OFFICE BEARERS 1981/82

PATRON: Prof. M. Birt

PRESIDENT: Dr. J. Ingleson

SENIOR VICE PRESIDENTS:

C. Barrington
A. Epstein
R. Merrell

VICE PRESIDENTS:

J. O'Brien	H. Bradford	S. Yeomans
J. Hall	J. Chapman	W. Harris
D. Pratt	I. Moutray	J. Moore
J. Skiller	J. Chegwyn	T. Brooks

LIFE MEMBERS:

J. Beard	Dr. E.C. Watton	A. Epstein
H.C. Bundy	C.H. Barrington	J. Rogers
M.J. Reidy	G.N. Garland	M. Ray
Prof. S.E. Livingstone	A. Taylor	
J. McK. Middleton	R.W. Merrell	

HON. SECRETARY: Andrew McMaster

HON. TREASURER: M.T. Sample

HON. TEAMS SECRETARY: Ian Kellaway

HON. AUDITOR: J.T. Hall

MANAGEMENT COMMITTEE:

J. Ingleson (Chairman)	A. McMaster
T. Buddin	R. Merrell
G. Clark	T. Raptis
A. Epstein	M. Ray
G. Garland	J. Robson
C. Hanger	M. Ryan
I. Kellaway	M. Sample
D. Lemon	J. Scarcella
J. MacFarlane	I. Smith

COMMITTEE MEETING ATTENDANCES (as per minutes):

Up until June 1982, there were 11 monthly meetings of the UNSW Management Committee.

	<u>Attended</u>	<u>Apology</u>	<u>Total</u>
J. Ingleson	11	-	11
I. Kellaway	11	-	11
D. Lemon	10	1	11
A. McMaster	9	2	11
T. Buddin	9	2	11
M. Ray	9	1	10
J. Robson	9	1	10
A. Epstein	8	2	10
I. Smith	9	-	9

PREMIERSHIP WINNING TEAMS

"B" Division 1963-64

H.C. Bundy (Capt), T.D. Creer (V-Capt), R.G. Ballantyne, R. Bayfield, D.C. Clark, J. Hollington, I. Lowe, F. Martin, I. Potter, G. Sylvester, R.W. Smith, C. Reiton (12th)

"A" DIVISION 1964-65

J. Chegwyn (Capt), J. Mck. Middleton (V-Capt), B.G. Andrews, R.G. Ballantyne, D.C. Clark, K. Daly, G.M. Garland, J. Piggott, M.J. Reidy, G. Sylvester, P.A. Ward.

"A" DIVISION 1965-66

J. Chegwyn (Capt), J. Mck. Middleton (V-Capt), B.G. Andrews, R.G. Ballantyne, H.C. Bundy, D.C. Clark, K. Daly, G.M. Garland, I. Lowe, J. Piggott, M.J. Reidy.

"B" DIVISION 1966-67

R.W. Lucas (Capt), P.J. Schofield (V-Capt), C.H. Barrington, R. Bayfield, A. Bishop, G.J. Cole, D. Lacey, D. Pocock, A.J. Taylor, A.R. Turner, D.E. Wills.

"A" DIVISION 1967-68

H.C. Bundy (Capt), J.E. Pratley (V-Capt), B.G. Andrews, R.G. Ballantyne, J.N. Healey, H. Herbert, R.S.J. Levi, I. Lowe, P.J. McEachran, J. Mck. Middleton, D.E. Wills, P.C. Emery (12th).

"B" DIVISION 1967-68

R.W. Lucas (Capt), P.J. Schofield (V-Capt), C.H. Barrington, R. Bayfield, D. Brady, G.J. Cole, J. Piggott, C. Reiton, A.J. Taylor, A.R. Turner, P.A. Ward.

"A" DIVISION 1970-71

J.E. Pratley (Capt), G.M. Garland (V-Capt), G.J. Cole, B.R. Cos, A.E. Dietsch, P.A. Heaney, J.B. Martel, Z. Pirjevec, R.W.D. Robertson, G.G. Robinson, D.G. Smith.

"A" DIVISION 1971-72

G.M. Garland (Capt), A.E. Dietsch (V-Capt), G.J. Cole, B.R. Cos, P.A. Heaney, J.B. Martel, G.A.N. Preston, C.A.P. Samerasekera, A.J. Taylor, P. Whalen, D.E. Wills, H.W. Hopkins, R.W.D. Robertson, G.G. Robinson.

INTERVARSITY CHAMPIONS 1974-75

J. Martel (Capt), C. Chapman, J. Robson, P. James, J. Barford, S. Tait, R. March, S. Wiblin, C. Brown, R. Zabell, G. Kirkwood, D. Barbour, M. Ray, P. Grattan-Smith.

2ND GRADE ENCOURAGEMENT AWARD 1974-75

R. Robertson, G. Garland, A. Taylor, P. Burnett, D. Smith, D. Barbour, P. Watkins, C. Brown, G. Kirkwood, P. Grattan-Smith, A. Jacobs, A. Wijeratne, P. Noble.

3RD GRADE ENCOURAGEMENT AWARD 1975-76

J. Ingleson, C. Kiefel, I. Smith, B. Cox, G. Cole, G. Garland, S. Howard, J. Burke, M. Bryce, R. Zabell, J. Cutler, T. Haymet.

1ST GRADE 1976-77

J. Rogers (Capt), S. Campbell, C. Chapman, P. Deegan, P. Grattan-Smith, G. Lawson, G. Livingstone, J. Martel, J. O'Brien, R. Pym, M. Ray, J. Robson, G. Watson, M. Watt.

POIDEVIN-GRAY 1976-77

J. Robson (Capt), M. Bryce, J. Carmichael, S. Howard, N. Jansson, P. Jourdain, G. Kirkwood, G. Lawson, G. Livingstone, D. Meagher, N. Perger, M. Watt.

2ND GRADE 1977-78

T. Buddin (Capt), P. Deegan, R. Campbell, N. Jansson, P. Tout, B. Handley, G. Kirkwood, R. Pym, R. March, G. Robinson, I. Smith, J. Martel, N. Perger, D. Pratt, P. Emery, J. Sands, J. Jourdain.

1ST GRADE 1980-81

M. Ray (Capt), T. Buddin, C. Chapman, G. Lawson, B. Handley, C. Hanger, J. Dixon, P. Tout, N. Perger, S. Campbell, N. Jansson, G. Livingstone, J. Robson, A. Wijeratne, D. Meagher.

AUSTRALIAN REPRESENTATIVES

1979	G. Lawson (India)
1980	G. Lawson (Pakistan)
1981-82	G. Lawson (Pakistan)

PRESIDENT'S REPORT

The past season was a year when the vision splendid faded with the light and rain at Coogee Oval on the last Sunday in March. It was still a fine achievement to reach the First Grade Final yet again and a sobering reminder that not since the St George side of the mid-1960s has any Club won the First Grade Premiership two years in succession. Equally impressive was the performance of the 5A side: Minor Premiers but unfortunately beaten in the Final. It was a good side, probably the best 5th Grade side we have fielded, and a good indicator of the depth of talent in the Club. My congratulations to both sides and especially to their captains, Mark Ray and Keith Madden.

It was a difficult year in so many ways, administratively and on the field. An enormous amount of work was put into the Club off the field, particularly in the early months of the season. I would like to record my deep appreciation of the work of Terry Buddin, Andrew McMaster, Mark Sample and above all Ian Kellaway. Ian deservedly won the Clubman of the Year Award-his untiring and selfless work for the Club is an object lesson for us all.

I believe that we ended the season even stronger than we began it. We have developed a very young Second Grade Side which in the years to come will prove its quality and provide new players for First Grade. One of the great advantages of a University sporting club should be that it provides an opportunity for young players earlier than most Clubs. Intervarsity cricket, country tours and not least higher grade sides with a fair share of "non-greying" players are all doing this.

We have established a formidable reputation in just a few short years in Grade Cricket, a reputation of which we should all be proud and should do everything in our power to develop further. Next year is the tenth anniversary of our entry into Grade Cricket. We intend to hold a special Anniversary Dinner later in the season to which those who have played for the Club in the past 32 years will be invited. It should be an exciting year - on the field we have the talent to continue our past success and off the field we have developed a tradition of fine social functions.

The improvements to the wicket table at the Village Green this year have been most noticeable. A lot of effort has been put into persuading various people to upgrade the area and we are grateful to the work of the groundsmen in improving the overall standard considerably. Next season we hope to have good wickets consistently. I am confident that the work done on the practise wickets in the off season will also bear fruit. Some physical improvements will be noticeable at the David Phillips ground, notably sightscreens and scoreboards, but the wickets there are already second to none in Sydney.

The strengths of this Club are its good management by people who are actively involved in playing the game, its vibrant social life and its development of a pride among players in representing the University of New South Wales, whether in First Grade or in the City and Suburban competition. It is all based on the two points we have in common: our love of the game of cricket and our pride in the University. If we maintain that pride and that striving for excellence which is a hallmark of a University then we will continue for many years to be a major force in Grade Cricket.

FIRST GRADE

1981-82 was the season of finishing second. Second in the premiership table, second after the final series, Jim Robson second in Sydney's batting, and Mark Ray second in the Herald Award. If you add to this the 5A's and Poidevin-Gray, it seems we were not meant to make it. While we should not be satisfied with coming second, we should also remember that only one team did better than us. The challenge for the coming season is to maintain our high standard of achievement, and to improve those things which prevented us from winning the premiership.

As you can see from the match report of the final two of our bowlers were lacking in both match fitness and net practice. Geoff Lawson's first class season had finished a few weeks earlier and he had not bowled in a game since then. Bowling off four steps on asphalt run-ups is not good enough practice for a fast bowler. When you consider how little actual match bowling Henry did during the season, it is no wonder he struggled in the final. Mark's broken toe, sustained in round 12, was slow to heal, and he also could not get proper practice on the hard approaches to the synthetic wickets at the Village Green. These problems were compounded by a lost weekend, due to preference being given to the State cup, between Rd 15 and the semi-final. Rain washed out a centre wicket practice on the Sunday of that weekend, as it did to Synday's play in the semi. This meant that we had not bowled in a game for three weeks up to the Final. Such a disruption to our preparation was costly. While there was marked improvement in the quality of the Village Green wicket, the practice facilities were most often in poor condition. The improvement of these wickets is essential for worthwhile practice to be available for first grade. Our fast bowlers are very restricted at practice, and this will be to our disadvantage in future seasons as the Village Green begins to favour pace bowlers and batsmen more and more.

Another factor which led to our poor performance in the final was a general lack of purpose in our practice sessions. If wickets are not good enough, that time can be used for fielding practice not for socialising or complaining. Admittedly those players in the State squad had had a lot of training all season, and had perhaps lost some of their edge towards the end of the season. Add to this a general slackness which seems to overcome most premiership teams the following year, and you have a dangerous situation developing. At first grade level, players should be able to motivate themselves sufficiently to make practice worthwhile and set an example to the rest of the club. We have the talent in the team, and back-up talent developing in second grade and P-G to continue our excellent performances of the last few seasons. As long as we realise that winning won't continue to come easily unless we work at it, there is no reason why our success won't continue.

It seems certain that we will be losing some key players next season. Chris Chapman will be working overseas for a year or so, and in him we will be losing one of our most talented and experienced players. Chris did not have as many opportunities with the bat as in previous years, yet he still managed to play match-winning innings on at least two occasions. His fielding all year was very good, and he has been one of our most consistent and versatile fieldsmen over many seasons. Chris Hanger is going into semi-retirement. He will be unavailable for first grade but will play as often as he can in the lower grades. "Cliffie" has become such an accepted part of the team that it is only now that we have to replace him that we really appreciate how important he has been to our success. He has been one of the best keepers in Sydney cricket for the last three seasons, and his team

Spirit and co-operation have contributed greatly to the team. While these losses will be difficult to cover in the short term, they offer opportunities for younger players and present the team with a new challenge - both of which could be beneficial in the long run.

The Village Green wicket obviously showed great improvement on past seasons. The new soil had a great effect and with more to be added for next season, it should continue to improve. The only problem we faced was some inconsistency in preparation. A more regularised approach to the preparation of match wickets is needed to ensure consistently good wickets. With the assured co-operation of the ground staff there is no reason why this should not happen. On four or five occasions this past season, the wicket was the best it has been for ten years. Our special thanks go to the groundstaff and to John Ingleson and Ian Kellaway for their patient hard work.

A reading of the match reports and statistics will show that all players contributed to the teams success and my thanks and congratulations to all of them. Some players deserve special mention.

Jim Robson obviously had a marvellous season which should see him in the State squad for 82-83. He was able to score runs on all types of wickets, against all types of bowlers. His consistency and confidence added great substance to our batting line-up. For longtime followers and members of the team his success brought great pleasure, especially his maiden first grade century. Hopefully this is the beginning of many such fine seasons. He has the ability to go far in the game.

Greg Livingstone also scored his maiden first grade century. Livo's experience and ability got us off to many fine starts and his thirties scored at the top of the order were important in laying the groundwork for the later batsmen. His innings against Western Australia was also a top class effort, displaying shots all round the wicket against top opposition. Livo's fielding, as always, was excellent.

Jim Dixon again showed what a fine cricketer he is. He again took over 40 wickets and did a lot of hard work at the bowling crease. His fielding all year was very good, and his catch against Petersham was one of the most memorable pieces of cricket all year. Disco also represented NSW in the Colts carnival in Brisbane.

Dave Meagher came into the team and very quickly made his mark. To score a century in first grade after only a handful of games was outstanding. Dave has shown he has the application and temperament to be successful for many years in the top grade.

Special mention must also go to Jim Robson, Jim Dixon and Steve Campbell for their selection in the Australian Universities team to tour England in June-July. They will be very good representatives of the Club.

On behalf of the team I would like to thank all our supporters especially those who helped out many times during the season. To Mrs. Ray, Jenny, Julie, Genevieve, Christine and Margaret our thanks for the afternoon teas; to Jack Skillen for his ever helpful support; to John Ingleson, Andrew McMaster and Mark Sample for their assistance; and especially to Ian Kellaway who did so much of the hard work for us and the whole club. Our very special thanks go to Dave Lemon who continues to do an ever increasing amount of work for first grade and the cricket club as a whole.

MARK RAY

Round 1 Vs Penrith: UNSW 151 Vs Penrith 3/160. Typical season's start for a Wales premierships team. We struggled on a wicket where shots were very difficult and the ball seamed all over the place. The following week they batted on a much better wicket and we bowled in very windy conditions. Although we had the worst of the conditions, we played poorly. Robson 42, Ray 30, Dixon 3/48.

Round 2 Vs Sutherland: Henry's first game after his injury in England. UNSW 283 Vs Sutherland 140 and 4/67. We batted on a poor track at Caringbah. Livingstone 50, Robson 42, Ray 39, Lawson 36. Top all round batting display. Sutherland crashed from 0/88 to 10/100, with only 4 batsmen opening their accounts. Ray 6/50, Lawson 3/30.

Round 3 Vs Gordon: UNSW 7/249 Vs Gordon 198. We recovered from 2/2 thanks to Robson's great dig - 124 - his long awaited maiden first grade century. This sort of form continued all season. Livingstone 39, Wijeratne 28. Pym 5/40, Ray 3/55. Intelligent bowling by Pym, showing us younger players how experience pays dividends.

Round 4 Vs Waverley: Waverley 8/187 Vs UNSW 5/188. Dixon 5/59, Ray 3/72. Disco bowled very well including the prize wicket of England's Paul Parker first ball (even if it did hit a rock.) They scored their runs off 88 overs. We had to get them in under 50. This was the first instance of our new-found ability to chase runs under pressure. Led by Jungle with another 42 n.o., Livo 37, and a brilliant 45 by chappo with a great six off the opening bowler which easily cleared the sightboard at Waverley oval. An excellent win.

Round 5 Vs Sydney: Sydney 72 and 148 Vs UNSW 3/75 and 5/147. Bowled first on a wet wicket. Ray 6/26, Dixon 4/32. Ray 33, Robson 22 n.o. Pym 2/27, Campbell 4/42, Chappo 37 n.o., Handley 30, 2nd innings chase for outright points.

Round 6 Vs Bankstown: Bankstown 8/259 Vs UNSW 218. With nothing going our way, and some fine batting, Bankstown amassed a large score. Our bowlers toiled well with Disco taking 5/53 off 29 overs - a determined effort. Our batting faltered with only Bruce (45) and a rearguard fight by Dick Pym (45 n.o.) bringing our score to respectability.

Round 7 Vs Nth. Districts: UNSW 173 Vs Nth. Dist. 3/177. Recovering from 2/20 to 2/103, and just looking in control, we lost 6/16. Pym again saved us from a very low score, hitting up 35 and with PG-S (19) adding 52 for 9th wicket. Dave scored 52 in his first innings as an opener, and Jungle 37. NS's batting proved too strong.

Round 8 Vs St. George: Limited over game. UNSW 142 Vs St. George 2/28. On a poor V.Green wicket, Jungle and Chappo saved us with 62 and 40 respectively - two very good innings. With Saints 2/28 rain ended the days play game drawn.

Round 9 Vs Mosman: Mosman 204 Vs UNSW 4/206. Perger 3/43, Ray 3/72. Nigel showed good form, bowling straight and with pace. Good fielding display with fine catches by Livo on the fence, Bruce at slip, and a top throw by Mark Hamwood for a crucial run-out. Ray 49, Robson 47 n.o. (more red-inks!), Livo, Dave and Bruce all scoring in the twenties. A tight run - chase, the turningpoint coming, according to Jungle, when Bruce on-drove their medium-pacer for a powerful six.

Round 10 Vs Nth. Sydney: N.S. 130 Vs UNSW 4/92. Ray 4/41, Dixon 3/17, Campbell 3/50, Livo 35, Robson 25 n.o. Game drawn because of rain.

Round 11 Vs Manly: Manly 119 and 4/233 Vs UNSW 2/120 and 8/235. Manly crumbled before Dixon 4/46 and Pym 4/31 in first innings. Livo took his first slips catch since East Albury under 12's, and Bruce took a great one-handed catch at silly point of Mark. Our first innings Livo 53 n.o., Jungle 4/n.o. On the second day Manly closed at 4/233 on a beautiful batting wicket. Set 233 in 209 mins, Chappo had to score 2 off the last ball to win outright. He smashed it through the covers for four. An excellent win. Robson 68, Ray 65 and Chapman a better than even time 55 n.o.

Round 12 Vs Sydney University: UNSW 5/237 Vs S.U.C.C. 209. Sent in on a wet-wicket we played very well, led by a determined and gutsy 117 n.o. by Dave Meagher, Dave showed plenty of character in making his first First Grade century in only his eighth (10th?) game. He was well-supported by Robson - 52. Ray got 35 and a broken toe for his troubles. The wicket was even wetter on the second day, and Nigel and Steve taking 3/47 and 3/69. We were one bowler short but these two responded well under pressure, Steve conceding 69 runs off 32 overs - a top performance.

Round 14 Vs Petersham: UNSW 6/237 Vs Petersham 223. At tea, the score of 5/126 did no justice to a top Village Green wicket. We recovered in the last session due to a partnership of 77 by Jungle and Mark. The former scored a fine 92 and the latter 54 n.o. (the day he realised that openings was a mug's game). Jungle deserved another ton as he really dominated once again. Dave Meagher made 30 before his annual bout of midwicket nausea got the better of him. The track on the second day was not up to scratch and left us embarrassed. Nigel 4/49, Disco 2/34 and Steve 1/26 off 22 overs bowled us to a close win. However the real matchwinner on that day was Jim Dixon. This brilliant, diving, one-handed catch in the outfield off Steve to dismiss Greg Hartshorne was one of the very best you could ever see. John Dyson's catch in the Sydney Test was only marginally better. Disco's earlier catch at mid-on when he took his eyes off the ball, ran 15 yards, looked again and then dashed another 10 to hold it, wasn't bad either. The players fielding tipped an important game our way.

Round 15 Vs Wests: Into the last round we are third and need an outright win and Penrith to only manage 6 points for us to take second place. Luck favoured us in the toss and we bowled first on a rain-affected pitch. Wests 56 and 146 UNSW 2/57 and 8/146. Ray 5/21 and 8/46, Perger 3/1 and 1/18 and Pym 2/20, Livo 31 n.o., Meagher and Handley 32 apiece. We had scraped into second place and this proved crucial when rain washed out the semi-final.

Semi-Final: UNSW 7/267 After an easy win in Rd. 15 and a washed-out practice session on the free weekend which followed, we went into the semi a little under prepared. The Village Green was a little too moist at 10am on the Saturday but the skipper gambled on batting anyway. At 2/18 it looked disastrous, but once again someone came to the rescue. Livo and Jungle put on 143 for the 3rd wicket. Livo gave a great example of concentration and determination to score his first grade century. This topped off a fine season for Greg. He batted nearly all day and it was a thoroughly deserved century, made in a big game on a bowler's wicket. Livo had great support from Jungle once again. As happened all season, Jungle played superbly and batsman in such dominating form makes it easier for those batting with him. It was fitting that he played such a significant role in this game, as his batting was the major factor in our reaching the final form at all. Livo and Jungle took us from 2/18 to 3/161. Steve Campbell was the only other player to reach double figures, scoring an excellent 29 n.o. This was another example of Steve's coolness under pressure, a quality he showed with the bat several times during the season.

With rain falling on Saturday night we were in the box seat. Play was washed out on Sunday with no further play. While this ensured us of a spot in the semi (how important that we finished second), it robbed us of much and needs match bowling. We came to realise this during the final.

FINAL Randwick 215 Vs UNSW 8/158.

Winning the toss on what was an unexpectedly rain-affected pitch should have been the piece of luck we needed to take the game from Randwick. If we had have bowled well enough that would have happened. With Henry and Mark both showing signs of lack of practice, we were never able to exploit the favourable conditions. This was where the game slipped from us. Jim Dixon rose to the occasion with 5/45 off 26 overs - another fine performance. We had plenty of time to make the runs on Sunday. Mark and Livo were never in much trouble early, though runs came slowly, due to some inaccurate bowling from the Wicks. Looking back, we might have been better off to have "chased" them. On a wicket which made shots difficult, we were never on top, and it was a hard struggle all day. When rain ended play we were 8/158. While hesitating to outrage the not out batsmen (Steve 18, Dick 10), it would have been a minor miracle if we had have scored the runs from there. We did not play well enough to win, and the cup went to the better side on the day.

SECOND GRADE

The season started well, went through a disastrous stage and then ended on an extremely promising note. The first 2 games resulted in 2 wins, mainly because of the added strength supplied by players who ultimately played mainly in first grade. Second grade then suffered because of the loss of Geoff Lawson and Mark Ray to representative duties. At the same time there was one retirement from first grade. This left a hole of 3 players, which took some time to fill. The third problem in the attitude some players take when they find they are playing second grade and not the grade they consider they should be playing in. Overall 31 players had a chance to show their form in second grade. However despite these set backs a basis for a strong new team for next season was formed.

The last seven games showed a great turn about and we again dominated most of the games. This was due to the infusion of new players who consolidated their position as second grade players. Jamie Baker in eleven matches scored 402 runs; John McLachlan in five matches scored 212 runs; Mark Hoy in eight matches took 22 wickets; Mark Hamwood in six matches scored 157 runs and took 15 wickets; Mike Kilborn overaged 45 minutes at the crease in the difficult no. 3 position and the experienced Asoka Wijeratne scored 324 runs in seven matches. It's hoped all these players can start next season as well as they finished the last.

Match Reports:

Round 1 Vs Penrith: UNSW 226 defeated Penrith 168. The Penrith batsmen struggled all day and managed their runs off 74 overs; the wickets being evenly shared. We passed them 5 wickets down; Dave Meagher 68, Jock Martel 39 and Leon Darmody 38 were the main scorers.

Round 2 Vs Sutherland: UNSW 3/83 and 6/187 defeated Sutherland 76 and 9 dcl 206. Dynamic bowling by Nigel Perger 6/39 and Richard Pym 2/19 saw Sutherland routed for 76. We passed their score easily. Some missed chances allowed Sutherland to declare their second innings. Nigel Perger 4/62 (ie. 10/101 for the game). Clayton Jones 71 not out and Dave Meagher 40 were the best batsmen in the second dig. An unusual umpiring decision saw the game called off with us only 12 runs short.

Round 3 Vs Gordon: UNSW 164 lost to Gordon 7/182. An early collapse saw us 7/86, (Clayton Jones 28) and then all out for 164 thanks to some late batting by John MacFarlane 21 and Mark Hamwood 32. At 5/91 we had a chance but a catch at first slip was disallowed and we lost our momentum. Mark Hamwood was our most successful bowler.

Round 4 Vs Waverley: UNSW 7/96 lost to Waverley 8/175. Greg Robinson 3/72 and John Sands 3/48; Dave Meagher 31 and Clayton Jones 24 were the only performers in a game when we were well outplayed.

Round 5 Vs Sydney: UNSW 235 lost to Sydney 9/237. Steady scoring early Clayton Jones 45, Jock Martel 35 and Asoka Wijeratne 28 and later Mark Hamwood 63 and Geoff Kirkwood 28 saw us reach a reasonable total. With Sydney 8/180 we looked like winning, however their tail wagged and we lost. Mark Hamwood 5/76 off 33 overs.

Round 6 Vs Canterbury/Bankstown: UNSW 116 lost to Canterbury Bankstown 253 and 1/58. The opposition batted on a perfect wicket to reach their total. Paddy Grattan Smith 3/63 (43 overs) and John Ingleson 3/59 (25 overs) toiled well after Greg Robinson pulled a muscle. Our batting was abysmal, Paddy doubled up with 42.

Round 7 Vs Nth Districts: UNSW 186 tied with Nth. Dist.'s. 186
Jock Martel 74 and Asoka Wijeratne were the main scorers. John Ingleson
3/56 and Steve Price 6/40 the successful bowlers. Steve Price bowled
exceptionally well and took the last wicket with the scores tied.

Round 8 Vs St. George: UNSW 6/67 lost to St. George 206. A wet
wicket early should have seen us bowl with more success (Nigel Perger
3/56, John Ingleson 4/76). Between innings there was a storm and
this made batting impossible.

Round 9 Vs Mosman/Middle Harbour: UNSW 176 lost to Mosman 6/200
Our bowlers toiled well to restrict Mosman to a reasonable total on a
good wicket, however our batting could never quite get on top to help
us register a win - Mike Kilborn 48.

Round 10 Vs Northern Suburbs: Washed out.

Round 11 Vs Manly: UNSW 165 and 5/34 defeated Manly 152. At last a
win !! 0-87 and all out for 165 was not a great effort. Asoka Wijeratne
52 and Jamie Baker 37. 101 overs later Manly had crumbled to be all out
for 152. Jamie Baker 3/28, Mark Hoy 4/38 and Mark Hamwood 3/27.

Round 12 Vs Sydney Uni: UNSW 7/212 defeated Sydney Uni. 179. Sydney Uni
batted first on a wet wicket; Mark Hamwood 3/50 and Mark Hoy 3/59. If
we had have held a few catches the score may have been much less and an
outright win may have been possible. Our batting was dominated by a
marvellous second wicket partnership of 170 runs. Asoka Wijeratne 114
and Jamie Baker 50.

Round 13 Vs Balmain: UNSW 184 lost to Balmain 4/185. Asoka Wijeratne
65 and Mark Hamwood batted well. At 3/41 we looked like upsetting Balmain
however, they kicked on and had an easy win.

Round 14 Vs Petersham/Marrickville: UNSW 7/335 and 1 dcl. 87 defeated
Petersham 6 dcl. 139 and 5/281. A splendid batting double by Jamie Baker
106 and 51 not out was the highlight. In our first innings we batted
exceptionally well, Jock Martell 74, Mike Kilborn 54, John McLauchlan
54. The second day saw Mark Hoy 3/20 break through the early batting
and Petersham declared when in a hopeless position.

Round 15 Vs Western Suburbs: UNSW 113 and 9 dcl 163 lost to Western
Suburbs 3 dcl 121 and 8/131. The last round, lost the toss and had to
bat on a wet wicket. John McLauchlan 34 was the only batsman to shine.
Wests batted in better condition and easily passid us before declaring.
Our second innings was held together by John McLachlan 41 and Roger
March 30 not out. Wests were 8/131 at the end of play Mark Hoy 3/50.

Round 16 Vs Mosman/M.H: UNSW 3/199 defeated Mosman 194. Greg Robinson
bowled splendidly 4/54 off 20 overs. Our batting was highlighted by a
splendid partnership of 94 between James Baker 51 and John McLachlan 76
not out.

Round 17 Vs Manly: UNSW 104 lost to Manly 167. A depleted side. Mark Hoy
6/26, Jamie Baker 31 and Clayton Jones got us off to a good start, however
the batting collapsed and we lost 10 wickets for 63 runs.

THIRD GRADE REPORT

Third Grade captains' have often reported in recent years that the season ended with disappointment after making the Finals. This year I can change the tune somewhat by reporting that it was disappointing from Christmas on. We lost too many games that we should have won and in others were beaten decisively when we bowled, batted or fielded with little or no purpose. One of the few good results for the season was that by the end of it the Second Grade side had 7 or 8 players who started off the season in 3rd grade. Perhaps therein lies the basic problem for the third grade side last year: far too many players came in for a few games, with nearly 30 playing one or more games with it. Stability in lower grade sides is not easy to attain, but such instability as we had in 3rd and 4th grades last year should be avoided if at all possible. Still, in the end we play the game because we enjoy it and I think that I speak for most if not all who played with the third grade side this past year when I say that it was a happy side which on the whole enjoyed its cricket, even if at times we functioned at levels below that of previous years.

JOHN INGLESON

3rd MATCH REPORTS 1981-82

Round 1 v Waverley

U.N.S.W. 7 for 123 + 2 for 22
Defeated Waverley 113 + 150

A good win to start the season! Bill Hetherington was at his fiery best in the first innings (4-14) and was ably supported by new-comer Mark Hamwood (2-40) to dispose of Waverley fairly cheaply. Sandy McLachlan (27 H.O. + 4 catches for the match) was the best of the batsmen. In their second "dig", Jamie Baker-another new-comer took 3-35, while skipper John Ingleson took 3-20 to dismiss Waverley a second time. Time and weather halted any chance for an outright.

Round 2 v Sutherland

U.N.S.W. 185 + 5-119
Defeated Sutherland 172

A real cliff-hanger! We won the toss and batted-Jamie Baker (61) and Sandy McLachlan (25) were the main contributors to our fair total. This match saw how well Mark Hamwood could really bowl. On a good D.P. track he bowled 23.1 overs to take 7-54, a really great performance! Behind the stumps Chris Deegan took 3 great catches to seal a great win.

A point worth noting: 2 ex-UNSWCC members in David Pratt and Grahame McBarron-both 3rd's members in the past, almost denied us a win. "Pratty" compiled a dangerous 40 whilst Grahame almost carried them to a win until Ingleson managed to land one on a "bottle top", which nearly removed Grahame's head, but did remove him from the crease! Our second innings saw McLachlan (53) and Pulver (33) play out time.

Round 3 v Balmain

Balmain 305
Defeated U.N.S.W. 247

Perhaps the best batting opposition we faced all year; suffice to say that Mark Del Gigante 2-32, Hetherington 2-51 and

Price 3-88 did well to limit them to only 302. A tail-end revival nearly saw us pull it off; Glen Clark (53) produced the batting form we know he possesses, and was ably supported by Ian Kellaway (42), Sandy McLachlan (44) but at 8-194 we were in trouble. However, Steve Price (26 N.O.) and Mick Ryan 23 produced some classic (!) batting from the tail-enders to get us as far as we did.

Round 4 v Sydney

U.N.S.W. 5-134
Defeated Sydney 91

The conditions suited our bowlers (as did winning the toss on a "damp" track!) such that "Delge" (3-28) Ingleson (2-21), "Pricey" (2-19) and Ian "Kyogle" Smith (2-6) disposed of Sydney quite quickly. We had little trouble passing their score thanks mainly to "Delge" (50 N.O.) and Mike Kilborn (23 N.O.).

Round 5 v Cumberland

U.N.S.W. 272
Defeated Cumberland 218

Our batting fired - Baker (71), Kilborn (51) were the best of the batsmen, while Steve Price (60) and John Ingleson (40 N.O.) showed the middle-order how to do it from the tail putting on a great 85 run partnership.

"Pricey" then returned to inflict more damage with a devastating 21 over onslaught that saw him take 5 for 58. Behind the stumps Chris Deegan again shone out with 2 great stumpings. All the other bowlers chipped in to take a wicket somewhere.

Round 6 v Petersham

Petersham 9 Dec 292
Defeated U.N.S.W. 165

Everything went against our stand-in skipper Bill Hetherington - we lost the toss, were 1 man short nearly all day and the temperature topped the ton! Needless to say we chased leather all day mainly due to a good century by their opening bat (Mark Carmichael) - Mick Ryan 3-57 off 35 overs and Ian Smith 2-90 off 24 overs were the main wicket-takers.

We never looked like getting the runs on the second day, again in 100 degree plus heat. Only Mick Ryan, with an aggressive 50 put up any resistance, along with opener John MacFarlane 23..

Round 7 v Sydney Uni

U.N.S.W. 8-260
Defeated Sydney Uni 7-151

The first of the limited over games which saw Bill Pulver (84) and "Jacky" Jourdain (87) decimated the attack, and with "Peachy" Dixon (21) saw us reach a mammoth total. From the start they never looked like getting the runs, losing 3-6 at one stage to be 5-50 and after that didn't even try to get them, so much so, that we used 8 bowlers (!?) to try and dislodge their tail-enders. Hetherington (2-30) and Mark Hoy (2-32) were our main wicket-takers.

Round 8 v St George

U.N.S.W. 1-8
Drew with St George 5-244

They won the toss and batted. An opening partnership of 170 (!) nullified most of our chances and thanks to some atrocious fielding they always held the upper hand, to reach the formidable total of 244 in 60 overs. Rain at tea saw us 1 for 8; and that was the end of the game with several torrential downpours just after tea.

Round 9 v Mosman

Mosman 9-224
Defeated U.N.S.W. 119

Another one day game. Mosman won the toss and batted, and despite some first class fielding, especially behind the wicket where John MacFarlane took 3 fine keepers catches and "Peachy" Dixon a remarkable catch at first slip, amassed the formidable total of 224. Ingleson 3-59 and Ryan 3-51 were the best of the bowlers.

Our batting never clicked, and if we took 5 good catches they took 6 even better ones! Everything went to hand for them, and despite a resolute 41 from Steve Price and a gutsy 23 from Rob Stark (including a mighty "zack") at the tail, we collapsed for a very paltry 119.

Round 10 v Macquarie Uni

- Washed Out -

Round 11 v Southern Districts

Sthn Districts 7-141 Dec & 4-11
Defeated U.N.S.W. 114 + 37 Outright

The less said about this game the better! Bundled out for a meager 114, only Steve Price (40) and Mick Ryan (36) put up any resistance (again!). Ingleson took 3-37 but this wasn't enough to halt them from passing out total, where they then declared some 30 runs ahead.

Our second innings was a shambles to say the least, with only Joe Scarcella managing to reach double figures.

Given an hour to get the runs, they nearly made a hash of it, thanks to Billy Hetherington who took 3-1, but managed to scrape up the necessary 11 runs, for a deserved outright.

Round 12 v Manly

U.N.S.W. 6 Dec 190
Drew with Manly 9-138

Due to rain on the first day, (when we could perhaps have got on late in the day) this game was forced into a "1 dayer". In a welcome return to form, Ian Kellaway knocked up a good 50 N.O. and was well supported by John Martin (40) and Mick Ryan (36) to take us to the good total of 190.

Ryan and Kellaway did the damage in their innings where Ryan took 5-44 off 21 overs and Kellaway held 2 good catches and was almost impassable in the field. Robinson was the best of the other bowlers with 2 for 33. We just couldn't manage to dislodge the last batsmen and so missed out on what should have been a pretty safe 6 points.

Round 13 v North Sydney

North Sydney 173
Defeated U.N.S.W. 167

A one day game we should have one. We did everything right in the field where Ingleson (3-32), Hetherington (3-30) and Paddy Gratten-Smith (3-45) took the bowling honours while behind the stumps "Johnny Mac" desposed of 3 batsmen and "Kell" took 2 good first slips catches.

At 5-100 we had the game, but let it slip through our fingers because the batsmen, after getting a start, couldn't go on with their innings. Sandy McLachlan (55) was our only batsmen to fire, with 3 or 4 others getting to 15 and then throwing it away. We thus missed a win by the barest of margins.

Round 14 v Penrith

U.N.S.W. 8-128
Drew with Penrith 259

Some atrocious fielding on the first day saw Penrith amass a solid 259; Mick Ryan 3-93 and Glen Clark 3-18 were the only bowlers to make a dent on the batting.

Heavy rain the night before the second day saw us arrive to find the pitch doing a pretty good imitation of a saturated sponge! However, some concerted pleading on their part saw the umpires initiate a late start at about 2.30. Only "Jacky" Jourdain (43) could cope with the difficult pitch and along with some "average" batting we were in a considerable amount of trouble. Ian Kellaway then mounted a middle-order slow down scoring 20 runs in just over 2 hours!; he was ably supported first by Scott McCoy and then John MacFarlane, but once they were gone we seemed to have little chance of staving off defeat. That is until Glen Clark and Bill Hetherington got together, and 16 runs and a nervous half hour later saw us deny Penrith a win.

Round 15 v Bankstown

Bankstown 2 Dec 53 + 8-97
Defeated U.N.S.W. 50 + 9 Dec 216

Bankstown won the toss, sent us in and we collapsed for 50, say no more! They passed us 2 wickets down and sent us back in to have us 3 for 23 at stumps.

The second day however saw a complete form reversal. Bill Pulver (46) Ian Kellaway (37) Ian Smith (34) Rob Stark (29)--(Our new night-watchman!) demolished the bowling to get to 216 before sending Bankstown in to try for an outright battle.

Ingleson (3-28) and Clark (2-29) put us on the right track, but we couldn't remove the tailenders, the match ending in a win for Bankstown, but nearly an outright for us.

Round 16 v Western Suburbs

U.N.S.W. 6-93
Defeated Wests 92

The final round of the season saw us quite light on for bowlers, but enough to cope with a 60 over game. Perhaps a late find-Ian Kellaway took 5-29 off 12 overs, of accurate swing bowling to support John Ingleson's bowling (time bombs) 4-10 off 16 overs!

At 6 for 50 we looked to be in trouble (again!) but "Kell" (16 N.O.) and Phil Day (19 N.O.) negotiated the remaining runs to make it look rather easy.

Round 17 v Gordon

Gordon 6-183
Defeated U.N.S.W. 9-115

Last game of the season, we won the toss again. Sent them in and proceeded to produce the worst of the season's fielding performances, dropped catches 7 in all, marred a fairley tight bowling performance allowing Gordon to reach 183 of 50 overs (Ingleson and Hetherington 2 wickets each). Our batting was not up to the task, and at 4/23 we never looked like making it. Phil Day (23) Ian Kellaway (19) and Mitchell Judd (18 N.O.) were the only batsmen to offer token resistance. A disappointing end to a disappointing season.

FOURTH GRADE

It's getting a bit sad for me to write - 'what might have been' in fact, I think it's about time I retired. For the statistically minded, heaps of numerical information follows this report and intelligent readers can rationalise almost anything from then. A brief match by match report best illustrates the continuing ebb and flow of the season. What then remains? Probably some individual pen pictures plus a few general remarks to make everyone feel good and motivate us for next season.

Frankly I thought our play throughout the season was pretty lousy. We let all kind of mug sides beat us especially early for all kinds of different reasons then we'd come out and hammer sides like Mosman, Sydney Uni, Cumberland and Bankstown, all strong well run sides over past seasons. In finishing with 48 points we never really looked a definite threat but did do much better than 2nd and 3rd grade and here, I feel, lies the problem for the club. 37 players appeared in 4th grade but all too frequently the problem wasn't who to drop but rather who could we get. The 1st grade has become a stable, experienced team of considerable ability but the younger players must be motivated, encouraged and coached to bring their game to its full potential and so bring pressure on all players in the highest grades. This unhappily is not now the case. Looking at some of the more regular players Nick Prattent should be mentioned first.

Nick has kept wickets regularly but this year scored nearly 300 runs at 33 and in almost every case his runs were scored under pressure requiring not only skill but also intelligence and concentration. Nick gained deserved promotion on a couple of occasions but too often missed games - and with it the opportunity to fully capitalise on his undoubted ability.

No so, Robert Stark who played every game. Rob plays cricket "all the time he's on the field", his medium pace bowling earned him 35 wickets. (a 4th grade record) with many excellent performances on the D.P. graveyard. His aggression enthusiasm and personality add much to a team of which he is a regular member. He really can bat a bit too.

Scott McCoy introduced himself to the club this year with his unique brand of stroke play. Scott worked hard at his game however, and his improvement was enormous. I'm sure his efforts will be brought to fruition next season.

Phil Day could not be said to have had a successful season despite his 153x in the first game. Far too often he would get a start then be dismissed with the attack beaten. Phil plays spin so well I feel he should not open but bat in the middle order where his stroke play will not be shackled.

Pat Horsley probably set some kind of record with his batting but it was his bowling that was so valuable. Here statistics fail to tell the whole story as Pat toiled away to batsmen on excellent wickets while the "shock" troops were rested. On the seaming wicket at North Sydney his display was masterful.

Greg Holt was yet another "freshman", who joined the team in the 9th round. His steady, accurate leggies added another dimension to our attack culminating in his excellent 5-35 off 18 against Bankstown. Greg has a superb wrong-un and as he gains the experience to use it less often he will become even more dangerous as a wicket-taking bowler.

Past regulars Glen Clark and Ian Smith, excellent competitors, really suffered with all the chopping and changing just as they looked ready to bloom. Joe Scarcella started brilliantly but lost momentum and didn't.

have the experience and/or mental toughness to get it back together again. The same comments applied to 'Peachy' Dixon but he didn't have the brilliant start. The only place 'success' comes before 'work' is in the dictionary.

Thanks to all the others who appeared in the lists and especially Andy Dillon who dived all over the shop to save those wide deliveries but still remained cheerful and competitive. We have an excellent club and certainly players of ability so let's get back and recapture that club championship too long gone from us now.

G. GARLAND

Round 1: University 7-229 defeated Waverley 207.

A first wicket stand of 65 and one for the 10th wicket of 72 prolonged the Hoy (6-49) and Smith (3-65) assault on Waverley. Though losing early wickets Scarcella (68) and Kilborn (43) consolidated while Clark (31x) and Smith (19x) saw us comfortably home.

Round 2: University 145 & 5-142(cl) lost to Sutherland 6-148(cl) & 4-45

A very weak 1st innings except for Scarcella (46) on an excellent track didn't give us a chance really. A good fight back augered well for the future with both Kilborn (65x) and Stark (3-19 & 3-10). We really should not have let this one get away.

Round 3: University 182 lost to Balmain 214 & 2-44.

On an absolutely magnificent track at Ryde Stark, Smith, Clark & Hoy bowled superbly to restrict Balmain to 214 off 80 overs. Next week we collapsed miserably to 9-102 until Prattent (68) played the first of many gutsy innings and with Hoy (27x) gave Balmain a scare with an 80 partnership.

Round 4: University 111 lost to Sydney 112.

Another poor performance on a damp wicket highlighted by a succession of indifferent shots. Turner, Hoy & Ryan almost snatched the game back with a fine concerted display in the field. ALMOST!

Round 5: University 9-127(cl) defeated Cumberland 125 & 127.

A fine win against easily the best team we'd played. On a poor wicket all batsmen struggled with little hope for long term survival. Nick Prattent (40x) proved the exception in a remarkably cool and efficient display as he gaied us to our 2nd win.

Round 6: University 238 lost to Petersham - Marr. 5-243.

Batting first we grafted all day against a very tight attack with most batsmen getting a start but only Jourdain (59) cashing in. Next week, Petersham, the eventual premiers really took toll of our attack in heat wave conditions. Stark and Horsley bowled well early but were unsupported and defeat eventually came as a merciful release.

Round 7: University 7-25(cl) defeated Sydney University 169.

With the beginning of the 60 over matches we finally hit consistent form. Away to a good start, everyone, especially McCoy (71) and Prattent (44) hammered the S.U. attack in perfect conditions. Though under pressure early, Stark (2-36 off 17) bowled superbly and was well supported by Smith (5-54 off 17) who mowed down the mugs.

Round 8: University 98 drew with St. George 4-23.

Sent in, we collapsed to 9-57 in difficult conditions against a hostile attack. Rob Start (30) and Brad Wells (7x) took us to 98 with some intelligent hitting then began to demolish St. George by clean bowling

their 1st four batsmen for only 13. A violent hailstorm prevented an exciting finish.

Round 9: University 3-160 defeated Mosman 158

Hitherto undefeated Mosman began confidently and were at one stage 1-84 but collapsed to 8-134 at lunch after panicing against our spinners. Given a good start with Garland (52) as sheet anchor we won easily as McCoy (32x) and Robertson (17x) hit the last 43 in 7 overs.

Round 10: University 4-231 defeated Southern Districts 229.

Districts took all day off 91 overs in perfect conditions as all our bowlers toiled away but with Rob Stark 4-46 off 21, magnificent. Given a 66 run start, Garland (83) and Martin (68) in a century partnership for the 2nd wicket made the win a formality.

Round 11: University 171 and 1-43 lost to Manly 256

Sent in on a very wet wicket Manly played shots to reach 1-75 but then collapsed to 5-103 with Smith 2-6 off 12. At this stage our attack degenerated to an appalling level as Manly thrashed to 256. Uni 2-0 at stumps completed a "great" day. Clark (42) and Palin (35) battled us back but except for Sackett (27x) were without support. 171 was hardly a satisfactory reply.

Round 12: University 3-103(cl) & 4-32 defeated North Sydney 100 & 3-177(cl)

Sent in on a seamers wicket Norths collapsed to 9-51 against Stark & Horsley but slogged luckily to 100. Dixon hit for 49 then Norths sportingly set us 12 an over. Briefly (and stupidly) we went for them.

Round 13: University 108 & 4-127 lost to Penrith 9-235(cl)

Our medium pacers, particularly Start 3-41 off 16, toiled manfully all day and did make the break at 7-126 but were beaten by fatigue and the excellence of the wicket. Suicidal batting 4-17 at the start condemned us with only Prattent (52), Stark (26x) and Garland (20) getting past 6. Following on Delgigante (57), Day (27) and Scarcella (22) hit the ball sweetly and often.

Round 14: University 229 & 0-351(cl) defeated Bankstown 123 and 8-127.

A fine even batting display on a damp wicket, Dixon (50), Prattent (39), Grattan-Smith (39x) was heartening as under similar conditions the following week Holt 5-35 & Grattan-Smith 3-35 had Bankstown on the rack continually and backed up to almost bowl us to an outright amid a wild plethora of hitting.

Round 16: University 81 lost to Western Suburbs 1-87

A much depleted Uni side, we completed the season with a good win on an uncharacteristically poor wicket at Killara. Gordon recovered from 7-50 against some fairly sloppy bowling though Start (5) & Horsley (4) did bowl some fine deliveries and a number of excellent catches were taken. Chasing only a modest 128, we looked history at 6-38 but Stark (50) & Garland (42x) put on 73 & we struggled home.

FIFTH GRADE A

The Season In review:

The 5A's finally made it this year, or almost! Having won the minor premiership the team, full of confidence and determination entered the semi-finals, knowing full well that 2 wet weekends would give them the club's first 5th Grade premiership.

Having played well in the semi against Balmain, scoring 261 runs in the first Innings, after being at one stage 3-27, and watching the rain fall all day on Sunday the team progressed on to the final against Sydney University.

They say that every good team has a bad game once a season, and unfortunately for us this was it. The game started with UNSW losing the toss and being sent into bat on a very damp wicket. The batsmen never really came to terms with the popping ball and we were bundled out for our smallest score of the season - 107. Unfortunately for us, but fortunately for Sydney Uni we managed to bat through until about 3pm which proved to be just about long enough for the wicket to have dried. As so often happens in a rain interrupted match, the game is decided by that initial toss of the coin. Sydney Uni scored 275 in their innings.

However this was probably the lowest point of the season and looking back in retrospect a number of very positive aspects arose from the 5A's in 1981/82.

Firstly, we won the minor premiership with 78 points from 14 completed rounds.

Secondly, the season saw the development of a number of fine players and the following players featured:

Don Dixon:

Don played in 10 matches this season and opened the batting. It is average of just on 46 shows what a fine player he is. During the year Don scored 2 fine centuries. His opening stands with Alex Taylor proved to be the solid foundation upon which many of our wins originated. Don should and will develop as a batsman in the next 2 seasons, so long as he can keep his cool for those first 30 runs.

Alex Taylor:

Well what can one say about Alex that hasn't been said before. 482 runs this season at an average of 30 and the man just keeps getting better with age. Alex's ability and playing style was a great example for all the younger members of the team.

Martin Palin:

This was Martin's first year with the club and what a 'find' he turned out to be. After starting the year slowly he matured into a middle order batsman of great technique. His part-time bowling efforts were also well rewarded.

Martin is a player who works very hard on his game and I am sure that this will see him advance rapidly through the grades next season.

John Sackett:

John made a late start to the season after completing some pressing 'domestic' duties. John's form fluctuated from match to match and it was only towards the end of the season that we saw the Sackett of 'old'. John's determination will however ensure that he plays a higher grade next season. As usual, his fielding was top class.

Jim Payne:

Jim was also a new-comer to the club this season and unfortunately had to leave us in December due to work commitments. During his time with the '5's, Jim proved to be an effective if not so much orthodox middle order batsman. Jim also excelled in the field.

Keith Madden:

Started the season off fairly slowly and found himself filling the gap in the batting order wherever it was required. He turned in some solid performances in the latter stage of the year, especially that 60 in 5½ hours in the semi against Balmain.

Paul Deegan:

Taco showed a lot of guts and club spirit by coming back late in the season after suffering a broken leg during the winter. His experience and aggressive style helped a number of the younger players. His 'bowling' in the final proved an extra bonus.

Steve Gibbs:

Steve had another one of his 'typical' seasons. It had everything, runs, wickets, drama's. His 34 wickets at 18 showed that he has still 'got it' as a bowler and his fielding was excellent. One area in which Steve didn't match up to my expectations, except in the semi, was his batting. His aggregate of 195 could, I am sure be improved upon, through a little more 'concentration'!

John Barford:

Another "Golden Oldie" who keeps bouncing back. "J.B" had a wonderful season with the bat scoring 114 runs, 54 of which came in one innings. J.B's help and knowledge was a great asset to the team this year, and on behalf of all the team and indeed the club I wish to congratulate him on taking the club record for the wicket-keeper with the greatest number of dismissals. The team really prefers you as a keeper rather than a bowler J.B.

Kris Gale:

Kris was another newcomer to the club this year. He proved to be a bowler of good line and length and while not perhaps as quick as Henry proved difficult for a number of opposing batsmen. Kris also has some pretence to batting and while the averages don't quite indicate it, he could be looking at number 10 instead of 11 next year.

Paul Edey and Tim Stubbings:

These 2 had some success with the new ball but had trouble at times maintaining their line and length. We were fortunate however that usually if one of them had an 'off' day the other would fire. Both could enjoy playing in higher grades next year if they can find a little bit more consistency.

Greg Bryant and Greg Holt:

These were our main 2 spinners throughout the year. Greg Holt dominated the pre-christmas matches with spin bowling that next year will ensure the guys in 2nd and 3rd grade have to take wickets. Gregs 5-19 against St George meant he had to go to fourth grade and we never looked like getting him back. At this stage we were lucky enough to have a player with the bowling talents and fielding ability of Greg Bryant ready to step in. While not quite as successful as Greg Holt, Greg proved a valuable team player. Both players are in their first year with the club.

Unfortunately one cannot talk in detail about the whole 28 players that passed through the team this year. I know that 28 players over 15 rounds is a lot and that it is hard to keep team continuity with such a change in the team composition from week to week. However, when one casts an eye over the fifth grade record books from prior years and sees that some teams have had as many as 49 players over a season, one considers that we have not done too badly, and for this I believe a great deal of credit should go to our teams secretary Ian Kellaway.

In conclusion, I believe that there is a formula by which a team can win a 5th Grade competition and that formula centres around: Batsmen occupying the crease

- : a stronger fast bowling base being built-up within the club
- : a strong, young fielding side and
- : winning the toss and umpiring last!

Finally I would like to thank and congratulate all the players and officials that have passed through or been associated with the 5A's this year. I would like to especially thank Alex, J.B. and Gibbsy for their help and support. Our congratulations and commiserations go out to the Firsts, and I sincerely hope that everyone whether winners or losers this year has enjoyed their cricket.

KEITH MADDEN

FIFTH GRADE B 1981-82

Before commenting on the 1981-82 season for the 5Bs a general comment should be made about the 5th Grade competition. This year saw the 5th Grade competition at probably the highest standard that I have experienced and also the standard between clubs were more even than past years. 22 teams competed with 15 out of 18 grade clubs entering sides and 7 clubs entering 2 teams.

The time has come for the association rather than periodically trying to eliminate 5th Grade to foster and promote this competition and thus cricket. To eliminate some 11 grounds (turf wickets) and cricket for some 300 regular players is wrong and against all that N.S.W.C.A. should be aiming to achieve.

We should be aiming to incorporate 5th Grade into the club championship points competition and creating for the 5B sides a new 6th Grade competition. What better way to promote young players and provide training with the guidance of a few older players in a team competition frame work.

Statistically the 1981-82 5Bs were very similar to the previous season, being beaten outright only by the minor premiers. Whilst only gaining 2 wins for the season, 2 or 3 more games should have been won. It is a measure of the 5Bs that we provide determined opposition to most teams and a good game of cricket was played.

Occasionally, particularly at Xmas fielding 11 players proved very difficult and here special mention should be made of Tom Boyce who no matter how late the request turned out for us and perhaps other players with more ability could take Tom as an example.

The dominant weakness was our bowling, only on 5 occasions did we dismiss the opposition, certainly the fielding contributed to this and the lack of a regular wicket keeper was another problem. No bowler took 5 wickets in an innings. The most successful bowler in number of wickets was Ralph Merrell whilst not the sort of figures we expect from Ralph over the years perhaps with the improvement of his batting he may follow G2 and decide hitting the ball is better than being hit.

As with the bowling the batting suffered but perhaps this is the nature of 5B cricket that when good performances are registered promotion follows. Only one player scored more than 200 runs for the season, however some notable innings and promising players were evident; John Martin, Evin Robb, Ian Eldershaw and Chris Birt.

A pleasing aspect this year was the number of slow/spin bowlers in the team and their promotion to higher grades. Certainly on the figures this art of bowling is strong at the club and did not suffer in limited over games. Perhaps with this situation the myth of expensive slow bowlers may be laid to rest and the club maintain its strong position. In this context players such as Greg Bryant, Greg Holt, Ken Crighton and Martin Pallin show much promise.

Martin Dyball and Chris Gale new players to the club showed great promise and should with more regular play reach higher grades.

Peter James, Ben Hunt and Trevor Stegman did not have the sort of season that was expected but as the more senior players contributed to the team in many ways, especially being available when it really mattered-my special thanks.

Special mention should be made of the excellent wickets prepared at David Phillips; perhaps the bowlers will not agree but certainly fine cricket wickets. Special thanks to the University and ground staff for a fine job.

Our congratulations to 1st Grade and 5As for reaching the finals, unfortunately premierships did not result. The 5As result, minor premiers without achieving that elusive premiership is the best 5th Grade result for the club and also reflects on the 5Bs being the immediate reserve side.

I would like to thank all who made a contribution to the 5Bs for a most enjoyable season both on and off the field. Special thanks to Ralph Merrell (V.C.) and Ian Kellaway who worked very hard to ensure the 5Bs had all the available players possible.

Again thanks to all who passed through the 5Bs and look forward to next season and perhaps finally a 5th Grade premiership.

TONY EPSTEIN

UNIVERSITY OF NEW SOUTH WALES

CRICKET CLUB

C & S TEAM REPORT

1981/82

As with last years C & S team, side was made up of past club members and student members. Unfortunately, the number of oldies dwindled this year due to illness, injury and family commitment.

However, supported by some very good, and keen younger players we managed 9 successive wins. Then came the dreaded University examinations and vacation. Our nine wins were followed by 5 successive loses and one abandonment due to lack of players. The season finished with another two wins and a loss. Our seasons performance finally being 11 wins, 5 loses and 1 lack of players.

The vacation proved our downfall, being the last team in the club we suffered at the hands of all higher grades. It is our suggestion that the C & S team play until early December and then be disbanded until mid February when it plays through until the end of the season. Thus avoiding the Christmas/vacation rush. This also has the benefit of giving the other grades a pool of players to draw on over this difficult period.

Back to the season in question, our undoubted star was Roger Robertson be it with bat or ball. Roger was well supported by a few of our younger players, namely Phil Clark, John Pigott and John Gallagher. One of our casualties during the year was Royce Levi. Royce a young 48, severely damaged a knee and could only play 2 or 3 games. Royce kept well on these occasions however in his absence the keeping duties were shared between Hugh Hopkins and John Wighton.

Prior to Christmas bowling was our strong point with fine performances being put in by Mark "Random" Sample, Mark Cox, Max Gosling and John Middleton. Unfortunately after Christmas we went into matches with one bowler only, our part-timers were easy meat in our limited over contests.

Hopefully, next year will see a few of my "old mates" enjoying a leisurely Saturday playing C & S. Interested give me a ring.

Hugh Hopkins.

U.N.S.W. CITY & SUBURBAN TEAM 1981/82

POIDEVIN GRAY REPORT

This was going to be the year we would win back the Shield. Preparations for the P-G season were well under way in November. Disco was re-appointed as Captain, I was re-appointed Manager and Glen Clark was appointed Coach. The key country players were all approached soon after to make sure that they would be available and the "administration" was ecstatic when it quickly became clear that the strongest possible squad would be available. This squad had everything BUT unfortunately reality dawned very quickly. It had become apparent in the last two grade rounds before the P-G season that the P-G batsmen couldn't muster 20 between them. Still their early season form had been good enough to lull me into a false sense of security. A Practice game was organised for the first time in seven seasons but it only lasted 20 minutes. It had been played on the same Village Green Wicket that had been slated in the press the previous day and Jamie Baker, with balls whistling past his eye-balls, quickly let it be known that there was no way that he would continue batting.

Round One - Coogee. This ground has never been good to us and I thought my worst fears would be realised when an inspection of the wicket showed that it was wet and underprepared. But luck prevailed and Disco won the toss. The match had been reduced to 37 overs-a-side and Randwick were quickly in trouble. Although we only grabbed six wickets, Randwick were never able to force the pace as all our bowlers were tight with Rob Stark being particularly impressive with 2/26 off 12 overs. If I might digress for one moment, Starky had never really entered into calculations for the P-G team. He was a spare parts player who we only decided to include in the side at the eleventh hour. When I saw him at practice for the first time he used such high powered techniques to make me include him in the team that he would have made a Used Car Salesman proud. After this game Starky's place was never in doubt and he is already on the campaign trail for P-G Captain the year after next. Back to the game and we only needed 96 to win. Wickets fell fairly steadily but at 5 for 85 with five overs to go and Jamie ("I haven't stopped growing") Baker in full flight it seemed a foregone result. Then came panic stations 9 for 91 with Starky and Mark Hoy at the crease and one over to go. To the astonishment of all of us Starky hit a classic cover drive for four off the first ball (could it have rivalled that famous six at Mosman?). Only two to win. Starky however thought there was one more over and he patted away the next four balls before he realised what all the commotion was in the grandstand. The last ball was bowled and Starky hit it straight to mid-on (a certain run out I thought) but the fieldsman fumbled the ball. The return was still close however and the Randwick fieldsmen were jumping up and down. Meanwhile Mark Hoy had run back to the bowlers end and before the bowler knew what had happened Starky had set off for the second run and by some miracle we won the game. A win, but the seeds of failure had been sowed with only Jamie 36 and Disco 16 making double figures.

Round Two - St. George. An absolute disaster - 9/65 before rallying to 96 after a solid 23 from Nick Prattent. Too few runs to do anything about.

Round Three - Sutherland. Now here was an experienced team and I was sure that we would sink further into the quagmire. But it was not to be. In fact it was "Dixon Day". Punk 28 put on 32 with Jamie Baker - the highest opening stand for four seasons - before joining in a delightful partnership of 47 with big brother Disco. Disco's innings of 61 was magnificent and laid the foundation for whirlwind batting by Peachie 39 not out in collaboration with Mick Kilborn 26. Five for 188 was a formidable score on that wicket, but I nearly had a heart attack when Disco persisted bowling Jamie's leg spinners with the score quickly mounting to 4 for 113. But I should never have doubted him as Jamie routed them with 5/47 off 16 overs.

Round Four - Waverley. Disco won the fourth straight toss and inserted them. It was the oddest innings I have ever seen. Until their number 9 batsman only

their opener 73 scored more than 8 and then even he had the most amazing good fortune. Disco 5/40 returned his best P-G performance since his halycon days with the Sydney P-G team back in 1979 and Kyogle made a welcome return with 3/18 off 17 overs. After being 1 for 0 Jamie 28 and Sandy 28 put on the slowest batting performance I thought I would ever see (bad luck boys Mark and Livo put on 29 in 110 minutes in the 1st Grade Final). But their partnership was the foundation that the side needed to build on and despite a minor scare when Disco made the best "Golden Duck" that any of us had ever seen, Peachie 49 hit us to an easy win.

Round Five - Sydney Uni. This was the big game in our division as the winner would go into the semis. Mark Hamwood took over the captaincy as Disco decided the pressure was too much and took off to Queensland to partake in the Interstate Colts Carnival - Congratulations kid from all of us. What a sight - they brought a 15 man squad and proceeded to run around the oval three times, did a series of callisthenics and strutted around like plumed peacocks. They were convinced they were going to win but another determined performance by Jamie 48 and a forceful 55 from Peachie thwarted them and saw us to 180. But all seemed lost when Sydney Uni reached 1 for 125 with plenty of overs to spare. Then came the dramatic slump that would have done 3rd Grade proud! From 4 for 159 they were all out for 170 with Mark Hamwood returning the stunning figures of 23 overs 5 maidens 6/46. Jubilation and congratulations were handed out all around. I was in a complete daze but we had made the Semis for the first time since Jungle's Conquering Heros.

Semi-final - Mosman. A stinking hot day saw the selectors pick a side with seven bowlers and dangerously thin batting. Luckily once again Disco won the toss and Mark Hamwood put in another stirring performance with 5/24 off 17 overs 9 maidens, admirably supported by the incomparable Disco with 3/32 off 13 overs. Only 146 to win. Disaster struck early with Jamie being given out LBW in the first over off a ball so far down the leg side that it could almost have been a wide and Punk going in a similar manner shortly thereafter. We were up against it and although Mick Kilborn 27 played a gem of an innings (hopefully a sign of things to come) the collapse was on in earnest and only Mick Ryan 17 provided any late resistance. All out 94 TFC.

Congratulations to Peachie for the batting aggregate and average and some really memorable big-hitting. Also to Jamie Baker who put in some superb performances opening the batting. On the bowling side Mark Hamwood stormed home with the aggregate and average after an indifferent start and Mark Hoy was particularly impressive with his tight line and length bowling and should be a trump card next season. Despite what Mick "Veritas" Ryan might think Disco deserves heaps of accolades for his captaincy. His tactical ability has matured out of sight and he will make a superb 1st Grade captain when Mark finally hangs up his boots. Special mention must be made of Glen Clark's efforts as coach and co-manager. He worked hard for "our goal" and made my job a piece of cake. The major disappointments were Punk, Sandy, Mick Ryan and Mick Kilborn. If they had shown the form they showed late in the season the Premiership would have been ours for sure. Still the experience they obtained can only be for the good and I am eagerly looking forward to next season. In fact the excitement is already welling up inside me with the jingoistic attitudes being displayed by Starky, Jamie, Mark Hoy, Mick Ryan and Punk. The senior members of the side and the "administration" are locked in a battle as to who should be captain next year, although Peachie is favoured to keep the captaincy in the Dixon household for yet another year. Mick Ryan believes a "Committee of Four Captains" would be ideal. Disco himself is keen to become our "Ron Barassi" in what should be a very rewarding season.

ARRIVE IN TAMWORTH

Three and three quarter hours from Sydney lies the Capital of the North, the City of Light, the Country Music Capital, the nurturer of names like Campbell, Pulver, McDonald and Horsley. The rot set in on 30th December as the Town Talk hotel filled with unnatural elements which introduced themselves cautiously over Chinese and a few at the Leagues Club. There was the Wit of Snake, the competing Rashness of Jungle and Paddy, and the all-round ability of Jo-Jo Scarcella (he can open Bowling, Batting, Wicket-Keeping, Tinnies, Throttle, etc...) So with the cricket sewn-up, Splinter sorted out the seedings for snooker, pool and darts, and the stage was set.

DAY 1 - TAMWORTH GAME - NEW YEAR'S EVE

A strong team confronted Tamworth (including 6½ mini-tourists) and a solid opening partnership of 58 (Tout 41, Taylor 27) with local boy Billy Pulver's bold 64 saw us to 8-208 from 50 overs.

After the blistering attack of Horsley-Sample, even Paddy's fullies were unharmed by the shell-shocked locals as his 10 overs yielded 2-28, and with no parochial mercy from Klinger (3-22), Tamworth were 6-120 with 10 overs remaining. Relentlessly, Captain Rash Robson and Touty went in for the kill, securing a win by 6 runs. (Robson 1-52 off 8, Tout 3-40 off 5).

Thanks to Jane O'Brien and Mrs Campbell, a B.B.Q. was enjoyed by all before the mob (incl. Alex minus family) invaded an out-of-town New Year's Eve party. Although co-host Cliffo bade us welcome, others were wary after Jungle's ice-breaker: "Hello, I'm Jim ... I've got a rash ... What have you got?". Even a Dead-Ant failed to turn a tweed coat as the New Year arrived quietly.

DAY 2 - WALLABADAH RACES, NEW YEAR'S DAY

The troupe moved to McDonalds territory for the local highlight, the Wallabadah Cup meeting, hosted by General McDonald. The special atmosphere - the dust, the heat, the uphill/downhill track, and the curious indigenese - delighted Jungle (who won), and tired others (who lost). Thanks to George for providing refreshments at the General's private tent.

Back to Tamworth Workies for dinner and a fair dinkum foot stopin country music rock jam session, where the girls preferred to dance with each other (who'd blame them.) The corrugated iron verandah roof at the Town Talk saw a bit of traffic as the Tamworth experience drew to a close.

DAY 3 - TRAVEL TO LISMORE

Lone Mad Max spots Horsley on highway - mandatory 3 points; Ray family spotted fleetingly in Grafton; Galloettes not spotted in Maclean. We entered Lismore and the land time forgot. To the east - the flesh-pots of Ballina; in the hills - a mixture of the new alternative st and the old "in" communities, like Kyogle, where genetic degeneration has horrible results!; and in town... there's Geoff Trimble. Fittingly, we stayed at the Gollan, where Jungle shared a single room with a Playboy, and Joe got snake again.

DAY 4 - CASINO GAME

Numbers were thin - the Rays had arrived and with Tauty extending his tour there were 7 (plus Splinter and Sanke). The balance was involved in an epic all-night puschh from Sydney - Pink Dixon, Veritas Ryan, Kyogle and Starky, who added much needed inexperience.

The game was a romp, with the tourists scoring 6-300 from 60 overs and dismissing Casino for 103. Mark hit a sparkling 99, with Tauty 40 and Jungle 37. Klinger was most unkind in slamming a lightning 65 not out and snaring 4-16 (or 7-16 if you can believe Snake taking 3 catches). Hormone (W. Tait), a Casino all-rounder and rising 16 year old stud, was so impressed that he joined the tour.

After a few at the Casino Services Club, Tauty caught a flight home and the rest (plus Hormone) returned to Lismore to find very little action, so it was tinnies at the Gollan, and more health to the balcony pot plants.

DAY 5 - BALLINA GAME

A generally poor batting display saw the tourists all out 167. Mark again starred with 76 not out, with Punk run out for 21. Horsley put runs ahead of driving points for the first time on tour with an uncharacteristic 11. Despite the services of Elwyn Robb, Ballina could only manage 94 as nine bowlers hurled them down. Even Snake got a wicket. The two non-bowlers were Joe (keeping, but could have opened) and Ian Murray, protecting his local image.

A quick scrub was organised as Hormone was to produce a bevvy of tanned beauties of his acquaintance. The Hormone bubble burst, and we returned to Lismore where Mi-Sex were on at the Italo-Australia Club. Tinnies at the Gollan followed with Starky's alternate plan foiled by Hormone's absence with his car. And then it happened.

A cloud of dust ascended the stairs concealing a hybrid of unknown origin, which bore traits of both local mountain species, with Trimblesque features and tribal markings. It was unphased by bawdy behaviour and descended upon Starky, who was overcome.

DAY 6 - LISMORE GAME

Still no tour ton for Mark Ray. A grand opening stand of 106 between Punk (49) and Mark led to 1-184 at one stage, and then all out 235 in the last over. Mark made 97 (including a six), Jungle a neat 34 and Hormone showed promise with 14. Mick Ryan made the local rag by falling to Lismore's Mick Ryan for 8.

After three quick wickets to Starky, who showed remarkable stamina, Klinger got another bag (6-40) to wrap up Lismore for 110. Local star Geoff Trimble looked dangerous for 15 towards the end, following his tight bowling earlier.

Lismore put on a great show back at the Gollan (the first time we'd seen the bar open) which included B.B.Q., drinks, and a darts tournament. "Sam" Trimble was resplendent in the latest red "Stubbies" with G.T. stripes and long socks. Starky was an early casualty following unsuccessful sculling sprints - While Jungle showed the way in darts with his mouth-around-inverted-glass, eyes closed throwing technique.

DAY 7 - TRAVEL TO WYONG

An uneventful day except for Snake travelling with Joe, who was seen playing chicken with oncoming traffic while overtaking a semi. However, the Central Coast Motel was gained safely by all, and a quiet night ensued.

DAY 8 - BRITISH COLUMBIA GAME

British Columbia looked formidable, complete with West Indians, but their attack proved to be gentle. With Touty and Chappo up for the day we batted first and were 4-147 from 31 overs when hail obliterated the game. Touty scored 23 and Joe was heckled out for 36. Chappo showed little respect and keen local knowledge, easing four 6s over outstretched hands in a brisk 51.

The tourists had great expectations as we hit the Gosford night-life. We infiltrated Gosford Leagues but the result was the tour norm, snooker and darts. One last effort, and over to the disco - just us, and two ageing rockers. And so ended the social activities of the Country Tour, 1982.

DAY 9 - BACK TO SYDNEY

All were tired and glad to be returning to Sydney, but the tour was enjoyed throughout and promises had been made to return to the Lismore environs. Splinter must be congratulated once again for his fine organization and "leadership" in all activities.

Impressive statistics were: Mark - 3 innings for 272 runs at 136;
Steve - 18 wickets at 4-5.

A. TOURIST

UNIVERSITY OF NEW SOUTH WALES v WESTERN AUSTRALIA - 16/2/82

Thanks to the entrepreneurial skills of former captain John Rogers, the Club was privileged this season to play host to the Western Australian Sheffield Shield team. After a hard game against NSW at the SCG, the team took the opportunity to avoid more net practice and have a workout in the middle. As reigning First Grade premiers and one of the most progressive Clubs in Sydney, it was fitting that the UNSWCC was the first Grade Club to hold such a fixture. What a pity the press didn't give the game more publicity!

According to the Club's traditional 'four rules', the visitors were given the option of batting first. A very hot day and an excellent batting wicket (our special thanks to the Ground Staff for a top effort) convinced W.A. skipper Greg Shepherd that that was the policy to follow. A first ball wide from Jim Dixon was followed by a wicket, -1 for 1.

Wales kept well in the game despite a fine 83 runs partnership between former test century-maker Tony Mann, and Geoff Marsh, who was still seeing it like a football after a mammoth century innings against NSW a few days earlier. After Mann was retired for 54 (3 fours and 1 six) and Steve Campbell had caught and bowled Marsh for 38 (5 fours), the remaining batsmen fell quickly. The total of 8 for 177 off the allotted 40 overs was considered by the many experts present to be well within the home side's abilities. All our bowlers performed well against top opposition. The fielding was reasonably good, except for a dropped catch each by the present skipper (suffering from a broken toe) and the former skipper (suffering from what was generally diagnosed as advancing age!)

After a fine start from our openers, Greg Livingstone (67) and Chris Chapman (29), Wales were playing well and looked like passing the target in some comfort. The highlight of our batting was Livo's fine innings, which included shots all around the field, yielding six fours and a huge six into the tennis courts in front of New College. With a handful of runs needed, J.R. walked onto the field waving his borrowed bat above his head in response to the crowd's applause. With four runs needed off 2 balls, he refused an easy second run in order to keep the strike, and no doubt to satisfy his propensity for the dramatic. Three runs to win off the last ball - Malone to Rogers; J.R. slogs to mid-wicket and is run out going for the winning run. A tie!

Later, when questioned about his performance, John replied that he thought we only needed two runs to win, not three. Former members of his team were heard to mutter that such a paltry excuse would not have been tolerated during his reign. Still, all egos remained intact, and judging by the festivities afterwards, everyone present seemed to enjoy themselves thoroughly.

Our thanks go to John Rogers and the W.A. team, to umpires Tom Brooks and Ross Emerson, and to all the Club members and supporters who helped make this such a successful day.

MARK RAY.

UNIVERSITY OF NEW SOUTH WALES

CRICKET CLUB

HONORARY TREASURER'S REPORT FOR THE YEAR
ENDED 31ST MAY, 1982

The attached accounts show a surplus for the year of \$468. This result reflects the increased costs being faced by the Club in the areas of Administration, Equipment Costs, and Match Expenses.

My thanks are extended to all those who aided the Committee in the running of functions this year and to all those people who made donations.

MARK SAMPLE

Hon. Treasurer
