1977-78 G.Watson
1977- G.Lawson
1982-83 M.Ray

AUSTRALIAN REPRESENTATIVES

1979- G.Lawson

PRESIDENT'S REPORT

In the 1986/87 Annual Report I stated that "although not shown by results in the Poidevin-Gray competition our victory in the Inter-Varsity competition suggests that the strength of our undergraduates is improving. As these players develop next season the results should be a marked improvement, especially in the Poidevin-Gray Competition." It took an extra year. However I am extremely pleased to be able to state that the strength of our undergraduates has improved to the extent that having defeated the eventual premiers, Sutherland, in the Poidevin-Gray competition round, we finished second in our division. It took an outright victory to the Sutherland Club in the last game to push us back into second place.

Two other sides, namely Thirds and Fifths, made the semi-finals with the younger members of the side performing better than the "more experienced" players. After a slow start to the season, Seconds proved to be extremely competitive. If it were not for the loss of three or four early games by one or two wickets and ten or twenty runs, the side would have been in contention for a semi-final spot.

With the success of our Poidevin-Gray side, Third and Fifth grades, I am looking forward to an extremely successful season next year in First and Second grade.

After finishing fourth two seasons ago and missing out on the semis on percentages, our First grade continued to hover around the middle of the competition ladder. It is difficult to pin-point the reason for this. The team is basically the same as it was two seasons ago, with the batsmen having higher averages than they had in the past two seasons. There is no doubt the ability is there. There seems to be a lack of consistency. With more pressure from lower grade players, a little more consistency should result and lead to a corresponding increase in success.

No Club is successful without a hard working committee and with Peter Godber overseas, Elvin Robb stepped into the breach and carried out the Secretary's function prior to his departure to Lismore and did a sterling job. My thanks to Treasurer, Peter Jourdain and Greg Livingstone for all the work which they did in ensuring the Club properly functioned. Dave Bell deserves special mention for his tireless efforts as Teams Secretary.

Mike Gregg, the dreaded journalist, hardly missed an opportunity to twist the truth to obtain a good story about the various happenings on and off the field. Sometimes I wonder whether there wasn't a total absence of the truth on some occasions! This year the "Saturday Sledge" became so voluminous that Dave Bell was called in to edit and print every second "Sledge". Congratulations to both of you on a fine effort and lets see more defamatory and ego bruising statements next year.

During the off season the Club embarked on its most adventurous project to date - a cricket trip to the United States, England, Ireland and Wales. In all there were thirty thirsty tourists. To the organisers, including Peter Godber, Glen Clark and Marty Palin, a special thank you from the committee. The tour, followed by our success, once again, at the Australian Inter-varsity competition in Brisbane, show that the club is vibrant and committed to providing top quality social cricket in addition to the more serious grade competition. The abundance of this type of cricket is a real advantage in playing for the Club.

The Club is fortunate to be associated with a very progressive and considerate University. The University is the first in Australia to offer sporting scholarships, with two cricketers being awarded scholarships in the first two years of its operation: Atticus Fleming and Warren Faulkner. Warren finished the year in First grade and the Club is looking for big things from him in the future. Atticus Fleming had an excellent season, especially in the P-G competition - figures of 7-44 are indicative of his ability.

The support which the Club receives from the University is much appreciated. The now annual Chancellor's XI game against the students was won by the Chancellor's XI, proving once again that the Chancellor is an adept social cricketer, relying as he did on his ability as a selector and coin tosser, and delegating to the Vice-Chancellor the task of providing the cricket skills sufficient to win the game.

The Club is able to offer facilities which are equal to any other in the competition. With plans afoot for the second storey on the Sam Cracknell Pavilion we can look forward in the near future to having an oval which will match the best in first grade cricket. Ian Moutray is always willing to ensure the Club has the assistance of the Sports Association and try as I might, I am unable to fault the ground staff in the work they do in preparing the grounds. To Messrs. King, Cornish and the rest of the team, a sincere than you. The only disappointing thing about playing at the University grounds is that you get so used to the good facilities you are frequently disappointed when playing away.

I have not yet mentioned Geoff Lawson, the Club's first Australian representative. Having seen him in hospital a few years ago, when he was attempting to recover from his back injury, I did not consider it possible that he would be able to make a successful return to international cricket. I am glad to say that I was wrong. The extra work he has done - weights, excersises, running, bike riding as well as hours in the nets, show what is required to succeed at the highest level. Perhaps if some of Henry's dedication and hard work were to rub onto other players, the success which has eluded our First grade side last year may return. Let's hope so.

DAVID MEAGHER

FIRST GRADE REPORT

The 1988/89 season can only be described as disappointing for the 1st Grade side regardless of many pleasing and encouraging aspects. For a club such as ours and with the players we have, to finish near the bottom of the table cannot be accepted.

Livo's First Grade report last year pointed to some areas of concern that had contributed to an average season, "...poor fielding standards and a lack of application in batting at crucial times." The recent season could be summed up in identical fashion, indicating that the higher grade players have failed to address our obvious weaknesses. Each and every First Grade player, in fact every club member, must make a concerted effort to remedy our 'bottom line' performance - that is, being beaten by less talented teams.

We dropped too many catches this year which, along with generally poor ground fielding, meant that we were unable to put sufficient pressure on opposition batsmen. We play our home games on a very flat Village Green wicket and we do not have a particularly penetrative attack (Henry being the obvious exception, but even he failed to dominate on our home ground); that has nearly always been the case during our clubs very successful existence in the Sydney Grade Competition. The difference has been the, at times brilliant, but at least determined and consistent fielding associated with our successful First Grade teams. We could very easily make the semi-finals each year if we hold the important catches, picked up the run-outs and stopped the shots that are hit to or near the field.

However, there were many encouraging aspects during the season. Particularly impressive partnerships from our new opening combination; outstanding season's with both bat and ball by Jamie and Jungle; and each and every player displaying on at least one occasion that they have the sort of ability that could give to another first grade premiership within the next few years (hopefully next year). What I consider to be the most encouraging aspect was the performances of our P-G side and a very young and enthusiastic Third Grade outfit (excluding Messrs. Meagher and Gregg obviously). With so many young players coming through, things auger well for our First Grade future. This, of course, will depend on the attitude of these young players - which will be displayed at training next year (ie TRAINING !!!).

An analysis of our individual performances should probably read as follows.

Jamie Baker had nothing less than an outstanding season. Jamie is slowly becoming our most dominant player and must certainly be on the short list for State team selection. His batting has developed from the apparently limited and grafting approach of 3 - 4 years ago, to that of a mature and dominant batsmen today. Jamie has already scored as many 1st Grade hundreds as any player in the club's history, which is an enormous credit to him. We also relied on Jamie's attacking bowling as he provides our main penetration on many of the 'flat' wickets going around Sydney (particularly our own). If Jamie's bowling and on-field attitude can obtain the same maturity evident in his batting, he could go all the way.

Shaw came off an 'MVP' award for the legendary tour of England to attempt to fill the troublesome opening role, that has been of concern since Livo was moved to No. 3 to solve a similar problem. The P-G captain had an excellent first year, his best performances being 72 vs Campbelltown and his maiden first grade ton against Manly - in that order. For a 1st Grade Aussie Rules player, Shaw's agility and performances in the field were of some concern, and this is an area he really needs to address - being young is no excuse in the field. Shawy has a big future, which has also been picked up by the press. Make the most of it Shawy - starting next season.

Livo, by his standards, had a very average season - but his performances against Parramatta, Northern Districts and Manly were vintage stuff. I think Livo suffered most from an attitude of being too eager to promote the development of the younger players, dropping down the order to concentrate on analysing their games rather than concentrating on his own. To be successful in the next few years, the Uni needs Livo firing at No. 3.

Jungle's season was what we have almost come to expect from him; runs, wickets and catches (and even haring around in the field on occasions). Not only is Jungle our No. 1 batsman, but he is now the mainstay of our bowling attack. The only worries you have with Jungle are his theories and the odd occasion where someone hits him over the top. I hope he is still the same player when he's a dad, hopefully minus a couple of phobias.

Our start of season No. 5 was Pratty, who's off-season in Scotland really only netted him a wife. His potential has been recognised for some time, unfortunately it hasn't really been converted into performances. Nevertheless, he is still young and obviously a talented batsman/bowler. Most importantly Pratty is an outstanding fielder and on that basis alone is an important member of the side.

The middle order was a real problem area in our batting, along with slavish run rates and an inability to string together too many significant partnerships. We failed to have consistent performances in this area, which may have been partly due to frequent changes in personnel and shuffling the order on numerous occasions. Warren Faulkner, who performed well in P-G and 2nd Grade, may be the answer or our English import Al Cane may be back to fill the spot. Al struggled this year, but we know he's a good player and another excellent fieldsman. Chemical and Trimbo both had opportunities and on occasions showed that they are good enough to be regular first graders, consistency being the key. Trimbo's innings against Penrith converted a reasonable score into a club record and Chemical's innings against Mosman was full of guts and concentration to rescue the club from a record low score. Trimbo had a few problems outside off stump and Chemical was involved in too many run-outs.

Henry made five appearances for us this season and as always (and as expected) was a dominant figure in the games without exactly tearing sides apart (little wonder on a slow, flat V.G.). We still learn a lot through Henry's presence on the field, his knowledge and perspective should make him a Test skipper one day soon.

Kurly's "rookie" season was encouraging, 19 catches and two stumpings was a commendable effort and his undoubted ability could take him a long way. There will be a lot of pressure on the lad with Backy's return next year which I hope brings out the best in both of them. Kurly is learning that there is a time and place for his displays of enthusiasm, his batting is good when he ignores the pull shot.

Clem started the year in Firsts but was restricted in his usefulness due to our abundance of bowlers. He continues to perform in 2nds and is obviously close to a regular first grade spot.

Micky Diabolical (Steve DeBello) also played a few 1st Grade games and looked to be ready to hold down a spot before struck by injury. Micky is quick and with more aggression and hard work at practice he could play an important part in the 1st Grade attack which, without Henry and a fit Morgs, lacks that bit of fire power. A few less no-balls would be handy.

Morgs also played a few games late in the season but appears to remain tentative on that hamstring. His off season stint in England may, however, turn the tables.

Whitey played 2 games in 2nd grade late in the season and took a bag in each game. Whitey's main obstacle in 1sts was probably a lack of opportunity and an associated negative approach to his bowling. Hopefully his stint in 2nds will have re-associated him with actually taking wickets and his return to First Grade will return wickets along with his usually steady performances.

Many thanks need now be extended to the people who did actually perform well during the year. Firstly, and most importantly, to Julie who gives so much of her time to assisting the side, particularly in respect of afternoon teas, but also the many occasions the team was invited back to the Lawson's and treated with such hospitality. Many thanks also to Tom Boyce, our scorer, who's support and comments were always appreciated and to Dave Lemon for his appearances and interest (we'll try to produce some better stats next year, Dave).

In concluding, we should not sit back and accept our disappointing First Grade of last year, but should see the coming season as an opportunity to prove our talents. This will require each and every player, at least in the higher grades, taking it on himself to be playing at his peak. This requires fitness (yes cricketers should be fit too), practice and commitment to our cricket during the summer.

15. UNSW Drew BANKSTOWN - WASHED OUT

SECOND GRADE REPORT

The record of six wins and seven losses indicates only a mediocre performance. However, there was never any doubt about our ability to win. Our desire to win built up through the season and was helped greatly by the inclusion of some of the successful P.G. players. The feeling in the second half of the season was that we could beat any team and it wasn't until our loss to Balmain (Round 12) that we were out of contention for the finals.

I believe that Second grade is in the best position to push for a premiership in the coming season. A great season by a Third grade side full of P.G. players means competition for places in Seconds will be strong.

The 1988/89 season was highlighted by the great performances of our bowlers. No team scored more than 250 against us after round two.

Our best bowler was Steve DeBello with 22 wickets at 18.14. Micky's figures were great and yet were only marginally better than two others, Andrew Clements and Steve Price, both with 18 wickets at 19.22 and 19.28 respectively. Big Clem also had the amazing statistic of only having an average of 1.87 runs taken from each of his 185 overs for the season. These players were ably backed up by Steve O'Brien (18 at 23.87), John Lupton (8 at 21.13), Adrian White (10 at 12.4) and David Gallop (8 at 24.75), so it was no wonder we regularly knocked sides over for around 200.

Unfortunately our batting did not support the efforts of the bowlers. In particular we displayed an inability to chase runs. There were three games in which we failed to reach very achievable targets - against Campbelltown (208), Balmain (149) and Sydney Uni (211) - and two other games in which we lost nine wickets to pass mediocre scores of 151 and 180.

Our leading run-getter for the year was Glenn Eades with 358 runs at 23.87. "Fridge" undoubtedly has the ability to play First grade, but needs to turn many more of his "20's" into big scores.

Nisal Fernando wrapped up the highest average without much trouble, although it is extremely unfair to compare the rest of us mere mortals to Nisal. In his six games he managed 231 runs at 48.5.

A special mention must go to Elvin Robb, who left for the country after round eleven. Elvin's contribution to the club, both on and off the field, has been significant to say the least. His contribution with the bat in 1988/89 was a solid 291 at 24.25.

Our two youngest batsmen, Peter Sinclair and Warren Faulkner, both performed creditably in their six games each. In Peter's six innings he managed 186 at 31 and Warren ended with 174 at 29. We should be looking to both to have long First grade careers.

Of the other batsmen to play a reasonable number of games , Peter Trimble with 192 at 24 and Mark Carmichael with 158 at 22.57 performed creditably. As for the rest of us in that category , we need to improve.

Finally , I would like to officially thank Mark Carmichael , both personally and on behalf of the team , for his unselfish attitude during the season. "Chemical" was named as captain at the start of the season , but for a large part of the season was in first grade. On his return to Seconds he elected not to reassume the captaincy because we were in the middle of a winning sequence. I believe that much of the improved team attitude was brought about by Chemical's enthusiasm and unselfish approach.

PETER JOURDAIN

SUMMARY OF EACH ROUND

THIRD GRADE 1988/89

One of the major objectives I set myself as captain of the Third grade side was to provide the Second grade captain with three or four good young players who are capable of cementing a place in Second grade. I believe this was done. We also finished in the final four, the first Third grade side to do this for at least five seasons - a welcome return to the form which the club used to expect as a matter of course from its Third grade side. In all, a fairly successful season.

If you read the Poidevin-Gray report you will see a number of names of people who appear in the Third grade statistics with the exception of a few "former promising players". After a season of grade cricket I would expect that the bulk of the players who represented the club in the Poidevin-Gray Shield last year will be playing second grade next season.

I have not had the benefit of reading the Poidevin-Gray report, but I assume that one of the reasons which was given for the success last season was the fielding. The same can be said for Third grade. With Damien Cummins, Nick Wood and John Abbott in the side, a captain could not ask for three better fielders. It is sad to note that a dropped catch probably cost us the game in the semi-final against Sutherland, the eventual winners. Who dropped the catch? Yours truly.

There were some extremely notable performances during the season:

- Duncan Coots 3rd grade record of 188 against Sydney University showed what can be achieved by sensible batting - 120 runs in just 11 overs.
- Five century partnerships during the season.
- Six wicket hauls by Dave Simpson and Atticus Fleming.
- Tim Grosser's 90 and Warren Faulkner's unbeaten century in their first season in grade.

These performances show that they are good players and capable of producing outstanding performances. A little more consistency, or just a 10% increase in standard, would just about see every player performing well in Second grade - a worthwhile aim.

- BANKSTOWN 5/118 Lost to UNSW 5/118
J.Lupton 2/34, D.Meagher 42, T.Grosser 31*.

FOURTH GRADE

The 4th grade side started the season very well. Three wins from the first four games boded well for the rest of the season. The team's efforts for the rest of the season did not match early expectations. Four wins, two draws and seven losses for 14th position on the table is not a description of a good season. Poor batting is the reason for the limited success achieved.

The bowling attack, while not being great, did their job admirably. Greig Robinson shouldered the responsibility of leading the attack and had a marvellous season. Our bowling would have matched the poor standards of our batting except for Greig's diligent efforts.

Our batting was poor, however a few people performed well. Jock Martel batted extremely well in his five appearances at the crease. An average of 52.6 is a testimony to his efforts.

Nick Wood showed that he is a young batsman with a good deal of potential; he is also an excellent fieldsman.

John Abbott again showed he is one of the best fieldsmen in the club. His batting was above the standard set by many others in the team.

Dave Quinlin batted with determination and some success at the head of the order. He bowled very well against Campbelltown.

Michael Clarke again did not realise the potential that everybody tells him he has. He may be sick of hearing this comment, but it is very true. Michael fielded well all season and batted with skill and determination against a very good Manly attack, whilst all others waved the white flag.

Nick Prattent had a poor season, especially when compared to his previous efforts. He had some bad luck with his batting just when he seemed to be getting on top a few times (e.g. young psychos running him out). Nick kept wicket well when given the job - he has an interesting idea on punctuality.

Clayton Jones also had an ordinary year, compared to his usually high standards. Clayton batted very well against Western Suburbs in a huge opening stand with Jock. Run-outs were an all too frequent occurrence with Clayton this year.

Ken Tweedale showed that he is a young keeper with plenty of ability. He is capable of improvement with a great deal of hard work at training. He is no mug with the bat and will perform in this area of the game with more opportunities.

Wally Reynolds had a very ordinary season with both bat and ball. The responsibility of captaincy did not enhance his game. It has been said that one should not listen to advice that Jungles dispenses. At the beginning of the season he had a few words of encouragement for a new and untried skipper, all of which were pearls of wisdom :-

1. It is hard.
2. You learn a lot about the game.
3. Find somebody else to do it next year.
4. Never let the truth get in the way of a good story.

The UNSWCC has traditionally not done well in fourth grade. There is one main reason, this year 41 players were selected in the 13 games with only four players involved in more than eight games. Some changes are inevitable, however success will not come with this amount of instability.

Let me finish this report by thanking all the players this year for their efforts and support. We may not have been successful on the field, but as always the friendship and good stories off the field made defeat seem less traumatic.

W.G.Reynolds

5TH GRADE REPORT

The season just passed has been one of the more successful efforts by both 5th Grade standard and when comparing results achieved by other grades within the club. Third place is a very creditable effort when measured in these terms, and I would like to thank all those players who, in any way, contributed to this result.

Even though this result on the surface appears to be very good, I feel that the team could have done so much better. Where would we have been if we had picked up even a handful of points from any of those games where we lost by a very small margin, against teams who were a long way lower down the table.

The bowlers really shone this season with Rob Stark (34 - not his age by the way), David Bell (29) and Michael Ryan (23) leading the way in the wicket taking. Anyone with a bowling average of 10.00 or above was never in the hunt to win the averages. The batsmen on the other hand, while showing some great form, often failed to "go on with it", or folded when there was no pressure.

The Season As The Score Book Saw It.

Hawkesbury:

148- George Sendall 3/46, Dave Bell 3/15
UNSW 83- Grant Lovett 20
3/49- Stuart Sidhu 1/2, Ian Murray 1/4, Alistair
McCallum 1/28
Lost!

Parramatta:

125- A McCallum 4/42, D Bell 4/30
UNSW 162- I Murray 51, G Lovett 46
2/58- Peter Sinclair 1/6, G Sendall 1/21
Win 1st!

Fairfield:

127- M Ryan 4/38, R Stark 2/38, D Bell 2/25
UNSW 5/131- M Ryan 72*, I Murray 41
112- M Ryan 3/19, G Sendall 3/42
UNSW 8/76- Darren Beasley 18, R Stark 17
Win 1st!

Penrith:

Win 1st!

Campbelltown:

68- R Stark 6/29, J Martin 3/19
UNSW 132- Nigel Dornan 28.
6/94- G Sendall 3/19, M Ryan 3/37.
Win 1st!

Mosman:

UNSW 171- B O'Sullivan 41, R Stark 28.
90- M Ryan 4/24, R Stark 2/16, G Sendall 2/22.
Win 1st!

Petersham:

112- R Stark 7/45, D Bell 2/39.
 UNSW 80- J Martin 35.
 108- R Stark 3/19, D Bell 3/25.
 Lost!

North Sydney:

UNSW 118- Antony Wilson 56.
 7/205- J Martin 3/40, Peter Briede 3/77.
 UNSW 5/54- Ken Tweedale 17.
 Lost!

Manly:

155- D Bell 3/33, P Briede 3/38.
 UNSW 8/208- Andrew Szabo 49, I Murray 45,
 Michael Back 40, R Stark 35.
 Win 1st!

Northern Districts:

189- R Stark 5/65, Steven Oades 3/20.
 UNSW 134- J Martin 43, David Hughes 25.
 5/69- P Briede 3/17.
 Lost!

Balmain:

153- M Ryan 7/40, D Bell 3/38.
 UNSW 100- A Szabo 37, M Back 22.
 Lost!

Sydney Uni:

UNSW 185- G Lovett 65, Richard Campbell 58.
 187- D Bell 5/42, J Martin 2/15, R Stark 2/64.
 Lost!

Western Suburbs:

146- Santi Pal 4/27.
 UNSW 7/226- G Lovett 63, A Szabo 42, J Martin 38,
 R Michie 35.
 Win 1st!

Bankstown:

105- R Michie 3/27, Paul Bloomfield 2/24.
 UNSW 6/110- S Pal 23*, A Szabo 23.

Semi Final Vs Sydney Uni:

UNSW 100- S Pal 21, D Hughes 20.
 5/104- S Pal 3/29.

"Other Highlights". of the season.

To me there were a number of things which will remind me of this season. Some of the better things are included in the following notes.

Red Rookie came up with some reasonable excuses for being late to games this year, but his skipper from last year (Dave Bell) certainly picked up some pointers from last year's efforts. Dave arrives late for the Penrith game at Werrington, leaves the car almost blocking the gate to the ground and explains that he didn't know the way to ground, so he stopped at a local service station to ask directions and then proceeds to the ground, only to run out of petrol a few hundred yards up the road. So you think that's good, he was also late the following week to the same ground, and is seen vaulting the fence still dragging on his boots. Prior to this, he had left his keys on a seat. Some budding car thief sees them there and pockets them so that he gets an easy pickup later in the day. He obviously doesn't count on Dinga's persistence though, as he sits with the car for hours after the game, until his spare keys can be delivered.

Peter Briede had a great year in the field and collected some good wickets. Anyone who saw that catch at DP South will not be surprised that he was a deserving finalist in the Skip Morris Trophy for fielding excellence.

Congratulations to Starky for those hauls of wickets, and just think next year with a little better organisation of his work shifts, he might be able to crack Mike Gregg's bowling record.

Anyone who played 5th grade this year and was disappointed not to have been promoted to higher grades, keep in mind Peter Sinclair who started the season in 5th grade, ended in 2nd grade and was strongly considered for a first grade spot towards the end of the season. Perform on the field next season, and you could well do the same. Congratulations to Peter on his achievement this year.

The illustrious names making comebacks to the club through 5's this year certainly helped our cause at various times. The obvious pun here is Stan Back, who dislocated his finger while fielding in the slips, and was heard to say (between curses and groans) that he had put back many dislocations in his time, but couldn't bring himself to do his own. Santi Pal, Chook Ryan, Lenny Godber, Rob Stark and many others all made some form of contribution in this category.

Anyway, I had best get on with wishing the new skipper, and players for next season all the best, and hope that they go a couple of places better than we did this year. You may see me trot out for the occasional game in the future, but not on a permanent basis. So here is where I find out what retirement is like after the past 14 or so seasons of slogging it out on the field for UNSWCC. Good Luck & Good Drinking!

SIXTH GRADE REPORT

The club's sixth team played in the Sydney Catholic Cricket Association competition, which is played on synthetic wickets at Moore Park. The A grade started with six teams and the standard of play was much stronger than the Municipal and Shires D-grade competition which hosted University sides in recent years - with the only drawback being the poor playing conditions and facilities.

The side was only able to win two and draw two of the twelve competition sides - with both wins coming from the Sydney Uni sixth side. This poor showing can be attributed to the strength of the opposition, the sub-standard playing conditions and our inability to field our best eleven, or any eleven, players on many occasions. Opposition teams contained many ex-state and ex-higher grade players and the University will always struggle to match this standard of play with its sixth side.

The positive aspects of the season was the keenness and fighting qualities of the players forming the basis of the team, who continued to give their best in conditions and circumstances which did not allow them to display their full talents. Domenic Ciccari, Steve Lopes, Mick Phillips and Alex Taylor were especially dedicated. Domenic and Steve displayed enough talent and dedication to indicate they will go on to perform well in grade teams for the club - Alex and Mick have already made vast contributions to the club (each in their own way) and added to them this season. The performances of Gary McGregor, with the ball, and Abdul Shameer, with the bat, late in the season displayed much promise for the coming season. Many other players from this team played crucial roles in the Fifth grade semi-final side.

"The club's sixth team has a vital role to play in that most players are introduced to the club through this side and made to earn a grade position with 'on the park' performances - this should not be underestimated. It is important that players in this team are made to feel they are part of the club." This extract from the 1986/87 report highlights some of the problems of this season - and a matter which needs to be addressed by all club members next season.

The Catholic Association competition was a last hour option for the club, following a late decision by Shires that all D-Shires sides have teams in the A, B & C grade competitions. While conditions at Moore Park are appalling it seems this competition will again be the best option for the University's sixth grade side. The standard of play assures that players earning a promotion are more than ready for Fifth grade's standard - possibly the Catholic Association should be approached to schedule more matches on the turf pitches of the two Universities.

Thank you to all the players who tried their hand in Sixth Grade this season and we'll see you down at the Village Green for pre-season practice sometime in August.

POIDEVIN GRAY REPORT

For many of the clubs the 1988-89 Poidevin Gray competition will be remembered as a washout, but for University Cricket Club I'm sure it will be remembered as the start of something big. After not being competitive in a P-G game for the last four years, this year we won six, had a tie and only lost two games - finishing equal first in our division and were very unfortunate to miss a final berth.

In recent years the interest of club members and players in the under 21 P-G competition has been minimal, games are played on Sundays and public holidays, and its has not been prestigious enough in the club for eligible players in the higher grades to consider it worth the effort (notable exceptions being Adrian White and Michael Back in recent seasons). This season it all changed, the whole club was talking about our P-G side (including a mention on the ABC by Henry about their finals chances) and all eligible players were devising tactics to try to get into the side. The Christmas Eve, Boxing Day and New Year's Day we have struggled to get players for in the past - any players - saw many team members rushing back from Wagga, Newcastle and Tanworth to make sure they retained their position in the side.

So why the change? For a start we had a respected first grade player (stand-in skipper in fact), Jim Dixon, as manager of the side - keen to get involved and see the side go well. Ex first grade skipper, Dave Meagher, led the successful third grade side which contained the majority of the P-G side. We had first grade players in Andrew Shaw and Michael Kovacs enthusiastic about the competition, willing to make sacrifices for the side and, above all, excellent team players. The effect the advice and interest of a higher grade player can have on new and younger members of the club is enormous - this year we saw the benefits, I hope we see a lot more involvement from the first and second graders in the coming season.

At team selections it was apparent that we could field a very strong batting side with the available talent, but there was concern however about our ability to bowl out or even contain the opposition with our bowling attack. As it turned out our attack of Atticus Fleming, Alistair McCallum, Peter Sinclair and David Simpson performed above themselves to dominate their highly rated opponents and were instrumental in the success of the side. They were well supported by 'the best fielding side in the club' who ensured the opposition batsmen did not get a second chance or any easy runs. Of the 77 wickets taken by the side, 56 were caught, six runout and six stumpings - which probably best describes the efforts in the field. There were also some outstanding performances with the bat - particularly by Warren Faulkner, Duncan Coots and John Abbott.

Congratulations to the team for their spirit and achievements throughout the season, it was an effort to be proud of. Hopefully a number of players from this side will form the basis of a Uni resurgence in first grade in coming seasons. The 1988/90 P-G side will contain a number of players from this year's side and they have left themselves a tough act to follow.

Finally I'm sure the side would like to record thanks and appreciation to scorer Mrs Coots, manager Jim Dixon, his assistant David Bell and the chief supporter Mr Coots - who travelled the length and breadth of Sydney to lend a hand and urge the team on.

POIDEVIN-GRAY MATCH REPORTSROUND 1 - Western Suburbs 78 lost to UNSW 195

Skipper Andrew Shaw ensures a good start to the season when he wins the toss and inserts Wests on a wet Village Green pitch. Dave Simpson (5/28) and Al McCallum (4/28) take full advantage of the conditions and Wests are dismissed for 78. Peter Sinclair (27), Warren Faulkner (22) and Nisal Fernando (39) bat well in difficult conditions to record the club's first P-G victory in four years.

ROUND 2 - UNSW 130 tied with Waverley 130

Uni struggle against a strong Waverley attack and only a superb 58 by Duncan Coots averts a total collapse. Michael Kovacs (14) and Al McCal (14) add vital runs down the order. Uni with its three pronged attack of Fleming (2/52 from 28 overs), Sinclair (1/12) and McCallum (5/57 from 22 overs) fight hard in the field, but it appears it is all in vain with the score at 8/128 with four overs remaining. Enter Atticus Fleming with two brilliant catches and a run-out to see Uni snatch a tie with three balls remaining. Postmatch celebrations were enormous and the match was always referred to as 'a great win'. It wasn't a win but certainly a turning point and bonded the team.

ROUND 3 - St George 189 lost to UNSW 4/201

A great Christmas Eve team performance against a strong opposition. In soaring heat at the Hurstville Velodrome the side contain St George, despite a century by Craig McComb. Pete Sinclair (4/49) and Al McCal (3/50) are supported by all fielders to restrict St George to 189. Then the batting line-up really fires, with a fine 65 by Duncan Coots and a magnificent innings of 78n.o. by Warren Faulkner, to reach the total with plenty of overs to spare. A very impressive performance.

ROUND 4 - Northern District 7/105 lost to UNSW 8/108

The skipper wins another important toss and asks ND's to bat on a saturated Village Green track in a match reduced to 31 overs. After having ND's 7/50 further rain and time constraints make bowling a difficult proposition, Al McCal takes 3/23 and Pete Sinclair 2/34. During the Uni innings a hurricane hits Kensington - but despite atrocious light, torrential downpour and Warren throwing his bat with every shot - the umpires are determined to reward Uni for their efforts in the field, by seeing a result from the match. Warren Faulkner agains bats superbly for 59n.o. to lead the side to another victory. With this being the only game played, Uni now led the competition.

ROUND 5 - Balmain 125 beat UNSW 98

Play is delayed once again and it is a 44 over affair against Balmain at Drumnoyne Oval, it was good to see the Uni players returning from Christmas holidays for the match. Once again the Uni bowling attack is supported to the hilt by all fieldsmen with Atticus Fleming 4/25 off 18 overs and Pete Sinclair 4/28 reaping the benefits on this occasion. Against an all first grade bowling attack scoring runs was always a problem, and Warren Faulkner (17) and Andrew Shaw (23) see out the opening attack. Tim Grosser (23) and Michael Kovacs (12) combine to offer some hope, but in the end it was too many runs to score against that attack under the conditions.

ROUND 6 - Sutherland 81 lost to UNSW 7/82

This was the top of the table clash and a match Uni had to win to have a chance of qualifying for the final. Another good toss was won by skipper Shaw on a rain-affected David Phillips South in a 40 over game. An outstanding bowling performance by Atticus Fleming to take 7/44 which restricted the strong Sutherland batting lineup to 81. Another fine team fielding and catching performance. Pete Sinclair (24) once again does the job up the front and is well supported by Andrew Shaw (15) and Warren Faulkner (14). After we lose 4/1 in the middle-order it is left to Atticus Fleming and a sweeping John Abbott to see us to an important and satisfying win over our newly-crowned chief P-G rivals.

ROUND 7 - UNSW 155 lost (on run-rate) to Bankstown 4/86

In perfect conditions Uni elect to bat on a flat Village Green track, but are immediately in trouble losing two early wickets. Duncan Coots (28) and Michael Kovacs (runout for 30 - three times in six P-G knocks!) consolidate the innings. Good knocks by Damien Cummings (24), John Abbott (38) and Atticus Fleming (15) but we are unable to bat out the overs. Uni are unable to avoid defeat as another hurricane and Dean Waugh move in on the Village Green. Rain delays mean that Bankstown require just 98 runs off 27 overs, Uni sportingly stay on the field in conditions similar to those encountered against ND's until the runs are scored (live by the sword ...). Pete Sinclair handles the conditions to take 3/36 and Atticus has Waugh stumped off a shoulder high full toss as he dances down the track.

ROUND 8 - Hawkesbury 6/155 lost (on run rate) UNSW 8/138

Another rain-affected match (50 and 44 overs) - this time at Benson Lane leaves everyone's fingernails a little worse for wear. Again the bowling is tight and the fielding superb as Uni restrict Hawkesbury to 155 from 50 overs. Pete Sinclair takes 4/50 and Atticus Fleming 3/61. As the storm moves in phone calls and half-truths are exchanged with Sutherland at Tonkin. Andrew Shaw (20) and Tim Grosser (18) give a solid start before both are run out. After a downpour it is Kovacs (20), Cummins (9*) and a great knock by John Abbott (34*) which score the win under tight circumstances.

ROUND 9 - Campbelltown 9/183 lost to UNSW 2/200

As the club turns up in numbers at the Village Green to support the team in their finals quest, the boys respond with their best performance of the season. All bowlers are on line and earn the bowling bonus points, with Atticus Fleming 3/47, Tim Grosser 2/22 and Al McCallum 2/39 getting the best rewards. All the batsmen perform as we chalk up a batting bonus point, Pete Sinclair 55, Andrew Shaw 61, Duncan Coots 43* and Warren Faulkner 24*. The side had done everything right to ensure a place in the final, but an unprepared home wicket allowed Sutherland an outright win against Balmain - and a place in the final after a countback. A disappointing finish which should not detract from the achievements of the team.

INTER-VARSITY REPORT

The twelve players who gathered at the Doncaster Hotel on the evening of Sunday February 12, 1989 were carrying a heavy burden; it was up to them to live up to the good times, bad reputations and championship winning skills of "Baker's Boys" of 1988-7. Let the records state that they were consummately successful in all three areas, most importantly the Uni of NSW retained the title of Inter-varsity Premiers.

The Inter-varsity was hosted by Queensland University and, in a crafty piece of scheduling, were to be our first opponents at 10.30am Monday morning. When the side made it to Brisbane, after a 14 hour drive in an Avis mini-bus (half-filled by big Al McCal alone), rest was more of a priority than the cricket. Fortunately the weather intervened and no play was possible on Day 1. That evening the team was well and truly defeated by an experienced side at Jupiter's Casino, Surfer's Paradise and heavy wallets were not a problem for the rest of the tour.

The rain continued to dominate and Day 2 was also washed out, the tour was kept in the Brisbane locality on this occasion - with the Paddington Inn deserving a special mention. A personal best was recorded by Nick 'Porker' Wood but he was just pipped by a loud 'Big Al' for Day 2 honours.

The weather finally clears up on the Wednesday and a decision is made to hold a 20 over competition and we are drawn to play Armidale in round 1. After they get away to a quick start, we fight back to restrict them to 5/108 with good bowling from Al McCal 2/11, Tim Grosser 2/23, and Atticus Fleming 1/21. We reach the target with an over to spare with Tim Grosser (27) and Atticus (22) leading the way.

Our second opponents are the traditional rivals, Sydney Uni. A great fielding performance, including four run-outs, restricts them to 71. Al McCal 2/13, Tim Grosser 2/8 and Pete Sinclair 1/7. We get off to a good start in the chase, but are left needing 11 runs off the last two overs. In the end it is a big six over square leg off the last ball, by Skipper Andrew Shaw which gets us home.

That evening Queensland Uni played host at the Sport and Recreation Club with a great dinner. The evening is enjoyed by all, with Damien and Tim possibly enjoying it a little more than most.

Our opponents on the last day, to determine who played in the final, was Queensland Uni. After winning the toss and sending them in, the UNSW fieldsmen again dominant with four run-outs to dismiss Queensland for 51. Satyu Raju 2/4, Pete Sinclair 2/15, Adrian White 1/9, and Al McCal 1/13. We pass the home side's total with five overs to spare, mainly due to a good knock of 29 n.o. by Atticus Fleming.

The boys prepare for the final against A.N.U. (Canberra) by doing a few laps in the Uni pool - with Michael 'Kurly' Kovacs exhibiting a very unique form of backstroke. Playing on the immaculate University No. 1 Oval, we send Canberra in only to watch them blaze away at our attack. Skipper Shaw springs a shock by bringing himself on - and it works as he returns 1/10 from four overs. Canberra are all out for 103, Pete Sinclair

4/18 , Atticus Fleming 2/11 and Adrian White 1/9. The UNSW bats fire and we pass their total with three overs to spare , only losing three wickets in the process. Damien Cummins carries his bat for 44 n.o. and Duncan Cootes hits a great 48.

Uni were undefeated in winning back-to-back Inter-Varsity Carnivals for the first time ever , a great effort by all those involved. Thanks to Adrian White for his fine organisation of the trip and congratulations to skipper Andrew Shaw for the achievements of the team.

Inter-varsity cricket is one of the unique things the University Cricket Club can offer its members and , as all members of this side will vouch , one of the most enjoyable cricket and social events going. The UNSWCC has a fine tradition of attending , enjoying and performing well in the I-V Carnivals - my advice to anyone offered the chance of attending a cricket IV : don't miss it !!

The members of the winning side were :

Andrew Shaw (Capt) , Adrian White (Manager) , Peter Sinclair , Duncan Coots , Atticus Fleming , Michael Kovacs , Tim Grosser , Nick Wood , Alistair McCallum , Damien Cummins , Satyu Raja.

UK TOUR 1988

The club undertook and successfully completed a comprehensive tour of the United Kingdom and Ireland between 13 June and 15 July 1988. The Club was represented by 31 players from all grades.

The tour encompassed twenty one matches , of which only three were rain affected , and saw the Club in competition with Cambridge University ; Oxford University , Trinity College (Dublin) , London University and a host of League clubs , including Hythe Cricket Club which over the years has been close to the hearts of a number of members of the Club ; it was four weeks of ultimate cricket touring , travelling the English Countryside in three mini "Zaheer Abuses".

The results were important , and to that end we won ten matches and lost nine , but probably more significant was the experience gained by so many members of the Club in playing in England , learning about the game from its country of origin , touring in a closely knit squad , and meeting such a great range of personalities on the way. I think that the way we conducted ourselves was a credit to the University and this conduct was a catalyst for a close comradeship between ourselves and our hosts which was exceptional.

Noteworthy highlights of the tour are abundant and indeed many of the on and off-field stories have been recited already at Club functions. It was a proud day when we defeated Cambridge University and were hosted to such a splendid function in the grounds of Downing College. Our fixture with Oxford University ended in defeat , but the game could easily have swung our way with a few favourable decisions. The social "Test Match" played between eleven tourists representing the "Australian Lobsters XI" against the "English Lobsters XI" (under the management of one Dick Apps and comprising celebrated social and sporting figures from Kent) , will never be forgotten. The unique hospitality that the tourists received in Kent , Wales and Ireland exceeded all expectations. We knew that we may be well received in Kent through our Club contacts , but the Welsh and Irish responded to an Australian touring team in a way that touched us all. In the hospitality stakes , I think we owe special thanks to Mr. Tom Carnell of Sturry in Kent , Mr. J.B.Bunworth of Clontarf CC in Dublin , Mr. Roger Davis , Captain of the Cardiff CC , Mr. J.Davis of Cambridge , our Michael Kilborn of Oxford and , of course , Dick Apps and Hythe CC.

The full text of the results of the tour will hopefully be published shortly , as soon as I get my act together and prepare a separate booklet - the tour's personalities and events deserve preservation in a larger publication. For the moment I think the Club owes much to Martin Palin , Nick Prattent , Greg Holt and Co. for dreaming up the idea , Glen Clark for his captaincy and enthusiasm in the tour organisation , Michael Ryan for his almost sole handed effort in producing a tour booklet which was so successfully received , David Bell for his time and effort in videoing most of the event and reproducing copies of the tour video , Clayton Jones for establishing our Dublin contacts and all those whose reorganised a small part of their lives to be there.

As a Club we have thanked Touche Ross for their significant support, the Cricketers Club of N.S.W. for theirs, the Prime Minister of Australia for his patronage, and of course the Chancellor and Vice Chancellor of the University who lent their own personal support.

Touring takes cricket to another level. One doesn't feel the pain of giving up weekends in the sun or turning out after a hard week's work. Instead, you get time to enjoy all the good things about the sport - slogging it out all day in the field, drinking pints all night and doing it all again the next day. Let's hope the success of this tour acts as the catalyst for more similar ventures. Next on the touring agenda - South America.

COUNTRY TOUR REPORT

Firstly, let me convey thanks to the following people who helped in the organisation of this years tour.
 Mick Gage (Woy Woy Cricket Club), Jeremy Cuzak (Woy Woy Hotel - Sponsor), Arthur Bassett (Hunter Valley Cricket Association), John Nott (Newcastle City & Suburban Association).

The tour got off to a very poor start as the tourists gathered at Woy Woy for the first game on Dec 27th. Due to a number of factors, not the least being the absolute downpour of the previous few days, a number of players decided that the game would have to be called off and hence did not turn up. I will say nothing more than I have said to the individuals concerned, except that since Woy Woy Cricket Club were keen enough to have a synthetic wicket as backup and that they went to so much trouble to look after us, I feel that we should go out of our way to look after them when they travel to Sydney for a pre-season trial next year.

The game got underway, with Messrs Jones, Reynolds, Bloomfield & Murray combining with a group of local juniors to take on the Woy Woy Selection. Inserted on a cutting track (cutting the ball that is) we struggle to reach 7/114 off our allotted overs. Honours to Wally (27), Rocket (19) and Clayton (15 Not). In reply, Woy Woy reach 153 off their overs, with bowling honours to Paul Bloomfield (2/12), Wally (1/12), Ivan Gage (1/18) and Clayton (1/20).

After match social activities provide for much better form, with Woy Woy Club Sponsor (Licensee of Woy Woy Hotel) Jeremy Cuzak providing a barbeque for players and supporters. Jeremy did a great job here, and I can only recommend his hospitality to anyone visiting the Central Coast.

Social activities in Gosford later that night find no pubs open, and the infamous Central Coast Leagues Club almost empty with about 10 patrons, and most of the club closed. Not a good start to the nights on tour either!

Day 2 sees us travel to Newcastle, for consolidation of the squad, and a day's golf at the Merewether Golf Club. Anthony Wilson helps support his local sheriff with a quick trip up the expressway, Sinkers is immediately barred from the golf course for his attire (socks mainly). Merewether is a great course, but unfortunately most players carried their excellent batting form over to the course, with several tons carded. (Who did win anyway?) Notable performances on the day included the first birdie of his career for Clayton, and Wally's quip to Rocket "are you playing with a divining rod?". Yes folks there is some water around the course!

Night sees all the boys back at the Junction motor Lodge sprucing up for a big night on the town. Having heard all about Disco's previous effort at Fanny's, we decide that this is our sort of place. After much drinking, rating a band called the Covers and several attempted gropes (who was the keeper who didn't know what to do with his hands?), we head back to the motel for what is left of a night's sleep.

Off to the game and our last two players haven't shown up yet. Mickey Diabolical and Slick Nick have thrown themselves on the mercy of the State Rail Authority, and sure enough the train is late. Thankfully, we win the toss and bat. While Reynolds & Wilson set about grinding out a total, Rocket hits the road to find the appropriate railway station. Slick & Mickey meet on the Broadmeadows platform after alighting from the train and collect Rocket at the barrier. Back to the game in time to find Reynolds (14) & Wilson (10) back in the pavilion. Coots (68) & Cummins (40) are providing the rescue mission. Sinclair (7), Soper (0) and Rocket (15 Not - helped by his earlier "driving" practice) fill out the total of 8/165.

A good bowling and fielding effort is not good enough to prevent the locals reaching 3/166, with DeBello (2/39) and Bloomfield (1/14) picking up the wickets. The Newcastle City & Suburban side fielded a very strong side, and a good hard fought game was enjoyed by all. The same side were due to play a touring "Young New Zealand" side the following week. We enjoyed quite a few beers with them after the game, and received a standing invite to tour again. Special thanks to Martin Soper who filled in for us at late notice.

The final social points of the tour include dinner for the lads at Sinbads followed by bulk beer and a rerun of last night at Fannys. Funny thing was that no one got arrested. Could it be that they broke the mould after Disco ?

Thanks to the whole squad: Clayton Jones, Wally Reynolds, Anthony Wilson, Damien Cummins, Duncan Coots, Peter Sinclair, Ian Murray, Paul Bloomfield, Martin Soper, Nick Prattent and Steve DeBello.

Special Award: Senior players decided to confer this award on Paul Bloomfield for excellent taste in Restaurants and fine wine for the whole tour. Special commendations also for knowing the wine waiter and the young lady at Sinbads.

STUDENTS V CHANCELLOR'S XI

The most celebrated destruction of a batting line-up since Headingly, 1981 occurred when the Students visited the Village Green one misty Sunday in March, 1989. The Students were demoralised!

The students were stung by the crushing defeat. "We consider the pitch was unsuitable for top-class cricket and especially prepared to assist the experienced performer", Captain Andrew Shaw exclaimed. Shaw continued to announce to the assembled press, "I went to bed early last night with my eyes clear and the stars shining bright. I awoke as fresh as a daisy with a spring in my step. Unfortunately as soon as I arrived at the ground I could see the pitch had been tampered with."

Despite these claims the Students performance was miserable. Only 121 on a pitch that seamed but had regular bounce was a disgrace. The type of pitch that any professional from Hove to Edgbaston would consider his bread and butter. The Student's Chairman Michael Kovacs was upset with the display and officially resigned from his post.

Not one undergraduate managed thirty runs and this pitiful performance brought outrage from senior Sydney cricket writers. One writer put his words bluntly, "I feel today's inept display could put University Cricket back 30 years. Leader Shaw has much to answer for!" Strong words indeed.

But now to the Chancellor's XI. Superbly led by a 'Brains Trust' of Jim Dixon and the V.C., Professor Birt, they exuded confidence all afternoon. Experienced seamers, Richard Pym and Phillip Watkins, revelled in the conditions. 'Sorbent' Steve Campbell easily accounted for a few young men and cleaned up the tail.

The batting was even more awesome. The 121 total was passed with the loss of only two wickets. Clayton Jones and Jock Martel treated the attack with contempt. There were many glorious touches off Clayton's blade whilst Jock was at his effervescent best. Old-timers grinned as they watched this lesson in batmanship being handed out. It brought back memories of Jackson, Hill, Ponsford and Trumper. John Pym was not required to display his talent - that indicates the Chancellor's strength. Captain Jim Dixon said, "To get two wickets was a fine effort and there were a hell of a lot of lessons for the Students to be learned from this game."

This is a very important fixture in the club's itinerary. Unfortunately the day was affected by the weather and semi-final clashes. Many thanks must go to the V.C. Professor Birt and Chancellor Justice Samuels for their attendance and interest in this game. If Wigan v St Helen's is considered a ratings winner, surely this game will be televised live next season.

SOCIAL EVENTS

The social side of the game has always been recognised and well catered for by the Committee of the Club, with the organisation and quality of the events being one facet which our Club has excelled in. This year, of course, was no exception and it was good to see many of the new undergrads getting involved in and enjoying the numerous events organised this year.

The Doncaster Hotel was the focal point for the post-match storytelling this season and Saturday nights saw the courtyard filled with University cricketers in various states of animation. It was good to see so many players from all grades getting along to stay in contact (you certainly didn't get to meet to many people at training this season). Too many shockers to give awards, but honorable mentions to new boys Al Cane and Tim Grosser for consistency. The facilities at the Donnie are good and our thanks to management for supporting the club and tolerating our attendance.

The annual golf day was also well attended this year, despite poor weather and Disco doing the handicapping. Once again it was an Ambrose competition, with the venue being Kogarah Course for the second year in succession. The records indicate that it was won by Morg's group. Thank you Disco for a great day and for finally ending Livo's monopoly on this event.

The Trivia Night is another popular event which has become an institution in the Club. This year about 130 people attended the University Squarehouse to do battle with a set of mindbenders set by Jack Chemical and once again, a good time was had by all. Thank you Jack.

The Christmas Party was held at the Uni Bar after the game against North Sydney was washed out, and it was a fairly damp evening itself. Absolute shockers were turned in by Sinkers, Father John, Nomad, Aids, Chemical, Disco, Shawy, Muzza and Kurly which will surprise nobody. Pricey and his wife receive praise from the youngsters for their choice of company for the evening. A lot of hard work put in by Adrian White and Michael Kovacs to organise the evening and it showed in the success of the night.

Peter Briede organised another Uni vs Navy match and barbeque at the Village Green, an event which many players look forward to. Keep up the good work Briede.

With the P.G. side firing, a club barbeque was organised by David Bell for their last round against Campbelltown - with the premier of the U.K. Tour Video in the Sam Crack that evening. A good crowd got along to see a big win by the P.G. boys and enjoy a great day and evening.

The highlight of the social circuit was once again the Annual Dinner held at the University Squarehouse in April - which doubled as a farewell to Henry for the Ashes Tour with the Australian team. Highlights of the evening were :

- a very witty speech by the Chancellor, Justice Samuels, which detailed the possible benefits of the proposed Western Suburbs campus to the cricket club (such as batsmen, bowlers and wicketkeepers to cover our current weaknesses in these areas).
- a one hour 'Michael Whitney Show', which was enjoyed immensely by everyone. A great effort by the guest speaker.
- U.K. and Ireland Tour stories by Peter 'Lenny' Godber and Glen 'Orca' Clark.
- a very blue Barr-Turn speech by Disco.
- an outstanding 'shocker' by Big Al.

The standard of the Annual Dinner has reached great heights, placing a lot of pressure on the organisers to maintain this standard. Peter Jourdain and Greg Livingstone did a great job on this year's Annual Dinner - congratulations and thanks guys.

Reports on the U.K and Ireland Tour, Intervarsity trip, Country Tour and Chancellors Day appear elsewhere, so suffice to say thank you to Peter Godber, Glen Clark, Marty Palin, Adrian White and Ian Murray for their time and effort in organising these events.

The level of social activity in the Club is one of its great assets and a real attraction to play for Uni - make sure you do your bit this season to make the social activities a success.

CLUB RECORDS

The following Team Records and Partnership Records apply to the years in the Sydney Grade Cricket competition - from and including seasons 1973-74. For records prior to the 1973-74 season refer to the 1972-73 Annual Report M. & S. Competition. The Leading Run Scorers, Leading Wicket Takers and Leading Dismissals include all runs, wickets and dismissals in both the Grade and M. & S. Competition for the club. Performances in teams for which not all club members are eligible (Poidevin Gray and Interschool) are not included in the following club records - details can be obtained from past annual reports. A minimum of 250 runs or 15 wickets are required to qualify for batting or bowling average records.

Only the initial record maker is identified in the event of tied records.

FIRST GRADE

Highest Score	7/382	Vs	Penrith	1988/89
Batting Aggregate	787		J.Robson	1981/82
Batting Average	52.5		J.Robson	1981/82
Record Score	201*		G.Livingstone v Waverley	1985/86

THE UNIVERSITY OF NEW SOUTH WALES CRICKET CLUBAUDITORS REPORT

I report to the Members of the University of New South Wales Cricket Club that I have examined the accounts and records of the Club for the year ended 31st May, 1989. My examination included such tests of the Club's records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion the Statement of Receipts and Payments and Bank Reconciliation represents a true and fair record of the Club's transactions for the year.

J. T. HALL B. Comm. AASA

THE UNIVERSITY OF NEW SOUTH WALES CRICKET CLUB

HONORARY TREASURER'S REPORT FOR THE YEAR ENDED 31ST MAY, 1989

The attached accounts show a surplus of \$4220 for the year. The result is satisfactory and is sufficient to cover the ongoing costs of the club.

P. Jourdain
Peter Jourdain
HON. TREASURER
