 35

* Stories:

i) Easily the North Sydney games is the most memorable. The UNSW Captain sent Norths in, but on a wet North Sydney Oval pitch. After immediate success in the first over and subsequent gloating with sledging of the next two batsmen. Norths then proceeded to add 230 for the next wicket. By the innings completion Norths had 4/366 from 60 overs, including 63 runs in the final 15 minutes of the innings. Their opener, a bespectacled Fifth grader and school boy, scored 200 not out which was assisted by a six off the last ball of the innings. The delivery, a short pitched ball down leg side was explained by the bowler, who will remain nameless, (clue: he has red hair and a brother in the club) as being required because "the batsmen charged me." Needless to say the ball was hooked into the Bob stand at deep fine leg off the back foot. If that wasn't enough we then collapsed to be 6/77. The Captain and Larry Boyer then decided to block out the remainder of the innings so as to make the score respectable, and in achieving a score of 180 by the 60th over they angered the Norths players who challenged them repeatedly to go for the target. So angered were they, that despite winning by 200 runs they refused to drink with the UNSW players afterwards and promptly left the bar when we entered! Who said only wicket keepers were Psychos !

ii) Another story was against Mosman in which we were totally outplayed by the eventual PG Premiers. With only 120 runs to protect we decided to go down fighting and inspired by Doug Ashdowns repeated sledging of a Mosman batsman, who was not only a fellow pommy but also without us knowing, a pretty lethal bowler of short pitched deliveries, things went overboard. We had to bat again to avoid an outright defeat and to our surprise the Pommy batsman was brought on to bowl after five overs. He then bowled eleven overs straight of quality bouncers picking up four wickets and many wounded in action.

iii) Individual Performances

- * Craig Mitchies sleepless dash from Coonabarabin to Mosman Oval.
- * Soji Nathan's outdoing Jacky Jourdain for the worst jokes ever told whilst fielding in slips.
- * John Abbott's edge to first slip and on being dropped, David Hughes tried for a quick single and subsequently was run out by half the pitch.
- * Pat Crammond's fine performance as demon opening bowler against Manly.
- * The whole team for abstaining from alcohol, Country Tours etc. for the New Years Day match against Northern Districts finding it then washed out!

Finally thanks to Elvin, Leon and Ugly Dave for their support and lets hope for more interest from all club members in 1987/88 to make PG comparable to the overall club success.

MICHAEL BACK

COUNTRY TOUR REPORT

Jamie's victory speech after the Inter-Varsity was a great prelude to the 1986/87 Country Tour. Many a seasoned "tourist" geared up again for what promised to be a very enjoyable trip. Some notable exceptions were "Jungle" (getting too old) and Clayton Jones (drinking Guinness in Ireland).

The golf courses we planned to visit lured Peachie and Punk Dixon out of retirement, Floater was practicing his slice (no need) and Jimmy was positively drooling. A glance at the itinerary, and one might obtain the impression that the tour was for golf. This may be explained by the identity of the chief organiser of the trip, Jimmy Wiltshire.

Enormous Pales made a comeback from park cricket to run the book for Bunry League golf and to be hit onto the road at Orange many a time. Paddy Gratten-Smith and Michelle turned up for the first day where the locals didn't appreciate how good a bowler he is. Wally was looking forward to the Dubbo B & S, perhaps hoping to find his glasses.

With much anticipation we set off over the mountains. Our first day saw over 20 golfers arrive at the ground waiting for the game to start before nicking off for a pitch and a putt. Eleven of us were persuaded to don the creams where, as usual for a country tour, we won the toss and batted. Jimmy described the pitch as a typical *Cynodon transvaalensis* wicket (S.African couch), obviously influencing his decision.

Jamie decided he was going to practice the hook shot till he got out and succeeded after being dropped twice by Hazeem Hafeez on the fine leg boundary.

Orca made a very auspicious start to the tour. His first ball was a full toss outside the off stump which he tried to smash, leaving his crease. The wicket keeper fumbled the ball, it rebounding into the stumps. Orca's description on reaching the "dressing room" was "very average cricket, all round".

Zsabs and Harold provided the highlight of the match. Harold pushing one through the covers for what seemed an easy single, he called yes and upon reaching the midpoint of the pitch realised Zsabs hadn't moved. The drama proceeded thus; Harold: - "come on", Zsabs: - no reply, Harold then muttered something to do with sexual intercourse, the antitheses of Heaven and Andrew's surname that could be heard at the golf course where Peachie was murdering another drive. A dot in the score book resulted the penultimate irony, (the final irony comes at Forbes), Zsabs ran himself out attempting a quick single.

We ended up with a modest 180 odd and they scored 180 odd + 1 for eight down. One of the vagaries of Country Tour Cricket is the local rules. Punk took a catch then walked on the dog track which was not only not out but six.

We then retired to the local pub for much needed refreshment and a chat with the locals.

That night saw the tour descend on Bathurst. Latho (Harold's mate) borrowed \$70 after losing his wallet and drank it all.

P.S. J.W's captaincy was interesting.

THE ORANGE MATCH

The next day we drove to Orange for a return match with Orange CYMS and a return bout with Kelly's Rugby Hotel. We said goodbye to Paddy and Michelle, Clem travelled home to Cowra to prepare for his B & S a few days hence.

Chook was appointed captain of a side that included the three Dixon brothers and Big Enormous Pales. Harold decided he was going to open the bowling after Wally's effort last year. One over, four short short balls and an analysis of 1-0-16-0 Harold resigned from the attack. Disco bowled well with almost everybody else getting belted. Enormous Pales had a theme song "on the road again" and he wasn't the only one.

Two quotes from captain Chook while fielding: - "didn't know touring captain was so hard. We've dropped 6 catches and missed run outs all in the first hour", "Donnie if you don't pick up your fielding, you off", Punk responded by dropping the catch that came his way off the next ball.

They scored 236-7 and then provided an excellent luncheon. Well done Orange CYMS. We responded with 50 from Punk, Jimmy 39 and Jamie 36 n.o. Chook finished off the match in style 4, dot, 6 with UNSW winning by four wickets. After the match we raced to Kelly's Rugby Hotel for the start of a legendary night in Country Tour history.

KELLY'S RUGBY HOTEL AND KATE'S PLACE.

Kelly's Rugby Hotel has a drop of Toohy's Hunter Old that has been described as mothers milk. The touring party decided to state a thirst that had been building up since last year. Enormous Pales framed the market for the next days golf after much haggling over handicaps. This procedure induced an increase in the (rate of) consumption of alcohol. Eventually, of course, things started happening. Jimmy lost his pants with the elderly ladies on the other side of the bar showing them off. Nobody was able to provide an explanation.

At closing time Peachie emerged carrying five cartons of beer and we travelled to Kate's place a few blocks away for a barbecue in various states of intoxication. Kate put on a splendid effort to entertain the troops, good food and interesting company. Jack met up with a girl who knew his brother Larry. Floater, Zsabs and Peachie drank port and smoked cigars with Kate's folks. We all met Kate's brother, no more comment.

Zsabs kept everybody entertained reading a book about bastards, Wally had a delightful young lady massage his back which prompted some wit to comment Wally Masur. People started flaking at about 2am. Harold had a safety net but stayed on the wire. All up about 20 people slept in Kate's lounge room that night.

Chook deserves special mention. He took 3 for during the game and 1 for at about 4am and had more spectators for his later effort. Perhaps he should have nominated himself for the Bar-turn.

P.S. Harold has an interesting story about the safety net.

DUNTRY LEAGUE

The following day the troops woke up in various parts of the town. Gallo hitched and bussed his way down from Maclean to find Peachie spread eagled on his bed with the hotel room door open, naked. (Don't think about it too long). Gallo's story deserves retelling but the author's writing skills are not up to Gallo's story telling skills.

Duntry League is a magnificent course and they deserve special praise for a \$2 green fee for university students. Jimmy won off the stick with 79 and after consultation the handicap winners name has been forgotten. Nevertheless, the clever money won (the bookmakers). Wally won the Bradman award with 117 off the stick.

There are approximately 7.2×10^5 (trees) on Duntry League and Jack managed to hit, by some estimates, 10% of them. A mighty effort. Disco had a run on the back nine that progressed as follows - par, par, par, quadruple bogey, birdie and septuple bogey (very consistent). Finally, Chook coined a memorable term "Slashwit".

FORBES

After lunch we travelled to Forbes via Cudal Olympic Pool. The Forbes golf club was the first port of call. A useful hint for future tourists is to never play golf for beers against Disco. Jimmy and Harold were given a hiding on the pool table by a local with one eye. Rocket exhibited a knack for visiting places nobody has ever heard of by spending the afternoon at the Forbes wineries.

Back at the Victoria Hotel we meet the locals who were very keen on the game the following day. This enthusiasm brought about something very on country tours. The heavies decided that we had better put on a good show the next day and had a selection meeting. That night after the pub had shut Gallo tried to catch up on lost touring time. The publican was less than amused, perhaps due to the heat and strange smell in the rooms.

The next day the temperature didn't fall below 38° , the pool didn't open till 11.00am and the publican still wasn't in a good mood. The player comfort level was at an all-time low for the match against the Forbes eleven or twelve. Enthusiasm had a higher rating than ability on the day and Forbes managed 174. The twelfth man, George (team scorer), came out to bat, facing Marty (I know, its about time for a Marty story). Following instructions not to put the ball on the stumps, Marty bowled George. George thought the ball swung around his legs which made Marty feel even worse. Jimmy asked George what he did for a job while they were scoring our innings. His replay "voluntary work at the Indoor Cricket Centre".

Zsabs and Harold had one more go, this time opening the batting. The locals knew one of them was a 1st grade opener, but couldn't pick which one. Zsabs ended up with 73 and we won. Marty tried to get out to George (trying to ease his conscience). A series of dropped catches and Marty's green shorts had everybody in stitches. After the match we drank it out with the locals.

DUBBO

A dwindling tour arrived in Dubbo to find the Slasher had broken his finger swinging off a tree. The match against Dubbo had few memorable moments although Wally was hit for 23 off one over and fielded at deep depression for a while. Sandy brought the match to life by stopping a four with his cuds while fielding in close to Jamie. They scored 180 and we passed them 9 down. Sandy recovered to score and Jimmy hit 50. As usual Disco bowled well and Dave Quinlan was taken off for being too economical.

The Dubbo B+S beckoned and the boys were toey. Everybody except Jack and Rocket dressed up in their Sunday best. They drank it out in town. Disco borrowed Zsabs Dinner suit and got away with it. This years effort was a much more civilised affair with less people in attendance, obtaining a refreshment was not a traumatic experience. Floater and Wally exercised the drink as many as you can in an hour option. Harold exercised the chat up as many females as you can (option) knowing the safety net was around. Rookie exercised the don't chat up my girlfriend option. By the end of the night everybody had done the best with Jimmy and Jamie doing more than just groping.

Harold was guilty of some very ugly groping late in the evening and then found the safety net had found someone else. He decided to walk 3 kilometers to the hotel, having trouble keeping a straight line in the rain. Some of the locals felt sorry for him and gave him a lift.

P.S. Wally didn't find his glasses.

MUDGEES

Most of the remaining tourists travelled to Mudgee the next morning. Sandy was in unbelievably good humour that morning after almost everybody missed breakfast. Jamie was looking for Jack to perform the same function he performed last year.

After a little car trouble the Mudgee layout was descended upon. Much to our delight the course was vacant due to a little rain. Jimmy describes the Mudgee course as the best golf course west of the divide with the three best finishing holes in the world. Many a memorable shot was played including Wally's tree wedge at the 17th, Jamie's "Get that up you" tee shot on the 18th. Rookie and Floater fought it out as to who had the biggest slice. Wally learnt never to play golf with anybody for beers. That afternoon we saw ourselves on T.V. in the match against Dubbo before a very welcome long nights sleep. A washout of the match against Mudgee saw 18 more holes and lunch before we departed to return home. Marty started on his holiday and James was wondering how long it was before he could get back to Orange.

The full tourists for this year were: Jimmy, James, Wally, Disco, Peachie, Jack and Harold. We all hope to see Harold on the next Country Tour. The list of partial tourists follow:

Rocket, Clem, Paddy and Michelle, Punk, Springer, Rookie, Sandy, Latho, Chook, Orca, Slasher, Zsabs, Floater, Gallo, Marty, Enormous Pales and Kate.

All of these people would recommend a Country Tour to all the cricketers in the club who haven't toured as yet.

See you next tour.

M. BENNETT.

INTER-VARSITY REPORT 1986

The Sydney Morning Herald sports results on the 12th of December 1986 told the story - "UNSW Inter-Varsity Champions 1986". Although the words undisputed, unrelenting and brilliant were missing it was a satisfying way to wake up and shake off a hangover.

The week actually kicked off on Sunday night 7th December when 8 cricket sides from all around Australia converged on UNSW for the first IV cricket carnival for some 5 years. After a few welcome drinks and a BBQ, the boys were shocked to find out they would be staying in a non-alcoholic college, this signalled regular adjunments to Sydney's finest, the Regent Hotel (Kingsford). Many a sick cricketer emerged from that fine establishment late Sunday night only to realise they had to play cricket the next morning.

Back at UNSW the final touches were being made to the host side with Captain James Baker trying to work out questions like - who will actually be in the side? and have we got that many undergraduates in the club? Answers came at approx. 9.55am Monday morning when Big Clem failed to turn up and Johnny Martin, that demon fast bowling machine was told he would be taking the new ball.

Game one was against Adelaide at DP South and was an absolute thriller. UNSW batted on a typical green and pacey wicket making a standard start to be 5 for 34 after only 30 minutes of play. Adelaide thinking they had removed most of the top class batsmen didn't account for the UNSW No 6 Stan Back. Stan is well known to the club for his most correct batting technique and used this to amass a fine 89 runs. Also helped by fine tailenders knocks, 43 to Coops and 29no by Steaks. UNSW recovered to be 9-225 after 50 overs. Who will ever forget the onfield interview by Henry of the Adelaide uni deep cover fieldsman whilst in the act of fielding the ball. The afternoon set the scene for the week, express bowlers Martin and Warrington tamed the opening batsmen and the four pronged spin attack of O'Brien, Palin, Roper and Baker (who?) mesmerised the opposition with flight, spin, googlies and armballs. This restricted Adelaide to 7-197 off their 50 overs. A ridiculus situation for a one day match. Monday night saw the opening of the 'social events' with a talent night and videos at the green hut. A large screen was installed and as soon as the sun went down we were treated to some of Henry's videos and some of Harold's more revealing videos. Most of the boys were suitably tanked by 7 o'clock. After watching the video of the days play by Henry and introduced by Jungle a joke telling competition was instigated. Most teams unearthed new lows in sick jokes none more so than our very own Pete Warrington Bradford Northern and his filthy baby jokes. The main attraction for the night was to be the talent quest. Flinders Uni. decide they would go first and a Strippergram emerged into a room full of drunken cricketers. Reflecting on this occasion some six months later I can not but feel sorry for the young lady coming into this melting pot she would have to perform very well or risk a riot. The girl did her routine and still had her pants and bra on. Some quick thinking from Jungle saved the day and the \$10 from the joke telling competition was donated for the girl to strip even further. I can still remember seeing the girl looking for her bra at 11 o'clock which was conveniently submerged in the back of an eminent Wollongong cricketer's pants. No other act entered and tried to beat this one.

Day two and UNSW take on Wollongong at St Paul's. A batting order was formulated with respect to % alcohol in the bloodstream. Martin and Roper got us off to a good start and slasher McKay chimmed in to see us 3-126. Danny's knock of 63 was particularly entertaining. But the big names of the batting lineup were not able to convert this into a big score, Backy, Coops, Marty, JA all succumbing to the ill effects of the night before. Chasing 179 the familiar site of Martin, Warrington Bradford Northern again softened up the openers for Windscreens O'Brien to demoralise the opposition with 4 for 24 off his 10 overs. Newcastle were all out for 127 with another fine display in the field by the UNSW boys. Tuesday night was a rest night, thank God.

Wednesday's game was at the Village Green against Newcastle. The boys were very keen to wipe Newcastle off the pitch and have a crack at Sydney Uni. in the final on Thursday. Bowling first, Newcastle started solidly to be 1-63. Windscreens O'Brien again shattered the opposition with a fine spell of 4-33 of 9.4 overs. Joel was often unplayable in his spell of 1-25 off 10 over. Newcastle were all out for 160 which proved to be too small for the hungry UNSW boys when they graced the crease. Fine batting by Johnny Abbott (40), Coops (26no) and Baker (38) saw us home and into the final with 5-162.

Unfortunately due to prior commitments this author had to miss the dance in the Squarehouse on Wednesday night - I was watching my Don Bradman coaching clinic videos to prepare myself for the big final. I did get told to mention some spade work, especially Steve O'Brien getting confident with Mickey DeBello's sister. Thanks must go to Harold and Jimmy Wilcher for supplying the busloads of nurses.

Thursday arrived and the final chapter of this fairy story unfolded with the final versus Sydney Uni. UNSW boasted 2 regular first graders and 9 emerging young stars whilst Sydney Uni boasted 4 or 5 First Graders and many high grade playrs. We batted first and made a slow but respectable 194 off 49.2 overs. Jamie Baker hit a solid 68, whilst Leigh (Tex) Gray slogged an impressive 20, 7 other batsmen made double figures. Was this enough? Sydney batted second and the Village Green was now being infiltrated with hungover cricketers from the dance who were killing their hangover with the only medicine they know best - Tooheys twistops. Chants went up around the ground for the UNSW boys, but at 6 for 175 off 40 overs a dull silence encroached the ground. On the field though, fearless Captain Jamie Baker sprung his master move and bought pace bowlers - Tex Gray and Pete Warrington Bradford Northern back into the attack, they ripped the heart and soul out of the last 4 Sydney batsmen leaving them all out 191 off 49 overs. The crowd reached a frenzy the familiar chant was resurrected and how sweet it sounded to sit in the dressingroom with dozens of Newcastle and Wollongong guys singing - 'Sydney takes it up the 'ar' do dah'.

The I.V. Dinner was held at the Cricketers Club where we were presented with the trophy. Most of the team stayed at the club till closing time getting fairly wasted, not satisfied that this was enough celebrating we kicked on. First stop was the Christmas tree in Martin Place where the whole team proceeded to skip around the tree trophy raised, singing various obscenities to do with Sydney Uni. Next stop was the Bourbon and Beefsteak and we displayed the trophy to any and every available woman. The sun being nearly up we piled into a taxi and headed home. The next morning I woke up to find a trophy lying next to me but a piece was missing, later that day I found out that Stan Back had the piece in his jocks. I think I might finish here and bask in the glory reminding you of what the trophy said when I woke up - "UNSW INTERVARSITY CHAMPIONS 1986".

AWARDS

Bowling: Steve O'Brien - 39 overs 11 for 118

Batting: J. Baker - 119 runs average 29.75
S. Back - 111 runs average 37.00

Fielding: D. Roper, J. Martin, S. Szabo (joke)

Social: P. Warrington for appearing at his girlfriends place every Tuesday morning with lipstick all over his face.

THANKS - Marty, Harold, Jamie and everybody else who made the week such a success.

CLUB RECORDS

The following Team Records and Partnership Records apply to the years in the Sydney Grade Cricket competition - from and including season 1973-1974.

For records prior to 1973-74 season refer to 1972-73 Annual Report M. & S. Competition. Following items - Leading Run Scorers/Leading Wicket Takers and Leading Dismissals include all runs, wickets and dismissals in both Grade and M. & S. Competition obtained from the club in all teams. Teams not eligible for all members (age and/or student status restrictions - P.G./Intervarsity) are not included in the following club records. Performance in these teams may be obtained from past annual reports.

Only the initial record maker is identified in the team and partnership records.

THE UNIVERSITY OF NEW SOUTH WALES CRICKET CLUB

AUDITOR'S REPORT

I report to the Members of the University of New South Wales Cricket Club that I have examined the accounts and records of the Club for the year ended 31st May, 1987. My examination included such tests of the Club's records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion the Statement of Receipts and Payments and Bank Reconciliation represents a true and fair record of the Club's transactions for the year.

J.T. HALL B. Comm. AASA
27th June, 1987

THE UNIVERSITY OF NEW SOUTH WALES CRICKET CLUB
HONORARY TREASURER'S REPORT FOR THE YEAR ENDED 31ST MAY, 1987

The attached accounts show a surplus of \$3872 for the year. The result is satisfactory and is sufficient to cover the ongoing costs of the club.

Peter Jourdain
HON. TREASURER

THE UNIVERSITY OF NEW SOUTH WALES CRICKET CLUB
